Handbook Of Field Recording:

The Handbook of Field Recording Frank Dorritie, 2003 The Handbook of Field Recording is the essential book by author Frank Dorritie on the topic. Coming complete with an audio CD, this book will teach you how to make good field recordings in any situation. Getting a good recording in the field is still one of the most challenging tasks in the recording industry. From environmental factors and room acoustics to equipment problems, field recording can be filled with potential roadblocks. The Handbook of Field Recording provides you with the knowledge you need to solve these problems and excel at making the best recording possible of any subject at any location. In clear terms, the book explains how to record documentary audio, film sound, underwater sounds, and much more. Veteran music and recording educator Frank Dorritie, author of the popular MixBooks title *Essentials of Music for Audio Professionals*, brings his formidable recording experience to light in *The Handbook of Field Recording*. This is an exciting, authoritative title that will demystify the challenging process of recording subjects outside of the studio.

The Filmmaker's Handbook Steven Ascher, Edward Pincus, 2007-09-04 2008 Edition The authoritative guide to funding, preparing, shooting, lighting, editing, finishing, and distributing your film or video. Widely acknowledged as the bible of film and video production and used in courses around the world, this indispensable guide to making movies is now updated with the latest advances in high definition formats. For students and teachers, the professional and the novice filmmaker, this clear and comprehensive handbook remains the reliable reference to all aspects of moviemaking. Techniques for making narrative, documentary, corporate, experimental, and feature films. Working with high definition and standard definition digital video formats including DV, HD, and HDV. Extensive coverage of video editing with the latest nonlinear editing systems. Thorough grounding in lenses, lighting, sound recording, and sound editing. The business aspects of financing and producing movies. Written by filmmakers for filmmakers, this book will give you the skills you need to take your dreams from script to screen.

Handbook for Folklore and Ethnomusicology Fieldwork Lisa Gilman, John Fenn, 2019-04-05 A comprehensive review of the ethnographic process for developing a project, implementing the plan, and completing and preserving the data collected. In *Handbook for Folklore and Ethnomusicology Fieldwork*, readers will find a detailed methodology for conducting different types of fieldwork, such as digital ethnography or episodic research, tips and tricks for key elements like budgeting and funding, and practical advice and examples gleaned from the authors' own fieldwork experiences. This handbook also helps fieldworkers fully grasp and understand the ways in which power, gender, ethnicity, and other identity categories are ever present in fieldwork and guides students to think through these dynamics at each stage of research. Written accessibly for lay researchers working in different mediums and on projects of varying size, this step-by-step manual will prepare the reader for the excitement, challenges, and rewards of ethnographic research.
