General Assembly of the State of Iowa** Iowa. General Assembly,1907      *Our Onward March* Jonathan D. Neu,2025-03-04 Provides vital new evidence that Union veterans remained stubbornly opposed to the nation's reconciliationist tendencies and unwilling to surrender the causes for which they fought Union soldiers service to the nation did not end in 1865 Instead it persisted well into the twentieth century as hundreds of thousands of veterans joined the Grand Army of the Republic GAR and directed the reform and improvement of their communities through their fraternal membership in thousands of local posts around the country In *Our Onward March* Jonathan D Neu shows how Union veterans of the GAR drew on lessons they learned in the Civil War lessons about broad principles like democracy freedom and loyalty to undertake grassroots civic projects designed to address the rampant social ills and challenging foreign policy issues associated with US modernization Armed this time with sage wisdom and unwavering principles they mobilized again to consummate their wartime victory with reform minded activism on behalf of establishing an even more perfect Union Extending the boundaries of America's post Civil War era Neu investigates the GAR during the Progressive era a period in the organization's history that scholars have overlooked Countering stubborn notions that the GAR was merely a pension advocacy group or an insular bastion of sentimental nostalgia he reveals instead that the organization reached a turning point in 1890 after which it became an active and decentralized civic association whose members worked to instill a commitment to public life engagement with community issues and pride in the democracy they had defended as young men Anchored by illuminating new source material including post minute books and fraternal records *Our Onward March* places aging GAR members squarely among the diverse constellation of turn of the century social reformers using their memory of the Civil War to promote robust veteran led civic engagement By situating Union veterans in this context we see a more accurate portrait of the GAR post in American culture as a local center of progressive activism      **Acts and Resolutions Passed at the ... Session of the General Assembly of the State of Iowa** Iowa,1902      *Union General* William L. Shea,2023 2023 A M Pate Jr Award in Civil War History Union General is the first biography of Samuel Ryan Curtis the most important and most successful general on either side in the Civil War west of the Mississippi River Curtis was a West Point graduate Mexican War veteran and determined foe of secession who gave up his seat in Congress to fight for the Union At Pea Ridge in 1862 and Westport in 1864 he marched hundreds of miles across hostile countryside routed Confederate armies larger than his own and reestablished Federal control over large swathes of rebel territory In addition to his remarkable success as a largely independent field commander

Curtis was one of only a handful of abolitionist generals in the Union army. He dealt a heavy blow to slavery in the Trans Mississippi and Mississippi Valley months before the Emancipation Proclamation went into effect. His enlightened racial policies and practices generated a storm of criticism and led to his temporary suspension in the middle of the conflict but he was restored to active duty in time to win a crushing victory at Westport where he saved Kansas and put an end to Price's Raid. Before the war, Curtis was an accomplished civil engineer, a prime mover of the transcontinental railroad, and an important figure in the emerging Republican Party and was elected three times to the House of Representatives from Iowa. After the war, he participated in pioneering efforts in peacemaking with the Plains Indians and helped oversee construction of the Union Pacific across Nebraska. This biography restores Curtis to his rightful place in American history and adds significantly to our understanding of the Civil War.
