## Saint Stanislaus Papczyński

- Saint Stanislaus' mother consecrated him to Jesus and Mary while carrying him in her womb. She did this when she fell out of a ferryboat during a storm and almost drowned.
- As a young student, St. Stanislaus almost died due to an epidemic of pestilence.
- The miracle that led to Stanislaus' beatification in 2007 involved a baby in the womb who died and came back to life.
- The miracle that led to his canonization in 2016 involved the healing of a young woman who was engaged to be married. She was on the verge of death in the hospital, with the doctors considering her case hopeless.

Talkin'  
Marians

During his lifetime, St. Stanislaus brought a child back to life while offering Mass for that intention on an altar dedicated to St. Raphael.
