Edwardpilgrimage Of A Mind:

American Mennonites and Protestant Movements Beulah S. Hostetler, 2002-03-06 American Mennonites and Protestant Movements describes the key religious values in a major Mennonite settlement over a period of three centuries in its encounter with other religious movements Pietism revivalism Fundamentalism and institutionalization The author analyzes how Mennonites both resisted these influences and were changed by them The book also documents the codification of practice in the twentieth century and how restrictions waned as a growing emphasis on peace and service emerged The author demonstrates that the key values shaping the Mennonite community are religious not simply ethnic and are consistent with their sixteenth century character These conclusions are based on a careful study of their value patterns nonverbal behavior issues and personalities in confrontation and in the conduct of their community behavior This book will help a new generation of Mennonites who wish to discover their heritage and spiritual identity For Christian believers outside the Anabaptist tradition it will clarify long standing ambiguities about the Mennonites

Journey Into the Mind's Eye Lesley Blanch, 2018-07-10 A stunning tale set in England Paris and Moscow chronicling Blanch's love for an older Russian man and the passionate obsession that takes her to Siberia and beyond My book is not altogether autobiography nor altogether travel or history either You will just have to invent a new category Lesley Blanch wrote about Journey into the Mind's Eye a book that remains as singularly adventurous and intoxicating now as when it first came out in 1968 Russia seized Lesley Blanch when she was still a child A mysterious traveler swathed in Siberian furs bearing Faberg eggs and icons as gifts along with Russian fairy tales and fairy tales of Russia came to visit her parents and left her starry eyed Years later the same man returned to sweep her off her feet Her love affair with the Traveller as she calls him transformed her life and fueled an abiding fascination with Russia and Russian culture one that would lead her to dingy apartments reeking of cabbage soup and piroshki on the outskirts of Paris in the 1960s and to Siberia and beyond

War, Peace, and Social Conscience Theron F. Schlabach, 2009-11-23 John Howard Yoder is one of the best known Mennonite thinkers on peace But before Yoder there was Guy F. Herschberger whose reflections on war violence and peace helped Mennonites navigate perilous times in early to mid 20th century and who also laid the foundation for what became the Alternative Service Program in the U.S. during World War II In the 1960s he played an important role in guiding the Mennonite church's response to the civil rights movement nudging them toward greater openness to Martin Luther King's call for justice for African Americans In this definitive biography Theron F. Schlabach shows how Herschberger helped Christians live their faith in a world beset by war and injustice at the same time pioneering creative ways to engage pressing concerns such as civil rights economic justice and capital punishment Says Stanley Hauerwas Professor of Theological Ethics Duke Divinity School What Schlabach has given us is an invaluable honest account of a life lived in the tensions of the Mennonite church as that church explored the implications of being a people committed to nonviolence The resulting account is a crucial account not only of Herschberger's

life but of Mennonite life an accounting I hope non Mennonites will find instructive because it may help them understand Mennonites but more importantly how Mennonites help us better understand what being Christian entails War Peace and Social Conscience Guy F Hershberger and Mennonite Ethics was made possible through the generous support of Mennonite Mutual Aid and the Mennonite Historical Society

Inveterate Walkers Literary Minds Bengal's Pilgrims and Their Himalayan Journeys brings under its critical focus the writings of Bengal's travellers mostly pilgrims who went on foot into Himalayan trails from the mid nineteenth to the early and mid twentieth century Unlike many European travellers and climbers in the age of empire who saw the mountain as an obstacle overcoming which was a matter of individual and national pride these modest walkers unkempt and raddled in their meagre ways of travel produced a discourse of surrender in their intimate and reflecting engagement with the mountains The book examines the writings of Jadunath Sharbadhikary the first among Bengal's pilgrims whose Himalayan travels were published as a book and the more popular writers including Jaladhar Sen Umaprasad Mukhopadhyay and Abadhut It also traces emergent selfhoods and complex subjectivities of women travellers in particular such as Ratnamala Devi Rani Chanda and Nabaneeta Deb Sen whose accounts reveal both guarded hesitant voices and self assured confident enunciation of the self
