## **Founding Father The Life And Times Of John Neely Bryan:**

**John Neely Bryan, Founder of Dallas** Lucy C. Trent,1936 Jimmy Clay,2005-10 Born in Fayetteville Tennessee in 1810 John Neely Bryan received an education and became a lawyer dealt in real estate became a north Texas pioneer and the founder of Dallas Texas During his life he traveled across the southern part of the United States from Florida to California He lived for many years in Van Buren Arkansas where he made a living as a lawyer and bought land In the late 1830 s he went to work at Holland Coffee s Trading Post on the Red River and from there he moved to the uninhabited land that would become Dallas He was the first non Native American to permanently live in Dallas County and for many months he was the only white person living there In his travels and business dealings he met and befriended many Native Americans and learned their languages He married and had children He lived to be an old man but his last years were difficult because he lost his sanity He died in 1877 in the Texas Lunatic Asylum in Austin Texas His homestead would later be called Dealey Plaza and was close to where John F Kennedy would later be killed

**Jonathan Dickinson and the Formative Years of American Presbyterianism** Bryan F. Le Beau,2014-10-17 During the eighteenth century Presbyterians of the Middle Colonies were separated by divergent allegiances mostly associated with groups migrating from New England with an English Puritan background and from northern Ireland with a Scotch Irish tradition Those differences led first to a fiery ordeal of ecclesiastical controversy and then to a spiritual awakening and a blending of diversity into a new order American Presbyterianism Several men stand out not only for having been tested by this ordeal but also for having made real contributions to the new order that arose from the controversy The most important of these was Jonathan Dickinson Bryan Le Beau has written the first book on Dickinson whom historians have called the most powerful mind in his generation of American divines One of the founders of the College of New Jersey now Princeton University and its first president Dickinson was a central figure during the First Great Awakening and one of the leading lights of colonial religious life Le Beau examines Dickinson s writings and actions showing him to have been a driving force in forming the American Presbyterian Church accommodating diverse traditions in the early church and resolving the classic dilemma of American religious history the simultaneous longing for freedom of conscience and the need for order This account of Dickinson s life and writings provides a rare window into a time of intense turmoil and creativity in American religious history
