Handbook Of American Military History:

A Handbook of American Military History Jerry K. Sweeney, Kevin B. Byrne, 2006-01-01 The second edition of *A Handbook of American Military History* delineates the military history of the United States from the Revolutionary War into the opening stages of the twenty first century war on terrorism Comprehensive and easy to use it supplies essential information on the social technological political tactical and strategic developments that have affected the evolution of the U S armed forces New to the second edition is a chapter on U S military history from 1995 through 2004 and an index *A Handbook of American Military History* is the perfect reader s guide for the military history buff or anyone interested in a brief overview of American military history

A Handbook Of American Military History Jerry Sweeney, 2019-09-25 This unique reference work covers the military history of the United States from the Revolution to the Gulf War The *Handbook of American Military History* is comprehensive easy to use and supplies essential information on the social technological political tactical and strategic developments that have affected the evolution of the U S

The Routledge Handbook of American Military and Diplomatic History Christos G. Frentzos, Antonio S. Thompson, 2014-09-15 The *Routledge Handbook of American Military and Diplomatic History* provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States This volume The Colonial Period to 1877 illuminates the early period of American history from the colonial warfare of the 17th century through the tribulations of Reconstruction The chronologically organized sections each begin with an introductory chapter that provides a concise narrative of the period and highlights the scholarly debates and interpretive schools of thought in the historiography followed by topical chapters on issues in the period Topics covered include colonial encounters and warfare the French and Indian War the American Revolution diplomacy in the early American republic the War of 1812 westward expansion and conquest the Mexican American War the Civil War and Reconstruction With authoritative and vividly written chapters by both leading scholars and new talent this state of the field handbook will be a go to reference for every American history scholar s bookshelf

A Handbook of American Military History Taylor & Francis Group, 2019-07-22 *The Routledge Handbook of American Military and Diplomatic History* Christos Frentzos, Antonio Thompson, 2013-08-29 The *Routledge Handbook of U S Military and Diplomatic History* provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States in the modern period Each chapter begins with a brief introductory essay that provides context for the topical essays that follow by providing a concise narrative of the period highlighting some of the scholarly debates and interpretive schools of thought as well as the current state of the academic field Starting after the Civil War the chapters chronicle America s rise toward empire first at home and then overseas culminating in September 11 2001 and the War on Terror With authoritative and vividly written chapters by both leading scholars and new talent maps and illustrations and lists of further readings this state of the field handbook will be a go to reference for every American history

scholar s bookshelf **The Routledge Handbook of the History of Race and the American Military** Geoffrey Jensen,2016-04-20 The Routledge Handbook of the History of Race and the American Military provides an important overview of the main themes surrounding race in the American military establishment from the French and Indian War to the present day By broadly incorporating the latest research on race and ethnicity into the field of military history the book explores the major advances that have taken place in the past few decades at the intersection of these two fields The discussion goes beyond the study of battles and generals to look at the other peoples who were involved in American military campaigns and analyzes how African Americans Native Americans Asian Americans and Chicanos helped shape the course of American History both at home and on the battlefield The book also includes coverage of American imperial ambitions and the national response to encountering other peoples in their own countries The Routledge Handbook of the History of Race in the American Military defines how the history of race and ethnicity impacts military history over time and comparatively while encouraging scholarship on specific groups periods and places This important collection presents a comprehensive survey of the current state of the field **American Military History** Daniel K. Blewett,2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums **Guide to the Writing of American Military History** United States. Department of the Army,1951 *The Oxford Companion to American Military History* , **A Guide to the Sources of United States Military History** Robin Higham,Donald J. Mrozek,1993 A reference book covering from Colonial Forces 1607 1773 up to the time of the recent Persian Gulf War The book links military history with developments in technology and science and in 20th century military and naval medicine First it gives unique coverage of the European background of American military affairs and then proceeds concentrating first on eras then on branches of the service in war and in peace *Guide to the Writing of American Military History: a Formulation ...* United States. Dept. of the Army. Office of Military History,1950 **The Study and Writing of American Military History** United States. Department of the Army. Office of Military History,Paul McDonald Robinett,1954 **A Guide to the Study and Use of Military History** John E. Jessup,Robert W. Coakley,1979 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study It is not a work to be read and lightly tossed aside but one the career soldier should read again or use

as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past

Guide to Research in American Military History United States. Military History Office, 1950 The Oxford Handbook of American Military History Watson, 2023-03 **The Study and Writing of American Military History** United States. Department of the Army. Office of Military History, 1954 *U.S. Military History For Dummies* John C. McManus, 2010-01-28 Want to know more about American military history U S Military History For Dummies presents concise and revealing accounts of all of the nation s armed conflicts from the French and Indian War to Iraq It explains how the U S military is organized and how its branches operate both independently and together This straightforward guide examines the causes for each of America s wars and reveals how these conflicts have shaped the nation s borders society politics culture and future You ll meet heroes cowards patriots and traitors relive great battles and get a taste of what combat is really like as you discover How the French Indian war sowed the seeds of the Revolutionary War Why America s battle for independence didn t end at Yorktown Early U S wars against Indians tax cheats and pirates The War of 1812 guaranteeing U S sovereignty Manifest Destiny wars that stretched America from sea to shining sea Why the American Civil War could not be avoided The Spanish American War and the U S as an emerging global power Why World War I failed to make the world safe for democracy How World War II changed America s role in the world Korea and Vietnam hot wars during the Cold War Featuring important insights on technological political and social changes that transformed the way America fights its wars U S Military History For Dummies is your key to understanding the evolution of the most powerful military force in history **Guide to the Writing of American Military History** United States. Department of the Army. Office of Military History, 1951 *Guide to the Writing of American Military History* United States. Department of the Army. Office of Military History, 1951 **The Writing of American Military History** U. S. Department of the Army, 2001-06 The Writing of American Military History A Guide should stimulate intelligent probing into the past with an eye to the future This in turn should lead to increased wisdom and therefore to wiser decisions and better execution throughout the Army in peace and war The primary purpose of this text is to bring order out of chaos in the fields of historical study and research in the United States Army In line with the views of Clausewitz the principal object of the text is to stimulate a progressive and scientific study of United States military history and leadership with the hope that it will produce searching rather than inventive minds and cool rather than hot heads to which the safety of our country can be most advantageously entrusted in time of emergency or war All officers of the United States Army but particularly those having historical assignments and undergoing instruction at the service schools and colleges or civilian educational institutions will find the text helpful Scholars and others interested in American military affairs may also find it very useful The Writing of American Military History A Guide was originally published by the Department of the Army in June 1956
