

The art of indigo dyeing dates back thousands of years: examples were found in the tombs of the ancient Egyptians, and there are references to its use in the Bible. **Vivien Prideaux's** passion for this craft began one 'wonderful day' many years ago when she discovered: 'just the most exciting dyeing process, with terrific results, that has continued to excite my imagination ever since.'

Here she shares her expertise as a dyer and her mastery of shibori fabric resist techniques, showing how a huge variety of wonderful effects can be produced by folding, stitching, binding and clamping fabric before dyeing. Clear instructions and step-by-step pictures demonstrate the dyeing process and show how to prepare, dye and make a silk velvet scarf, a tea cosy, a jacket and a cushion. From the beginner to the experienced dyer, all will be inspired by Vivien's wonderful blue creations.
