A House of Prayer for All Peoples Sheryl A. Kujawa-Holbrook,2002-12-31 Contrary to the oft repeated truism there are churches in America where Sunday is not the most segregated day of the week as Sheryl Kujawa Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues Yet the truism continues to haunt many congregations and Kujawa Holbrook reveals through story and thoughtful analysis what it means to create and live out multiracial community Focusing on six congregations from different denominations geographical regions and settings the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community The stories in A House of Prayer for All Peoples will inspire leaders to explore their congregation s history study their community s demographics and most of all search their souls for ways they can develop and celebrate the diversity in their midst The book is capped by an extensive annotated resource list for readers who want to explore the topic further

The SAGE Encyclopedia of Intercultural Competence Janet M. Bennett,2015-03-23 In 1980 SAGE published Geert Hofstede s Culture s Consequences It opens with a quote from Blaise Pascal There are truths on this side of the Pyrenees that are falsehoods on the other The book became a classic one of the most cited sources in the Social Science Citation Index and subsequently appeared in a second edition in 2001 This new SAGE Encyclopedia of Intercultural Competence picks up on themes explored in that book Cultural competence refers to the set of attitudes practices and policies that enables a person or agency to work well with people from differing cultural groups Other related terms include cultural sensitivity transcultural skills diversity competence and multicultural expertise What defines a culture What barriers might block successful communication between individuals or agencies of differing cultures How can those barriers be understood and navigated to enhance intercultural communication and understanding These questions and more are explained within the pages of this new reference work Key Features 300 to 350 entries organized in A to Z fashion in two volumes Signed entries that conclude with Cross References and Suggestions for Further Readings Thematic Reader s Guide in the front matter grouping related entries by broad topic areas Chronology that provides a historical perspective of the development of cultural competence as a discrete field of study Resources appendix and a comprehensive Index The SAGE Encyclopedia of Intercultural Competence is an authoritative and rigorous source on intercultural competence and related issues making it a must have reference for all academic libraries

Handbook of Religion and Spirituality in Social Work Practice and Research Sana Loue,2017-06-19 This singular reference explores religion and spirituality as a vital though often misconstrued lens for building better understanding of and empathy with clients A diverse palette of faiths and traditions is compared and contrasted occasionally with secularism focusing on areas of belief that may inspire comfort or trouble clients including health and illness mental illness healing coping forgiveness family inclusion and death From assessment and intervention planning to conducting research these

chapters guide professionals in supporting and assisting clients without minimizing or overstating their beliefs. In addition, the book's progression of ideas takes readers beyond the well-known concept of cultural competence to model a larger and more meaningful cultural safety. Among the topics included in the Handbook are integrating religion and spirituality into social work practice, cultural humility, cultural safety, and beyond, new understandings and implications for social work. Healing traditions, religion, spirituality, and health; diagnosis of religious, spiritual experience or mental illness; understandings of dying, death, and mourning; rebuilding bridges in and with family and community; ethical issues in conducting research on religion and spirituality. The Handbook of Religion and Spirituality in Social Work Practice and Research is a richly textured resource for social workers and mental health professionals engaged in clinical practice and/or research seeking to gain varied perspectives on how the religion and spirituality of their clients, research participants may inform their work. **A**

Comprehensive Guide to Child Psychotherapy and Counseling Christiane Brems, Christina H. Rasmussen, 2018-08-08
Christiane Brems in collaboration with new coauthor Christina Rasmussen introduces prospective and practicing clinicians to theories and principles of applied clinical work with children ages three to twelve years. The authors take an integrated approach to understanding children and their families using a biopsychosociocultural model for conceptualization and treatment planning. Their methods are practical and compassionate as well as contextually grounded and individually tailored. Chapters follow the logical development of clinicians, mirroring the natural flow of work with children. Coverage ranges from the importance of a beginning practitioner's introspection and of ethical and legal issues to a variety of intervention techniques and strategies and finally termination. Case studies showcase individualized and mindful treatment for each child with whom a clinician works. Outstanding Features of the Fourth Edition: Essential attention to how clinicians' self-awareness can lead to positive therapeutic relationships with children and their families. Thorough discussions of the biopsychosociocultural model for conceptualization and treatment planning. Emphasis on intensive assessment prior to treatment planning to address the needs of each child and family. A compelling practical exploration of mindfulness intervention with children. The authors' methodology addresses the profound effects of the larger environment and culture on children. By adopting the authors' integrated approach, clinicians are better able to understand important and complicated aspects of a child's and family's life. From there, compassionate, thoughtful, and relevant intervention ensues. Cases on Technology Enhanced Learning through Collaborative Opportunities Mukerji, Siran, Tripathi, Purnendu, 2010-03-31
The collection of cases in the book analyzes and evaluates how organizations and institutions of learning in the developing and developed world are adapting to technology-enhanced learning environments and exploring transnational collaborative opportunities. Provided by publisher. **Understanding Child Maltreatment** Maria Scannapieco, Kelli Connell-Carrick, 2005-02-10
Child maltreatment professionals from all disciplines struggle to find better ways of understanding and treating the families and children affected by maltreatment. Since the mid-1960s, the battered child

syndrome and recent high profile abuse cases a plethora of research and literature on child maltreatment has emerged yet this is the first volume to offer a comprehensive integrated analysis for understanding assessing and treating child maltreatment within the ecological framework in a developmental context This framework systematically organizes and integrates the complex empirical literature in child maltreatment and development including the often overlooked period of adolescence Viewing child maltreatment from an ecological perspective this volume identifies the risk and protective factors correlated with abuse and neglect The authors present a comprehensive assessment framework addressing the multiple developmental and environmental factors unique to each case This framework fully considers risk and protective factors and their relationship to individuals families and environmental elements presenting a much needed perspective for today s child protective services workers Understanding Child Maltreatment is the first of its kind While most books broadly address the developmental consequences of maltreatment this volume goes further by proposing assessment and intervention strategies based on a deep understanding of each stage of a child s development Interventions center on the caregiver and the family with particular attention to parenting skills and the challenges the child may experience within his or her developmental stage Each chapter emphasizes empirically based interventions and includes a case illustration that guides readers in applying these concepts to their own practice Providing a comprehensive nuanced perspective on maltreatment this book will be invaluable to students researchers and professionals
