Handbook Of Certification And Licensure Requirements For School Psychologists:

Handbook of Certification and Licensure Requirements for School Psychologists Joseph S. Prus, Garry W. White, Anne Pendleton, 1987 This handbook provides certification and licensure requirements for school psychologists. It is intended for use by school psychology students, trainers, practitioners, administrators, state department personnel, and legislators. The introduction explains the data collection and validation procedures used in developing this handbook. A section on the certification and licensure process clarifies common terms and provides basic information about certification and licensure in school psychology. Methods of certification and licensure, review reciprocity among states, teaching and field experience, and levels and types of certification are discussed. The major section on certification requirements presents guidelines for reading and understanding certification requirements. A standard format is used for outlining the certification requirements of individual states. States are listed alphabetically, and for each state, information is provided under the headings of levels of certification, fees, duration, types of certification, competency examinations, process of certification, review for graduates of in-state training programs, process of certification review for persons entering from out of state, teaching experience, undergraduate course credit applicable to certification, renewal requirements, source of certification requirements, joint licensure, certification possible, revision of certification requirements, requirements for each level of certification, minimum degree and minimum credit hours, course work area requirement, relevant credit hours, internship, externship requirements, and applying for certification, contacts. The section on licensure requirements presents in tabular form state information on titles, minimum degree requirements, specialties, experience requirements, mandatory examinations, renewal periods, and continuing education requirements. Survey forms are appended. NB [The Handbook of Certification/licensure Requirements for School Psychologists](#), 1977

The Handbook of Certification/licensure Requirements for School Psychologists, 1977 [The Handbook of Certification/licensure Requirements for School Psychologists](#), 1977 **The School Psychologist** George W. Hynd, 1983-03-01 Written for the beginning graduate student as well as for the practitioner, *The School Psychologist* is a comprehensive and up-to-date introduction to the history, practice, and current issues of this rapidly growing profession. Contributors include widely recognized leaders in the field. In addition to providing a broad overview of the profession as currently practiced, they give thoughtful attention to the social and legal issues which are certain to shape its future. Emerging areas including medical aspects of behavior and learning are also reviewed. This book provides the student with a solid foundation on which to develop a thorough knowledge of the school psychology profession while reviewing for the practitioner important academic and practical developments in the field. **The ^AOxford Handbook of School Psychology** Melissa A.
