*The Mirror of Life -The Prying Mirror Reveals All* Richard K. Singh,2013-03-26 As humans we live our entire lives as performers on the world s stage exhibiting behavior which portray us in a variety of characters and emotions The different emotions which we reflect are the outcome of our interaction with the people we encounter in this lifetime and the environment we share We direct and stage manage our performances which can be box office hits or colossal flops We personally determine the success or failure of our performances In some instances we perform so well that the spectators and audience are unanimous in demanding an encore presentation which can be accompanied by a standing ovation These are the candid unrehearsed and spontaneous images we freely and unhesitatingly allow the Mirror of Life to store in its memory bank As humans we possess the capacity to enhance and refine our images as we live out our human existence Yet the converse can equally apply The images of the latter blend and merge to reflect a diabolical distorted and unidentifiable picture a blur of what started as a well defined face of humanity The Mirror of Life provided a blank canvas allowing each one of us an equal opportunity to produce a master piece Some exploited this opportunity while others forfeited it Thus we determined the success or failure of our performances earning applause or boos The Mirror of Life will be the constant faithful companion recording and reflecting both the serious and humorous performances of man in natural universal settings The author will attempt to steady the mirror in an effort to avoid distorting the images and capturing actions in real time both past and present The Mirror of Life will endeavor to present these authentic and real life performances in a light hearted satirical way Being able to laugh at ourselves and allowing others to enjoy our antics while attempting to correct or rectify our images defines our humanness and our resilience to life s challenges
