Founding Horses:

Storey's Illustrated Guide to 96 Horse Breeds of North America Judith Dutson, 2012-05-07 From the Pryor Mountain Mustang to the Tennessee Walking Horse North America is home to an amazing variety of horses In this lavish photograph filled guide Judith Dutson provides 96 in depth profiles that include each breed s history special uses conformation standards and more You ll learn about homegrown favorites like the Morgan Appaloosa and Quarter Horse as well as exotic imports like the Mangalarga Marchador and the Selle Fran ais Take a continental horse tour without ever leaving your home Horses, Inc.: Volume 3 Donald Gilman, 2023-02-22 Horses Inc Volume 3 A Collection of Horse Stories By Donald Gilman About the Book Horses Inc Volume 3 pays tribute to a magnificent creature This collection of stories showcases horses in a variety of settings from wild ponies to the pony express Horse Breeds and Human Society Kristen Guest, Monica Mattfeld, 2019-11-26 This book demonstrates how horse breeding is entwined with human societies and identities It explores issues of lineage purity and status by exploring interconnections between animals and humans The quest for purity in equine breed reflects and evolves alongside human subjectivity shaped by categories of race gender class region and nation Focusing on various horse breeds from the Chincoteague Pony to Brazilian Crioulo and the Arabian horse each chapter in this collection considers how human and animal identities are shaped by practices of breeding and categorizing domesticated animals Bringing together different historical geographical and disciplinary perspectives this book will appeal to academics as well as undergraduate and postgraduate students in the fields of human animal studies sociology environmental studies cultural studies history and literature **Conservation genetics of endangered horse breeds** I. Bodo, L. Alderson, B. Langlois, 2023-08-28 This book is particularly interesting for both horse breeders and molecular geneticists Equids horses and asses have a particular place in the human culture and history There are strong arguments for conservation of rare endangered horse breeds and populations however the maintenance of native breeds does not result in profitable business Some populations and namely rare horse breeds need to be re evaluated yet others need to be saved from extinction very urgently Enlisting the aid of modern science gives us many tools for reaching decisions to realize the preservation of different rare populations and not to use solely pedigrees conformation and historical data The molecular genetic approach and the phenotypic estimation of the values of different breeds is more and more useful Hence it was the right time for Horse Commission of EAAP together with Rare Breeds International RBI to perform a session devoted to the topic of progress in molecular genetics of horses This book summarizes the papers on molecular genetic description of horse breeds and some aspects of evolution of horse species **Horses** J. Warren Evans, 2025-08-22 For almost twenty years Horses has been the definitive horse care manual an indispensable reference for anyone who shows races breeds or rides horses Now Horses is available for the first time in paperback in a completely revised and updated new edition offering all the latest information necessary for the competent care and recreational use of horses today It covers every vital phase of buying managing
