Unmarried Mothers Emmy Gichinga, 1996 **The Handbook for Spiritual Warfare** Ed Murphy, 1992 **The Beasts, the Graves, and the Ghosts** Hann Tzuu Joey Tan, 2020-05-31 At the heart of the gospel is the message of the incarnation God translating himself into the context of human culture and language so we might know him Far from coming to an end with Christ's life on earth this process of contextualization is ongoing reoccurring every time the gospel encounters the particularities of society and culture In this book Hann Tzuu Tan explores the significance of contextualized preaching within the Chinese context Against the backdrop of three major festivals the Spring Festival the Qing Ming Festival and the Hungry Ghost Festival Tan examines the practices of six experienced Chinese preachers in order to demonstrate the theological and practical importance of contextualized preaching As a result of his research Tan suggests six main principles for contextual preaching principles that are rooted within a Chinese context yet applicable to anyone seeking to express the gospel's relevance within a particular cultural setting Combining insights from biblical studies applied theology and ethnography this interdisciplinary study will enrich one's understanding of Chinese culture the gospel and the important and necessary work of contextualization Redeemed to the Utmost Sijil Oommen, 2009-09 Redeemed to the Utmost is a simple logical philosophical book that addresses two important topics of Evil and Security of Salvation in a unique way Even though there are several books on these topics not many are written by a layperson It would not come as a surprise to know that many thinking laypersons have in their own way wrestled with such hard issues The book contains the insights and thoughts of a layperson who took a long and arduous journey to find the answers to difficult questions using the Word of God as the foundation To say that many difficult questions have been answered in a fresh and unique way is not an overstatement Hopefully this book will usher in a fresh debate and lead many Christians to return to the Reformation roots and make Salvation by Grace alone as the victory cry once again Sijil Oommen was born and raised in India in a non-Christian culture giving him a unique perspective from which to formulate his views He moved to the United States ten years ago and is active among the large Indian Diaspora in the country being a board member of Galilee Ministries International a group involved in missionary work in India In 1998 he portrayed the leading character in an hour long documentary by CNN
