Foundation of the Astrological Chart with Complete Mathematics Ivy Martha-Marie Goldstein-Jacobson, 1959

Foundation of the Astrological Chart Ivy Martha-Marie Goldstein-Jacobson, 1959      Foundation of the Astrological Chart Ivy Martha-Marie Goldstein-Jacobson, 1962      Essays on the Foundations of Astrology Charles E.O. Carter, 2010-05 Charles Carter 1887 1968 wrote this book in London during World War II It was his first book in more than a dozen years In this book Carter turns his attention to fundamentals Why the planets are what they are How the Sun differs from the Moon How Jupiter and Mercury are interrelated Having had his fill of aspects in terms of the planets in this book Carter tells us of aspects in terms of signs and the elements they represent A planet in a fire sign in square to a planet in an earth sign Carter says is an obviously difficult combination Fire consumes earth or earth smothers fire On the other hand air water squares are much less stressful Carter was particularly fascinated by the nativities of Benito Mussolini and Adolf Hitler his contemporaries Charts for both men are given Mussolini he declares to be a bombastic Italian dictator but Hitler remained a puzzle \_\_\_\_\_ Charles E O Carter one of the leading astrologers of the 20th century was President of the Astrological Lodge at the Theosophical Society from 1920 to 1952 He was first Principal of the Faculty of Astrological Studies which he helped found in 1948 He edited The Astrologer s Quarterly from 1926 until 1959 Essays on the Foundations of Astrology was first published in 1947      **Fundamentals of Astrology** M. Ramakrishna Bhat, 2013-01-01 Astrology is both Science and Art Hence only the talented can appreciate and understand it Rightly Visnugupta declares that nobody other than a sage can master the ocean like science of astrology The great Varahamihira declares No sin will creep into a place that is sanctified by the presence of a true astrologer No person who studies and divines the course of destiny will ever be found in hell but will reside permanently in the world of Brahman This book brings to the fore not only the rationality of astrology but also the nature and structure of the correct knowledge that our forefathers possessed regarding the predictable influences of planets on human beings and gives a spiritual bias to astrology The reader is taken step by step in this work from the rudiments Viz the distribution of constellations in the Zodiacal belt which is divided into twelve Signs and the planetary hierarchy through the method of calculating the ascendant and other houses of a natal chart assessment of the strengths influences aspects affliction mutual relations etc of the planets to the final stage of reading the brighter and darker sides of the subject s life his chances of success and failure their periods ingress of the soul into the mortal coil and exit there form as well as its departure to other worlds according to its karma In this book an attempt has been made to give a good account of the science of astrology with a view to making the reader a good and true astrologer It also shows that astrology does not make a man a fatalist helpless automation in the hands of a merciless Fate It should on the other hand help him to take to self exertion and self help This hoary lore according to the author is to be practised not for selfish ends but to guide the needy and the distressed to remove the cause of their suffering and to turn their attention towards God      *Esoteric*

*Astrology for the New Age, Vol 1: The Esoteric Foundations* Bodo Balsys, 2023-09-14 There is a vast amount of esoteric information to further present to the world's disciples. In the field of astrology this is especially needed. The information here is based upon Alice Bailey's Esoteric Astrology and extends this work with additional esoteric information. This is in line with what I have already published in my former books and presents a line of esoteric reasoning that most students of this doctrine have yet to discover. These astrological volumes are the foundation for many revelations to come. This volume presents the basis to comprehending the vast reaches of this science. For enlightened beings astrological knowledge is the lore of the universe and this astrology governs the manifestation of cosmic Law. The evolution of humanity is a progression and so also the evolutionary attainment of Hierarchy. Hierarchy must move with the times and offer disciples more advanced esoteric lore and their higher scientific verities than was possible before. This is one such presentation from the vast store of Hierarchical ken that hopefully many will gain succour from.
