## **Founder Cecil Rhodes And The Pursuit Of Power:**

**The Founder: Cecil Rhodes and the Pursuit of Power** Robert I. Rotberg, 1988-10-20 A tall robust looking imposing figure Cecil John Rhodes was a man of many contradictions Rhodes the dreamy idealist called his copy of The Meditations of Marcus Aurelius his most precious possession while Rhodes the ruthless businessman firmly believed in the adage every man has his price He supported invidious racial laws in South Africa and invented and sponsored the world renowned Rhodes Scholarships Although a man of unprepossessing intellectual talents he became one of the leading figures in the English speaking world the confidant of Queen Victoria and Kaiser Wilhelm a man of vast wealth and worldwide influence Based on seventeen years of research this monumental volume written by a noted authority on Southern Africa offers the definitive biography of one of the most controversial figures of the nineteenth century Vividly capturing the life of a man who was truly larger than life Robert Rotberg explores Rhodes childhood and adolescence depicts his life in mining camps around Kimberley and the Witwatersrand traces the surreptitious stock buyouts and mergers that allowed Rhodes to gain control over ninety percent of the world's diamond production by age thirty five describes his campaigns against African populations that allowed him to establish Southern Rhodesia now Zimbabwe and Northern Rhodesia now Zambia and discusses the poorly planned disastrous raid on the Transvaal that destroyed Rhodes reputation The Founder illuminates a complex and fascinating life of both evil and good **The Founder** Robert I. Rotberg, Miles F. Shore, 1988 **The Founder** Robert I. Rotberg, Miles F. Shore, 1988

**Mining Tycoons in the Age of Empire, 1870-1945** Raymond E. Dumett, 2016-12-05 The years of the late nineteenth and early twentieth centuries aptly described by Mark Twain as the Gilded Age witnessed an unprecedented level of technological change material excess untrammled pursuit of profit and imperial expansion Within this dynamic and often ruthless environment many colorful characters strode across the world stage among them the great mining tycoons who with the thousands of prospectors diggers shift bosses timbermen blastmen and muckers in mining enterprise constituted one of the major spearheads of global capitalistic expansion and colonial exploitation This volume which carries the epic story to the mid twentieth century provides a truly international perspective on the role of mining entrepreneurs investors and engineers in shaping the economic and political map of the globe in testing management techniques and in setting a vogue for extravagant displays of wealth among the world's rich Each chapter is loosely focussed on a biographical account of a particular mining tycoon that allows for broad and comparative accounts to be made about the individuals their business interests the technologies they employed and the national and international political considerations under which they operated Furthermore this structure also allows for consideration of the effect that these tycoons had on the countries and territories in which they worked particularly the often long lasting impact on indigenous populations the environment transport links and economic development By approaching the subject matter through this stimulating mix of cultural social economic business and colonial history many intriguing and thought provoking conclusions are reached that

will reward any scholars with an interest late nineteenth and early twentieth century history      **A History of Zimbabwe, 1890-2000 and Postscript, Zimbabwe, 2001-2008** Chengetai J. M. Zvobgo, 2009-10-02 This study combines in one volume the history of Zimbabwe from the advent of British settlers in 1890 to 2000 including women's rights and human rights in Zimbabwe It is a political social and economic history The Postscript examines the major developments in Zimbabwe from 2001 to 2008 The two previous major studies on the history of Zimbabwe *The Past Is Another Country* by Martin Meredith London Andre Deutsch 1979 and *The Road to Zimbabwe 1890 1980* by Anthony Verrier London Jonathan Cape 1986 are now out of date This volume brings the historical study of Zimbabwe almost up to the present day      **Globalizing Confederation** Jacqueline D. Krikorian, Marcel Martel, Adrian Shubert, 2017-01-01 In seeking to ascertain how others understood constructed or used Canada's Confederation in 1867 as a model to be adapted or avoided *Globalizing Confederation* explores the ideas and events that captured the imagination of people around the world      *Transactions of the Royal Historical Society: Volume 14* Aled Jones, 2005-05-05 The Transactions of the Royal Historical Society publish an annual collection of major articles representing some of the best historical research by some of the world's most distinguished historians      *World Empire and the Return of Jesus Christ*,      *The Ruling Passion* Christopher Lane, 1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery      **A History of the Peoples of the British Isles** Thomas Heyck, 2013-09-27 The three volumes weave together the histories of England Ireland Scotland and Wales and their peoples Volume II includes the formation of the nation state the industrialization of the British economy and the emergence of Victorian society      **Victorian Material Culture** Adelene Buckland, 2022-07-14 From chatelaines to whale blubber ice making machines to stained glass this six volume collection will be of interest to the scholar student or general reader alike anyone who has an urge to learn more about Victorian things The set brings together a range of primary sources on Victorian material culture and discusses the most significant developments in material history from across the nineteenth century The collection will demonstrate the significance of objects in the everyday lives of the Victorians and addresses important questions about how we classify and

categorise nineteenth century things The fourth volume will look at raw materials that were handled and used by Victorians including blubber and coal      **Voices of Victorian England** John A. Wagner,2014-02-25 The Victorian age was a period of transition as Britain industrialized and society underwent profound changes Here contemporary voices provide students with an up close look at this pivotal time Voices of Victorian England illuminates the character personalities and events of the era through excerpts from primary documents produced between 1837 and 1901 By allowing Queen Victoria s contemporaries to speak for themselves this work brings the achievements and conflicts that occurred during the queen s long reign alive for high school and college students as well as the general public Excerpts represent literary giants such as Charles Dickens George Eliot Rudyard Kipling and Anthony Trollope The book covers the worlds of politics religion economics and science and addresses subjects such as women s issues and the royal family Documents include letters poems speeches polemics reviews novels official reports and self help guides as well as descriptive narratives of people and events from England Scotland Ireland and where pertinent America and continental Europe Spelling has been modernized and unfamiliar terms defined and questions and commentary provide background and context for each document In addition the book offers tools that will help readers effectively evaluate a document s meaning and importance      Reasonable Disagreement Karl A. Lamb,2020-07-24 This book examines the frequent reasonable disagreements of U S senators Paul Sarbanes and Dick Lugar and finds in aspects of their life experiences reasons why they take particular positions and cast specific votes

Encyclopedia of the Age of Imperialism, 1800-1914 Carl C. Hodge,2007-11-30 In 1800 Europeans governed about one third of the world s land surface by the start of World War I in 1914 Europeans had imposed some form of political or economic ascendancy on over 80 percent of the globe The basic structure of global and European politics in the twentieth century was fashioned in the previous century out of the clash of competing imperial interests and the effects both beneficial and harmful of the imperial powers on the societies they dominated This encyclopedia offers current detailed information on the major world powers and their global empires as well as on the people events ideas and movements both European and non European that shaped the Age of Imperialism      **The Eagle and the Springbok** Adekeye Adebajo,2023-06-23 Nigeria and South Africa account for about a third of Africa s economic might and have led much of its conflict management initiatives over the last three decades Both account for at least 60 per cent of the economy of their respective sub regions in West and Southern Africa The success of political and economic integration in Africa thus rests heavily on the shoulders of these two regional powers who have both collaborated and competed with each other in a complex relationship that is Africa s most indispensable Nigeria remains among South Africa s largest trading partners in Africa while both countries have cooperated in building the institutions of the African Union AU Both countries have also had a tremendous cultural impact on the continent in terms of Nollywood movies and the expansion of South Africa s corporate sector into Africa This book assesses Nigeria South Africa relations in the areas of politics economics and culture within the context of rivalries and

hegemony Biographical profiles are also provided of important figures from both countries

**Zero Hour: A Countdown to the Collapse of South Africa's Apartheid System** Geoffrey Hebdon, 2022-07-15 This enlightening book focuses on the history of how the ethnic groups of Africa eventually joined by white colonizers from Europe created the seedbed for the hateful apartheid system in Southern Africa The reader learns how apartheid began the dehumanizing effects it had on the black population and how it was finally abolished in its zero hour in 1994 Written by historian writer and researcher Geoffrey Hebdon this is the second in a series that covers the experience of a British citizen who emigrated to South Africa during that era and records in vivid detail his responses to the apartheid system and how South Africa and neighbouring countries evolved after apartheid was abolished As well as the first European settlers and the white Afrikaners attempted enslavement of the black population the book also covers the Zulu wars the Anglo Boer wars and individuals who supported apartheid such as Cecil Rhodes and the whites only National Party of South Africa Also covered are prominent leaders of the African National Congress ANC and the black revolutionaries who fought against apartheid many of whom gave their lives or served life sentences for their struggle including Nelson Mandela who became South Africa's first black president after serving years in prison

**Empire** Niall Ferguson, 2008-03-17 A bestselling historian shows how the British Empire created the modern world in a book lauded as a rattling good tale Wall Street Journal and popular history at its best Washington Post The British Empire was the largest in all history the nearest thing to global domination ever achieved The world we know today is in large measure the product of Britain's Age of Empire The global spread of capitalism telecommunications the English language and institutions of representative government all these can be traced back to the extraordinary expansion of Britain's economy population and culture from the seventeenth century until the mid twentieth On a vast and vividly colored canvas Empire shows how the British Empire acted as midwife to modernity Displaying the originality and rigor that have made Niall Ferguson one of the world's foremost historians Empire is a dazzling tour de force a remarkable reappraisal of the prizes and pitfalls of global empire

*Sources and Debates in Modern British History* Ellis Wasson, 2012-01-17 Designed to complement the author's A History of Modern Britain this collection of primary sources illuminates and augments the study of modern Britain with coverage of political imperial and economic history as well as class and cultural issues Features a broad range of documents in a well structured and easy to use format including important well known documents and lesser known excerpts from memoirs and private correspondence Provides up to date balanced coverage of political imperial social economic and cultural history with over 180 documents Offers a thorough rendering of social class and national identity including coverage of changes in British society over the last 20 years Includes discussion questions for each document as well as lists of historical debates and extensive bibliographies of both on line and traditional sources for students further research

**Storm on the Horizon** Justus D. Doenecke, 2003-02-22 Prominent historian Justus Doenecke analyzes the personalities leading action groups and major congressional debates surrounding the U S decision to participate in World

War II     The Last Jeffersonian Ryan S. Walters, 2012-03-07 America is in danger of losing the constitutional republic created by the Founding Fathers Since the beginning of the progressive era the federal government has steadily encroached on the rights of the states and the people Yet today we are inundated with politicians of both parties who seek new ideas and innovative ways to make government work rather than solutions for preserving our political heritage To restore our republic we need to look to the past to the political fathers of old who made the nation the best and brightest on earth Grover Cleveland was the last of those fathers As a mayor governor and president Cleveland dealt with many of the same troubles we face today the public character and behavior of our candidates the role of government in the everyday lives of the people the burden of taxation the distribution of wealth government involvement in an economic depression monetary policy and complex foreign affairs By studying Clevelands policies and ideals we can relearn those forgotten lessons of ancient times and restore the American republic
