Hand Of God:

The Hand of God Barry Applewhite, 2010-12-22 If you think God is far away in heaven involved in great matters more important than your life get ready for a shock This book can help you understand God not an easy subject His fingerprints are all over your life and he wants to do even more First you will find out how God s nature relates directly to your everyday life Actual incidents from the lives of biblical characters are analyzed to isolate the practical significance of God s personality As you see his dynamic involvement with Moses Abraham Daniel and others you will get concrete ideas about what he is doing in your life The personal applications at the end of each chapter will help you integrate what you have learned into your daily experience This book will strengthen your understanding of God as a Person who cares about you So often Christians think of God as aloof and remote rather than directly interacting with us in a personal way This book will show that an emphasis on God as the loving Father represents the biblical view

The Wise Virgin, Or, A Wonderfull Narration of the Hand of God, Wherein His Severity and Goodness Hath Appeared in Afflicting a Childe of Seven Years of Age, when Stricken Dumb, Deaf and Blind ... Yet Upon Her ... Recovery was Heard ... to Utter Many Glorious Truths Concerning Christ ... Her Name is Martha Hatfield James FISHER (Minister at Sheffield.), 1653 Hand Of God Philip Kerr, 2015-06-04 The beautiful game just got deadly London City is playing in Athens and football manager Scott Manson is keeping his team on a tight leash He needs them home in one piece for a crucial match at Silvertown Docks But Scott didn t plan for death on the pitch As the Greek authorities are mounting a murder investigation Scott must find the truth and fast to get his boys home in time

The Left Hand of God Adolf Holl, 2012-05-16 Adolf Holl s divine biography examines the life of the Holy Spirit in the context of the history of Christianity Judaism and Islam Interweaving scholarship with religion myth and culture Holl expertly traces the influence of the Holy Spirit on men and women from all walks of life over the course of centuries The result is quite unlike anything written before The Holy Spirit inspired a few Galilean fishermen to find the courage to preach a new world religion The Jews recognized it as the breath of God Mohammed was inspired by it in the dictation of the Koran Yet this same spirit has moved individuals to rebel against convention authority and even sanity Through Holl s freewheeling yet always crystal clear discourse we see how the Holy Spirit informs an incredible array of beliefs including those underlying the rituals of Appalachian snake handlers and ideas the works of Freud and James Joyce are among the many discussed When the book was published in Germany Der Spiegel wrote Holl has presented a formidable history linking together the most distant things in a surprising way and leaving the whole as a paradox He leaves it to the reader to judge the encounter with the Holy Spirit as a manifestation of the divine in the human being or as a case for the psychiatrist Whatever the reader s conclusion may be The Left Hand of God is sure to be hailed as a major religious publishing event
