

The Passover Questions

At the seder meal to celebrate Passover the youngest person there asks four questions. Research the answers to these questions.

1. "Why is it that on all other nights during the year we eat either bread or matzah, but on this night we eat only matzah?"

2. "Why is it that on all other nights we eat all kinds of herbs, but on this night we eat only bitter herbs?"

3. "Why is it that on all other nights we do not dip our herbs even once, but on this night we dip them twice?"

4. "Why is it that on all other nights we eat either sitting or reclining, but on this night we eat in a reclining position?"

Four Questions A Passover Story:

Four Special Questions Jonny Zucker,2003 Four Special Questions Jonny Zucker,2003-02-01 A typical Jewish family celebrates one of its most important holidays in this delightful introduction to the Jewish holiday of Passover the festival of freedom They prepare the six different types of food on the Seder plate ask the four traditional questions and hunt for the afikoman *The Four Questions* Lynne Sharon Schwartz,2021-01-26 Why is this night different from all other nights Every year when families gather for the Passover holiday the youngest child poses that question as part of the poetic Four Questions near the start of the Seder The answers are no less than the story of a people bound in slavery their suffering in a foreign land and their ultimate liberation the story of Passover Here the Four Questions are presented in breathtakingly luminous paintings by Ori Sherman Whimsical animals parade through a unique format that can be read straight through in English or turned upside down to focus on the delicate Hebrew calligraphy and ingenious split frame pictures Each side of the Seder table can see its own variation of the richly colored scenes as elephants eat matzoh monkeys dip herbs into water and lions recline in newfound freedom Author Lynne Sharon Schwartz answers the questions with refreshing clarity providing insight into the symbols and rituals of the holiday Experience a glorious art book a beautiful book for the kids who find the afikomen and a wonderful way to experience Passover and its unique celebration of freedom *A Family Haggadah II (Revised Edition)* Rosalind Silberman,2011-08-01 Features commentary and discussion questions for preteens through adult and a full birkat hamazon blessing after the meal *Fulfilling the Feasts of Israel* Velda Stearns,2013-03-29 The seven Jewish feasts which God gave to ancient Israel help unlock the entire Bible They were not feasts as we think of them but were structured around the sacrificial altar to worship God The Jewish people have celebrated these feasts in one form or another for 3 500 years totally unaware they are rehearsing future events that point to the Messiah It is unfortunate that Christians rarely celebrate the feasts or understand their significance The feasts reveal Gods divine seven thousand year plan of salvation for mankind Each feast is celebrated on the same day each year to remind of a special time in the history of Israel They reveal a record of atonement in the Old Testament and point to redemption in the New Testament The seven feasts paint a beautiful picture of Gods plan of salvation through Christ His Son They point to the soon return of our Savior Jesus Christ and the glorious future reign of the Messiah Christians refer to Him as Jesus Christ while messianic believers call Him Yeshua Understanding the significance of the feasts encourages believers to share the good news of salvation with the lost I pray you will be greatly blessed as you read *Fulfilling the Feasts of Israel* *In the Shadow of the Shtetl* Jeffrey Veidlinger,2013-11-01 A history based on interviews with hundreds of Ukrainian Jews who survived both Hitler and Stalin recounting experiences ordinary and extraordinary The story of how the Holocaust decimated Jewish life in the shtetls of Eastern Europe is well known Still thousands of Jews in these small towns survived the war and returned afterward to rebuild their communities The recollections of some four hundred returnees in Ukraine provide the basis for Jeffrey Veidlinger s

reappraisal of the traditional narrative of twentieth century Jewish history These elderly Yiddish speakers relate their memories of Jewish life in the prewar shtetl their stories of survival during the Holocaust and their experiences living as Jews under Communism Despite Stalinist repressions the Holocaust and official antisemitism their individual remembrances of family life religious observance education and work testify to the survival of Jewish life in the shadow of the shtetl to this day
