welfare economics **The Encyclopædic Dictionary** Robert Hunter, 1888 *Handbook of American Private Schools*, 1924
This handbook aims to be a guide to the best private schools of the country. It has been undertaken with the parent especially in mind but it is hoped that it may be of value to school and college authorities and all others interested in the subject. It is believed that this Handbook is the first volume which attempts a critical and discriminating treatment of the private schools of the country. It is an endeavor to classify the schools on their merits at least a step it is hoped toward eventual standardization. Editor's foreword
