Resources in Education ,2001-04 Narratives and Strategies of Effective Leadership in Community Colleges Nacco, Stephen Damian,2024-04-29 In American higher education community colleges present new opportunities for many embodying the democratic essence since their early roots Originally conceived as junior colleges preparing students for university transfers these institutions have undergone a transformative journey evolving into the comprehensive open access pillars of education that define our present landscape Despite a shared mission a disparity exists among community colleges with some rising to prominence as leaders in the community college movement Amidst the challenges posed by the two World Wars economic fluctuations and societal shifts community colleges have adapted to serve diverse needs encompassing workforce development community education and developmental studies Narratives and Strategies of Effective Leadership in Community Colleges takes on the challenge faced by these institutions maintaining excellence amid the evolving demands of a dynamic society Narratives and Strategies of Effective Leadership in Community Colleges is a pivotal resource for higher education practitioners navigating the complex realm of leadership challenges in community colleges It portrays community colleges as national treasures in higher education Beyond mere success stories each chapter details the intricacies of effective leadership Targeting governing boards faculty leaders and administrators the book provides invaluable insights into strategic planning student support campus revitalization and financial management It serves as a crucial guide for those aspiring to elevate their institutions *Books in Series* ,1980 □□□□□□□□ ,1973 **Planning Models for Colleges and Universities** David S. Hopkins,1981-06 Drawing on the authors extensive experience at Stanford University as well as the work of others this first systematic approach to fiscal and human resource planning in colleges and universities shows how decision models can and should become an integral part of the planning process The authors first discuss the uses and misuses of planning models in general and the principles and methodologies for developing such models They then describe many specific models that have proved to be useful at Stanford and elsewhere in solving immediate problems and establishing long term goals These models cover such diverse programs as medium and long range financial forecasting estimating resource requirements and the variable costs of programs long run financial equilibrium and the transition to equilibrium faculty appointment promotion and retirement policies predicting student enrollments and applying value judgments to financial alternatives The final chapter discusses the applicability of Stanford based planning models to other schools **Developing Effective Student Services Programs** Margaret J. Barr,Lou A. Keating,1985-02-12 *Higher Education Review* ,1976 **The Impact of Short-Term Missions on Long-Term Missional Development** Brian Bain,2024-04-25 Lead short term mission trips STMs that catalyze trip participants into mission oriented disciple makers when they return home STMs can be mutually beneficial service opportunities that have positive long term impact on both trip participants and national hosts While this is possible it is not always the outcome of many STMs STMs often prioritize the

short term experience of trip participants and miss the longer term discipleship opportunity they offer STMs can be a context of significant mutually beneficial work between both trip participants and national hosts This work can serve as a catalyst for meaningful long term growth for both parties but an appropriate philosophy and trip structure is needed This book studies and reveals best practices for both *Books in Print Supplement* ,1994 **Public Policy and Higher Education** Edward P. St. John,Nathan J. Daun-Barnett,Karen M. Moronski-Chapman,2018-05-04 Public Policy and Higher Education provides readers with new ways to analyze complex state policies and offers the tools to examine how policies affect students access and success in college Rather than arguing for a single approach the authors examine how policymakers and higher education administrators can work to inform and influence change within systems of higher education using research based evidence along with consideration of political and historical values and beliefs Raising new questions and examining recent developments this updated edition is an invaluable resource for graduate students administrators policymakers and researchers who seek to learn more about the crucial contexts underlying policy decisions and college access Special Features Case Studies allow readers to examine strategies used by different types of colleges to improve access and retention Reflective Exercises encourage readers to discuss state and campus context for policy decisions and to think about the strategies used in a state or institution Approachable Explanations unpack complex public policies and financial strategies for readers who seek understanding of public policy in higher education Research Based Recommendations explore how policymakers higher education administrators and faculty can work together to improve quality diversity and financial stewardship New epilogues and a revised Part III reexamine themes and encourage critical thinking about inequality and policy change **ERIC/higher Education Research Report** ERIC Clearinghouse on Higher Education,1973 *Federal Leadership for a More Effective Partnership in Postsecondary Education* John C. Honey,Donna Clark,1977 **Analysis of Perceived Personal Values of Educational Administrators and Business Managers in the Midwest and Western Regions of the United States** Manuel T.
