RICHARD BROOKHISER

"Elegant and lively... Among all the books of remedial lessons in common virtue, this slender yet rich volume should find a proud place."

—David Mervin, *Wall Street Journal*

Founding Father Rediscovering George Washington

David S. Heidler, Jeanne T. Heidler

Founding Father Rediscovering George Washington:

Founding Father Richard Brookhiser, 1997-02-22 Revisits the spectacular career of George Washington at once our most familiar and enigmatic president Challenging the modern perceptions of Washington as either a political figurehead of little actual importance or a folk legend rather than a real man Brookhiser traces the president's amazing accomplishments as a statesman soldier and founder of a great nation in a quarter century of activity that remains unmatched by any modern leader Brookhiser goes on to examine Washington's education ideals and intellectual curiosity illuminating how Washington's character and values shaped the beginnings of American politics Page 4 of cover *Founding Father: Rediscovering George Washington* , **George Washington On Leadership** Richard Brookhiser, 2009-04-14 FIRST IN WAR FIRST IN PEACE FIRST IN LEADERSHIP Richard Brookhiser's revolutionary biography Founding Father took George Washington off the dollar bill and made him live Now with his trademark wit and precision Brookhiser expertly examines the details of Washington's life that fullscale biographies sweep over to instruct us in true leadership George Washington on Leadership is a textbook look at Washington's three spectacularly successful careers as an executive general president and tycoon Brookhiser explains how Washington maximized his strengths and overcame his flaws and inspires us to do likewise It shows how one man's struggles and successes 200 years ago can be a model for leaders today Washington oversaw two startups the army and the presidency He chaired the most important meeting in American history the Constitutional Convention Washington rose from being a third son who was a major in the militia to one of the most famous men in the world At every stage in his career he had to deal with changing circumstances from tobacco prices to geopolitics and with wildly different classes of men from frontiersmen to aristocrats Washington's example is so crucial because of the many firsts he is responsible for **ALEXANDER HAMILTON, American** Richard Brookhiser, 2000-04-12 Explores the life and times of an American founding father who grew from an impoverished immigrant to a patriot war hero Secretary of the Treasury and a man whose vision helped shape America **What Would the Founders Do?** Richard Brookhiser, 2007-08-02 What would George Washington do about weapons of mass destruction How would Benjamin Franklin feel about unwed mothers What would Alexander Hamilton think about minorities in the military Examining a host of issues from terrorism to women's rights acclaimed historian Richard Brookhiser reveals why we still turn to the Founders in moments of struggle farce or disaster Washington Franklin Jefferson Hamilton Madison Adams and all the rest have an unshakable hold on our collective imagination We trust them more than today's politicians because they built our country they wrote our user's manuals the Declaration of Independence the Constitution and they ran the nation while it was still under warranty and could be returned to the manufacturer If anyone knows how the U S A should work it must be the Founders Brookhiser uses his vast knowledge to apply their views to today's issues He also explores why what the Founders would think still matters Written with Brookhiser's trademark eloquence and wit while drawing on his deep understanding of American history What Would the

Founders Do sheds new light on the disagreements and debates that have shaped our country from the beginning Now more than ever we need the Founders inspiring argumentative amusing know it alls to help us work through the issues that divide us

Founders' Son Richard Brookhiser,2014-10-14 Abraham Lincoln grew up in the long shadow of the Founding Fathers Seeking an intellectual and emotional replacement for his own taciturn father Lincoln turned to the great men of the founding Washington Paine Jefferson and their great documents the Declaration of Independence the Constitution for knowledge guidance inspiration and purpose Out of the power vacuum created by their passing Lincoln emerged from among his peers as the true inheritor of the Founders mantle bringing their vision to bear on the Civil War and the question of slavery In Founders Son celebrated historian Richard Brookhiser presents a compelling new biography of Abraham Lincoln that highlights his lifelong struggle to carry on the work of the Founding Fathers Following Lincoln from his humble origins in Kentucky to his assassination in Washington D C Brookhiser shows us every side of the man laborer lawyer congressman president storyteller wit lover of ribald jokes depressive poet friend visionary And he shows that despite his many roles and his varied life Lincoln returned time and time again to the Founders They were rhetorical and political touchstones the basis of his interest in politics and the lodestars guiding him as he navigated first Illinois politics and then the national scene But their legacy with not sufficient As the Civil War lengthened and the casualties mounted Lincoln wrestled with one more paternal figure God the Father to explain to himself and to the nation why ending slavery had come at such a terrible price Bridging the rich and tumultuous period from the founding of the United States to the Civil War Founders Son is unlike any Lincoln biography to date Penetrating in its insight elegant in its prose and gripping in its vivid recreation of Lincoln s roving mind at work this book allows us to think anew about the first hundred years of American history and shows how we can like Lincoln apply the legacy of the Founding Fathers to our times

Founders as Fathers Lorri Glover,2014-09-30 Explores the family life of the Founding Fathers providing intimate portraits of the households of such revolutionaries as George Mason Patrick Henry George Washington Thomas Jefferson and James Madison

George Washington William Barclay Allen,2008 Washington s political philosophy radical for his time was a commitment to the belief that law can never make just what is in its nature unjust Before the close of the Revolutionary War he had conceived of a union based on the progressive principle that the American people would qualify for self government in the sense of free institutions in proportion to their moral capacity to govern themselves by the light of reason Washington managed the conflicts over the spoils of victory that threatened to fracture the union Containing this discord within the walls of the Constitution may be considered his single greatest achievement

George Washington's First War David A. Clary,2011-11 Examines the early military adventures of George Washington detailing his ordeals in the wilderness activities during the French and Indian Wars lack of support from the government and more

The Life of George Washington / La vida de George Washington Maria Nelson,2012-01-01 George Washington wasn t just the first US president He was also the general who led the Continental army to victory over

the British English language learners will discover facts about Washington's life in easy to follow language including his role in the founding of the United States and his presidency. Historic images and age appropriate content translated into standard Latin American Spanish will engage beginning readers who are learning about Washington's impact on the nation for the first time.

George Washington's Boy TED LANGE, 2013-12 Based on historical fact George Washington's Boy written by Ted Lange portrays the fight for freedom the Declaration of Independence and the first presidency of the United States from the viewpoint of one of George Washington's closest confidant ironically his slave Billy Lee. Billy Lee served his master throughout these monumental times and was privy to the innermost thoughts and actions of Washington.

George Washington, *Washington's Circle* David S. Heidler, Jeanne T. Heidler, 2016-02-09 History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation's first chief executive. Together they created the presidency for a country disgusted by crowns and the people who would wear them. In 1789 as George Washington became the first president of the United States the world was all but certain that the American experiment in liberty and representative government would founder. More than a few Americans feared that the world was right. In Washington's Circle we see how Washington and his trusted advisers, close friends and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic. This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens. Washington was easy to revere if difficult to know. David S. Heidler and Jeanne T. Heidler reveal Washington's character through his relationship with his inner circle showing how this unlikely group created the office of the presidency. Here is a story of cooperation, confrontation, triumph and disappointment as the president, Congress and the courts sorted out the limits of executive power, quarreled over funding the government, coped with domestic strife and faced a world at war while trying to keep their country at peace. Even more it is a story of remarkable people striving for extraordinary achievements. Many of these characters are familiar as historic icons but in these pages they act and speak as living individuals: the often irked and frequently irksome John Adams in the vice presidency; the mercurial Alexander Hamilton leading the Treasury Department; the brilliant, deceptively cunning Thomas Jefferson as secretary of state; James Madison who was Washington's advocate and his eyes and ears in Congress; and Washington's old friend and former brother in arms Henry Knox at the administration's beleaguered War Department. Their stories mingle with those of Edmund Randolph, John Jay, Gouverneur Morris and the others who stood with a self-educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives. Written with energy, wit and an eye for vivid detail, Washington's Circle is the fascinating account of the people who met the most formidable challenges of the government's earliest hours with pluck, ability and enviable resourcefulness. When the world said they would fail they rolled up their sleeves. This is their story. Praise for Washington's Circle: A fine, readable history of the first presidency. David and Jeanne Heidler provide not only a lively history but a group portrait of

Washington and the various figures vying to influence him The Wall Street Journal Washington's Circle positively glows with narrative exuberance This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading Open Letters Monthly Traditional accounts portray Washington as a solitary actor in the drama of American nationhood as chilly and featureless as the marble shaft that dominates his namesake capitol In fact he was the intensely human lead in one of history's most colorful and contentious ensembles David S Heidler and Jeanne T Heidler bring the whole cast to unforgettable life in this character study cum group portrait cum old fashioned page turner Richard Norton Smith author of *On His Own Terms* **The John M. Olin Lecture Series in National Security and Defense Studies**

,1996 *Almost a Miracle* John E. Ferling,2009 Describes the military history of the American Revolution and the grim realities of the eight year conflict while offering descriptions of the major engagements on land and sea and the decisions that influenced the course of the war 1789 Thomas B. Allen,2023-10-01 Historian Allen recreates in this meticulous and fast moving posthumous account the events of the pivotal year 1789 in America It's a superb distillation of a complex moment in U S history Publishers Weekly Starred Review 1789 George Washington and the Founders Create America draws on hundreds of sources to paint a vivid portrait of the new nation setting out to show the world at large that a new and very American form of government was calling itself into being No future session of Congress will ever have so arduous and weighty a charge on their hands the New York Gazette observed in summer 1789 No examples to imitate and no striking historical facts on which to ground their decisions All is bare creation The Constitution had been written in 1787 and ratified in 1788 But 1789 was the year the government it described albeit only in the broadest of terms had to be brought into being Veteran journalist Thomas B Allen brings decades of experience and a gifted storyteller's eye to the long hidden history of how George Washington and the Founders set the federal government into motion **Cradles of Power** Harold I. Gullan,2016-10-04 Why have there been so many books about first ladies and so few about the mothers and fathers of our presidents Many of us for better or worse are shaped by our early life Heads of state are no exception In this compact and compelling narrative of truly popular history Gullan offers insights into the early influences that helped shape our presidents shedding light into a much neglected corner of history How many presidential parents were also their son's best friends How many were an inspiration a source of support a model to emulate How many were just the opposite In *Cradles of Power* readers will learn the stories of first parents from Augustine and Mary Washington to Barack Obama Sr and Ann Dunham including The heroic Elizabeth Jackson who literally saved her son's life The beloved senior Theodore Roosevelt who seemingly founded and funded every worthwhile charity in New York The handsome and unpredictable Jack Reagan whose drunken blackout one winter night became a pivotal moment for the young Ronald The pious Mother McKinley who wanted her William to become a Methodist bishop The vibrant Rose Fitzgerald Kennedy whose personal tragedies never stopped her from showing unflagging support for her sons campaigns and the domineering Joseph P Kennedy who himself aspired to be

our first Catholic president Gullan's reader friendly vignettes are sure to fascinate and entertain but they will also elucidate the formative forces and motivations in the lives of the most powerful men in the nation Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Wrath**

Peter W. Wood, 2021-10-12 Anger now dominates American politics It wasn't always so Happy Days Are Here Again was FDR's campaign song in 1932 By contrast candidate Kamala Harris's 2020 campaign song was Mary J Blige's Work That Let em get mad They gonna hate anyway Both the left and right now summon anger as the main way to motivate their supporters Post election both sides became even more indignant The left accuses the right of insurrection The right accuses the left of fraud This is a book about how we got here about how America changed from a nation that could be roused to anger but preferred self control to a nation permanently dialed to eleven Peter W Wood an anthropologist has rewritten his 2007 book A Bee in the Mouth Anger in America which predicted the new era of political wrath In his new book he explains how American culture beginning in the 1950s made a performance art out of anger how and why we brought anger into our music movies and personal lives and how having step by step relinquished our old inhibitions on feeling and expressing anger we turned anger into a way of wielding political power But the angry culture as he calls it doesn't promise happy days again It promises revenge And a crisis that could destroy our republic **Encyclopedia of U.S. Political History** Andrew

Whitmore Robertson, 2010 Annotation st1 behavior url ieooui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and

Founding Father Rediscovering George Washington Introduction

In today's digital age, the availability of Founding Father Rediscovering George Washington books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Founding Father Rediscovering George Washington books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Founding Father Rediscovering George Washington books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Founding Father Rediscovering George Washington versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Founding Father Rediscovering George Washington books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Founding Father Rediscovering George Washington books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Founding Father Rediscovering George Washington books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Founding Father Rediscovering George Washington books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Founding Father Rediscovering George Washington books and manuals for download and embark on your journey of knowledge?

FAQs About Founding Father Rediscovering George Washington Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Founding Father Rediscovering George Washington is one of the best book in our library for free trial. We provide copy of Founding Father Rediscovering George Washington in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Founding Father Rediscovering George Washington. Where to download Founding Father Rediscovering George Washington online for free? Are you looking for Founding Father Rediscovering George Washington PDF? This is definitely going to save you time and cash in something you should think about.
