From Doon with Death - a New Lease of Death Ruth Rendell, 1964 **From Doon with Death** Ruth Rendell, 2014 A 50th anniversary edition of the first Inspector Wexford novel with an introduction by Ian Rankin and a new afterword by Ruth Rendell An ordinary life An extraordinary death The trampled grass led to the body of Margaret Parsons With no useful clues and a victim known only for her mundane life Chief Inspector Wexford is baffled until he discovers Margaret's dark secret a collection of rare books each inscribed from a secret lover and signed only as Doon Who is Doon And could the answer hold the key to Wexford solving his first case If crime fiction is currently in rude good health its practitioners striving to better the craft and keep it fresh vibrant and relevant this is in no small part thanks to Ruth Rendell

Sins of the Fathers Ruth Rendell, 1986-12-12 It was a brutal vicious crime sixteen years old A helpless old woman battered to death with an axe Harry Painter hung for it and Chief Inspector Wexford is certain they executed the right man But Reverend Archery has doubts because his son wants to marry the murderer's beautiful brilliant daughter He begins unravelling the past only to discover that murder breeds murder and often conceals even deeper secrets

Wolf to the Slaughter Ruth Rendell, 1982 Chief Inspector Wexford investigates the circumstances surrounding a blood soaked hotel room which lacks any other signs of a victim and the disappearance of a beautiful promiscuous woman and the bundle of cash she'd had in her pocket

Not in the Flesh Ruth Rendell, 2010-03-14 From award winning author Ruth Rendell without a doubt the grand dame of British crime fiction The Gazette comes the chilling new Inspector Wexford novel Searching for truffles in a wood a man and his dog unearth something less savoury a human hand The body as Chief Inspector Wexford is informed later has lain buried for ten years or so wrapped in a purple cotton shroud The post mortem cannot reveal the precise cause of death The only clue is a crack in one of the dead man's ribs Although the police database covers a relatively short period of time it stores a long list of Missing Persons Men women and children disappear at an alarming rate hundreds every day So Wexford knows he is going to have a job on his hands to identify the corpse And then only about twenty yards away from the woodland burial site in the

cellar of a disused cottage another body is discovered The detection skills of Wexford Burden and the other investigating officers of the Kingsmarkham Police Force are tested to the utmost to see if the murders are connected and to track down whoever is responsible The Ruth Rendell Mysteries Ruth Rendell,1990 *A Guilty Thing Surprised* Ruth Rendell,1975

Harm Done Ruth Rendell,2007-12-18 The search for the body commenced Then the victim walked into town Behind the picture postcard facade of Kingsmarkham lies a community rife with violence betrayal and a taste for vengeance When sixteen year old Lizzie Cromwell reappears no one knows where she has been including Lizzie herself Inspector Wexford thinks she was with a boyfriend But the disappearance of a three year old girl casts a more ominous light on events And when the public's outrage turns toward a recently released pederast and another suspect turns up stabbed to death Wexford must try to unravel the mystery before any more bodies appear and before a mob of local vigilantes metes out a rough justice to their least favorite suspect In *Harm Done* the violence is near at hand and evil lies just a few doors down the block

Some Lie and Some Die Ruth Rendell,1999-03-30 A mutilated body found at a rock festival In spite of dire predictions the rock festival in Kingsmarkham seemed to be going off without a hitch until the hideously disfigured body is discovered in a nearby quarry And soon Wexford is investigating the links between a local girl gone bad and a charismatic singer who inspires an unwholesome devotion in his followers *Some Lie and Some Die* is a devilishly absorbing novel in which Wexford's deductive powers come up against the aloof arrogance of pop stardom With her Inspector Wexford novels Ruth Rendell winner of the Mystery Writers of America Grand Master Award has added layers of depth realism and unease to the classic English mystery For the canny tireless and unflappable policeman is an unblinking observer of human nature whose study has taught him that under certain circumstances the most unlikely people are capable of the most appalling crimes Death Notes Ruth Rendell,1986-08-12 Sir Manuel Camargue yesterday one of the most celebrated musicians of his time today floats face down in the lake near his sprawling English country house The consensus is accidental death but Inspector Wexford knows the stench of murder most foul when he smells it Particularly in the company of two suspects one the victim's fiancée who is too young to be true the other his daughter who may be no kin and even less kind **From Doon with Death** Ruth Rendell,1964 50th anniversary edition of the first Inspector Wexford novel with an introduction by Ian Rankin and a new afterword by Ruth Rendell An ordinary life An extraordinary death The trampled grass led to the body of Margaret Parsons With no useful clues and a victim known only for her mundane life Chief Inspector Wexford is baffled until he discovers Margaret's dark secret a collection of rare books each inscribed from a secret lover and signed only as Doon Who is Doon And could the answer hold the key to Wexford solving his first case *Not in the Flesh* Ruth Rendell,2008-06-10 A new Chief Inspector Wexford mystery from the author who Time magazine has called the best mystery writer in the English speaking world When the truffle hunting dog starts to dig furiously his master's first reaction is delight at the size of the clump the dog has unearthed at the going rate this one truffle might be worth several hundred pounds Then the dirt falls

away to reveal not a precious mushroom but the bones and tendons of what is clearly a human hand In Not in the Flesh Chief Inspector Wexford tries to piece together events that took place eleven years earlier a time when someone was secretly interred in a secluded patch of English countryside Now Wexford and his team will need to interrogate everyone who lives nearby to see if they can turn up a match for the dead man among the eighty five people in this part of England who have disappeared over the past decade Then when a second body is discovered nearby Wexford experiences a feeling that s become a rarity for the veteran policeman surprise As Wexford painstakingly moves to resolve these multiple mysteries long buried secrets are brought to daylight and Ruth Rendell once again proves why she has been hailed as our greatest living mystery writer Road Rage Ruth Rendell,1998-01 Plans for a new highway that would cut through the lovely woods

outside of Kingsmarkham have raised a massive local protest The outburst turns deadly serious when a desperate group takes five hostages including Chief Inspector Wexford s wife Dora and threatens to kill them Combining high technology with his extraordinary detecting skills Wexford and his team race to find the fanatics and their hostages When the first body is found Wexford s search gains a fanatical dimension itself Copyright Libri GmbH All rights reserved **The Second**

Wexford Omnibus Ruth Rendell,1988 *A guilty thing surprised* Ruth Rendell,1970 **Road Rage** Ruth

Rendell,1998-09-08 The woods outside of Kingsmarkham were lovely dark and deep And they were about to vanish forever when the new highway cut through them While Chief Inspector Wexford privately despaired about the loss of his hiking grounds local residents and outsiders were organizing a massive protest Some of them were desperate enough to kidnap five hostages and threaten to kill them One hostage was Wexford s wife Dora Now combining high technology with his extraordinary detecting skills Wexford and his team race to find the kidnappers whereabouts Because someone has crossed from political belief to fanaticism and as the first body is found good intentions may become Wexford s personal path to hell

A New Lease of Death Ruth Rendell,1994 The Reverend Henry Archery has a problem His son wants to marry the lovely clever daughter of a man hanged sixteen years ago for a brutal axe killing So he decides that he must try and clear the dead criminal s name The girl s mother has always maintained in the teeth of the police s evidence that her daughter s father was no murderer And there are certain areas of doubt more than one person had stood to gain by the victim s death for instance So Archery starts digging Soon he unearths some disturbing fragments of previously buried information *No Man's Nightingale* Ruth Rendell,2014-01-01 When his cleaning lady discovers the dead body of female vicar Sarah Hussein who was strangled in her Kingsmarkham vicarage Inspector Wexford assists in the investigation and finds a crucial piece of evidence that sheds light on the deceased s dark past
