Edwardian Melbourne In Picture Postcards:

Edwardian Melbourne in Picture Postcards Alexandra Bertram, Angus Trumble, 1995 This is a view of Melbourne through the eyes of postcards It s a highly innovative concept and probably the best visual on the topic The content ranges from love letters to travel diaries **Moments in Time** Jim Davidson, 2016-08-01 Postcards provide a much richer source of imagery than most of us ever imagined An extraordinary range has been printed in Australia particularly in the golden period between 1900 and the First World War After an introduction to set the scene Moments in Time covers postcards of just about everything war and peace disasters and celebrations holidays and home life sports and theatre rural and city living love for The Dear Old Country and pride in Australia to name a few Postcards were a major form of communication for a century Although few people send them now old postcards have an immediacy about them that is striking They become projectiles for the past particularly when augmented by a message that gives a glimpse of another life another time [A Postcard History of the Passenger Liner](#) Christopher Deakes, 2023-10-01 From around 1880 for almost a hundred years shipowners

commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled their exotic destinations and life onboard These paintings rich in imagination and atmosphere appeared on postcards and posters of the day and were used to advertise the companies and their ships and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner In 1900 there were over thirty shipping companies operating passenger liners across the North Atlantic Other oceans were similarly served But now with just a few exceptions the companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting
