states now permit legalized gambling in some form thirty seven states run lotteries forty seven allow bingo houses and more  
than a dozen states permit betting on dog races American gamblers wager over 300 billion yearly in legal gambling Although  
many Americans enjoy gambling and see it as harmless recreation and a fairly painless way to generate revenue without  
levying direct taxes many social conservatives see gambling as a socially destructive temptation that ought notto be indulged  
by private citizens much less sponsored by government Recently economic pressures resulting from less federal revenue and  
Americans growing aversion to tax increases have led many state governments to liberalize gambling laws or sponsor  
gambling sparking a lively debate Legalized Gambling contains twenty articles focusing on different aspects of gambling  
policy by experts in the fields of public policy law psychiatry rhetoric religion economics and politics The contributors  
address all areas of the debate including the following What moral issues are at the center of the debate What are the true  
economic costs and benefits of legalized gambling How are they often hidden or misconstrued in order to support either  
prohibition or legalization How has the history of gambling in America shaped our current policies Is governmental  
regulation an invasion of personal privacy What are the legitimate uses of laws Is pathological gambling a justifiable medical  
diagnosis Do gambling establishments run by Native Americans deserve special consideration or regulation In a lottery the
