The Annual Report of Her Majesty's Chief Inspector of Education, Children's Services and Skills 2007/08 Great Britain. Office for Standards in Education,2008-11 With the establishment on 1 April 2007 of the Office for Standards in Education Children s Services and Skills Ofsted s responsibilities for inspecting children s services changed substantially with Ofsted now regulating and inspecting childcare children s social care and provision for learners of all ages This report covers the first full year of reporting on the organisation s new remit The first section presents an evaluation of the quality and standards in care early education schools colleges adult learning and skills and children s services It is based on evidence from more than 45 000 inspections and regulatory visits in 2007 08 The second section draws on Ofsted s thematic inspections and surveys in the different areas of its remit This section evaluates the effectiveness with which providers seek to address three important matters improving the life chances of the least advantaged members of society through excellence in provision safeguarding children and young people from neglect abuse and other forms of harm and enabling learners to acquire the skills they need to succeed in their working lives The Chief Inspector is encouraged by the recognition that much is going well for so many children young people and adult learners but frustrated that there is still too much that is patently inadequate and too many settings and institutions where the rate of improvement is unacceptably slow

**The Politics of Child Protection** Nigel Parton,2014-03-24 From Every Child Matters and the Munro Review to changing shifts in thinking from Coalition government the child protection system has seen dramatic political and policy developments over recent years This book brings you a critical analysis of these developments from a leading writer and commentator It begins by exploring the origins of present day arrangements locating English policy and practice in both a wider British and international context It examines tragic cases such as Baby P and Maria Colwell considering their impact on public and professional attitudes and in turn the implications for the child protection system Looking to the future of child protection Nigel Parton considers the current state of the system and argues that we need to address wider social and political issues including poverty class and inequality Original authoritative and up to date The Politics of Child Protection is an important book for all students practitioners and researchers interested in safeguarding and child protection
