Four Years Under Marse Robert

Terry L. Jones

Four Years Under Marse Robert:

Four Years Under Marse Robert Robert Stiles, 1904 **Four Years Under Marse Robert, Annotated** Robert Stiles, Lucy Roper, 2015-11-12 Robert Stiles Kentucky born soldier in the Army of Northern Virginia considered himself a Union Man when the war first broke out In this classic work he gives the reader a look into the less alluring everyday life of the common soldier In addition to apt descriptions of major battles he also gives us a glimpse into ordinary pleasures of camp life like stray dogs that became pets and rough housing with a snowball fight The grim details of war are not glossed over as Stiles describes one occasion where his company was obliged to fight amid rapidly decaying corpses of a previous days battle An entire chapter is devoted to religion in Lee s army and the entire book is human warm and inspirational Illustrations have been added to the original text **Four Years Under Marse Robert** Robert Stiles, 1999-08-31 Marse Robert is one of the endearing nicknames by which General Robert E Lee was called by his men This book is the account of Robert Stiles experience as a soldier during the Civil War He traces his own story giving personal significance to the battles fought and the time he spent under General Lee s command Robert Stiles tells firsthand what a Confederate soldier experienced as he marched on and fought through great struggles and deprivation He takes readers on the difficult journey through the Civil War battle by battle while providing the personal analysis of an actual participant **Four Years Under Marse Robert by Major Robert Stiles, the Twelfth Thousand ...**, 1910* **Four Years Under Marse Robert, by Robert Stiles** Robert Stiles, 1903 *Four Years Under Marse Robert: [Some Comments of the Press, Eminent Soldiers and Distinguished Citizens]* ... , 1903* **4 YEARS UNDER MARSE ROBERT** Robert 1836 Stiles, 2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Four Years Under Marse Robert (Classic Reprint)** Robert Stiles, 2015-07-04 Excerpt from *Four Years Under Marse Robert* Four years under Marse Robert At the first blush this title may strike one as inaccurate lacking in dignity and bordering on the sensational Yet the author prefers it to any other and is ready to defend it while admitting though this may seem inconsistent that explanations are in order Not one of his men was an actual follower of Robert Lee for four full years In fact he was not himself in the military service of Virginia and of the Confederate States

together for that length of time and he did not assume personal command of what was then the Confederate Army of the Potomac and later under his leadership became the Army of Northern Virginia until June 1 1862 But more than a year before indeed just after the secession of the State Governor Letcher had appointed Lee to the chief command of the Virginia troops which under his plastic hand in spite of vast obstacles were turned over in a few weeks in fair soldierly condition to the Confederate Government and became the nucleus of the historic Army of Northern Virginia and their commander was created one of the five full generals provided for by law in the military service of the Confederate States As full general in the Confederate service Lee was not at first assigned to particular command but remained at Richmond as Military Adviser to the President About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Four Years Under Marse Robert* /by Robert Stiles Robert Stiles,1904 [Nine Men In Gray](#) Charles L. Dufour,2015-11-06 In this volume of biographical essays all vividly written extensively researched Charles L Dufour recounts the lives of nine Confederate officers who served their cause with dedication skill and bravery Porter Alexander is not a household name today but he should be remembered as one of Robert E Lee s most valuable officers Bold and imaginative Alexander was an artillerist whose service was requested by every Confederate army commander He and eight other men in gray come to life in vivid sketches by Charles L Dufour Singled out are Dick Taylor the handsome son of former president Zachary Taylor who led the Louisiana Brigade Turner Ashby an expert horseman whose death in battle typified the doomed gallantry of the Rebels Pat Cleburne of the Army of Tennessee who was called the Stonewall of the West Savez Read a navy man who terrorized the Atlantic seaboard in a one gun sailing vessel Willie Pegram a shy Virginian who was a bold cannoneer Lucius B Northrop whose abrasive personality complicated his task of feeding the army William Mahone whose ferocious fighting spirit belied his bantam size and Henry Hotze who served brilliantly as a Confederate agent and propagandist Print ed [List of Authors and Titles and Catalogue of Maps Army War College \(U.S.\). Library](#),1904

Men of War Alexander Rose,2016-03-01 In the grand tradition of John Keegan s enduring classic *The Face of Battle* comes a searing unforgettable chronicle of war through the eyes of the American soldiers who fought in three of our most iconic battles Bunker Hill Gettysburg and Iwo Jima This is not a book about how great generals won their battles nor is it a study in grand strategy *Men of War* is instead a riveting visceral and astonishingly original look at ordinary soldiers under fire Drawing on an immense range of firsthand sources from the battlefield Alexander Rose begins by re creating the lost and alien world of eighteenth century warfare at Bunker Hill the bloodiest clash of the War of Independence and reveals why the

American militiamen were so lethally effective against the oncoming waves of British troops Then focusing on Gettysburg Rose describes a typical Civil War infantry action vividly explaining what Union and Confederate soldiers experienced before during and after combat Finally he shows how in 1945 the Marine Corps hurled itself with the greatest possible violence at the island of Iwo Jima where nearly a third of all Marines killed in World War II would die As Rose demonstrates the most important factor in any battle is the human one At Bunker Hill Gettysburg and Iwo Jima the American soldier as much as any general proved decisive To an unprecedented degree Men of War brings home the reality of combat and just as important its aftermath in the form of the psychological and medical effects on veterans As such the book makes a critical contribution to military history by narrowing the colossal gulf between the popular understanding of wars and the experiences of the soldiers who fight them Praise for Men of War A tour de force strikingly vivid well observed and compulsively readable The Daily Beast Military history at its best This is indeed war up close as those who fought it lived it and survived it if they could Men of War is deeply researched beautifully written The Wall Street Journal A brilliant riveting unique book Men of War will be a classic General David H Petraeus U S Army Retired The fact is that Men of War moves and educates with the reader finding something interesting and intriguing on virtually every page National Review This is a book that has broad value to a wide audience Whether the reader aims to learn what actually happens in battle draw on the military lessons within or wrestle with what actually defines combat Men of War is a valuable addition to our understanding of this all too human experience The New Criterion A highly recommended addition to the literature of military history Rose writes vividly and memorably with a good eye for the telling detail or anecdote Kirkus Reviews starred review Using the firsthand accounts of brave soldiers who fought for freedom Rose sheds new light on viewpoints we haven't heard as widely before It's a welcome perspective in an era where most people have no military experience to speak of The Washington Times Rose poignantly captures the terror and confusion of hand to hand combat during the battle The Dallas Morning News If you want to know the meaning of war at the sharp end this is the book to read James McPherson Pulitzer Prize winning author of The War That Forged a Nation

Calendar of Confederate Papers, with a Bibliography of Some Confederate Publications Confederate Memorial Literary Society. Southern Historical Manuscripts Commission, 1908 **A Calendar of Confederate Papers, with a Bibliography of Some Confederate Publications** Confederate Memorial Literary Society, Richmond, Va. Southern Historical Manuscripts Commission, Douglas Southall Freeman, 1908 **The Battle of Glendale: Robert E. Lee's Lost Opportunity** Douglas Crenshaw, 2017-01-09 By late June 1862 the Union army under George B McClellan stood at the doorstep of Richmond In a desperate hour for the Confederate capital Robert E Lee attacked McClellan and drove the Union army into a full retreat toward the safety of the James River Lee recognized an opportunity to seal a decisive victory and commanded his Army of Northern Virginia to prevent the Union forces from retreating A P Hill James Longstreet and Stonewall Jackson were among those who engaged in the harrowing day of battle during the Seven Days Campaign Author

Douglas Crenshaw details the dramatic Battle of Glendale in the Civil War **Major General Robert E Rodes of the Army of Northern Virginia** Darrell Collins, 2008-06-20 FINALIST FOR BIOGRAPHY 2008 ARMY HISTORICAL FOUNDATION DISTINGUISHED BOOK AWARD WINNER 2009 THE DOUGLAS SOUTHALL FREEMAN AWARD FOR BEST BOOK ON SOUTHERN HISTORY Jedediah Hotchkiss Stonewall Jackson's renowned mapmaker expressed the feelings of many contemporaries when he declared that Robert Rodes was the best division commander in the Army of Northern Virginia This well deserved accolade is all the more remarkable considering that Rodes a graduate of the Virginia Military Institute and a prewar railroad engineer was one of a very few officers in Lee's army to rise so high without the benefit of a West Point education Major General Robert E Rodes of the Army of Northern Virginia A Biography is the first deeply researched scholarly biography on this remarkable Confederate officer From First Manassas in 1861 to Third Winchester in 1864 Rodes served in all the great battles and campaigns of the legendary Army of Northern Virginia He quickly earned a reputation as a courageous and inspiring leader who delivered hard hitting attacks and rock steady defensive efforts His greatest moment came at Chancellorsville in the spring of 1863 when he spearheaded Stonewall Jackson's famous flank attack that crushed the left wing of General Hooker's Army of the Potomac Rodes began the conflict with a deep yearning for recognition and glory coupled with an indifferent attitude toward religion and salvation When he was killed at the height of his glorious career at Third Winchester on September 19 1864 a trove of prayer books and testaments were found on his corpse Based upon exhaustive new research Darrell Collins's new biography breathes life into a heretofore largely overlooked Southern soldier Although Rodes' widow consigned his personal papers to the flames after the war Collins has uncovered a substantial amount of firsthand information to complete this compelling portrait of one of Robert E Lee's most dependable field generals Darrell L Collins is the author of several books on the Civil War including General William Averell's Salem Raid Breaking the Knoxville Supply Line 1999 and Jackson's Valley Campaign The Battles of Cross Keys and Port Republic The Virginia Civil War Battles and Leaders Series 1993 A native of Ann Arbor Michigan Darrell and his wife Judith recently relocated to Conifer Colorado **Trench Warfare under Grant and Lee** Earl J. Hess, 2011-04-01 Earl J Hess's study of armies and fortifications turns to the 1864 Overland Campaign to cover battles from the Wilderness to Cold Harbor Drawing on meticulous research in primary sources and careful examination of battlefields at the Wilderness Spotsylvania North Anna Bermuda Hundred and Cold Harbor Hess analyzes Union and Confederate movements and tactics and the new way Grant and Lee employed entrenchments in an evolving style of battle Hess argues that Grant's relentless and pressing attacks kept the armies always within striking distance compelling soldiers to dig in for protection Bulletin of the Virginia State Library Virginia State Library, 1908 **The Churchman** , 1904 **Lee's Tigers** Terry L. Jones, 2002-02-01 Sometimes called the wharf rats from New Orleans and the lowest scrapings of the Mississippi Lee's Tigers were the approximately twelve thousand Louisiana infantrymen who served in the Confederate Army of Northern Virginia from the time of the campaign at First Manassas to

the final days of the war at Appomattox Terry L Jones offers a colorful highly readable account of this notorious group of soldiers renowned not only for their drunkenness and disorderly behavior in camp but for their bravery in battle It was this infantry that held back the initial Federal onslaught at First Manassas made possible General Stonewall Jackson's famed Valley Campaign contained the Union breakthrough at Spotsylvania's Bloody Angle and led Lee's last offensive actions at Fort Stedman and Appomattox Despite all their vices Lee's Tigers emerged from the Civil War with one of the most respected military records of any group of southern soldiers According to Jones the unsavory reputation of the Tigers was well earned for Louisiana probably had a higher percentage of criminals drunkards and deserters in its commands than any other Confederate state The author spices his narrative with well chosen anecdotes among them an account of one of the stormiest train rides in military history While on their way to Virginia the enlisted men of Coppens Battalion uncoupled their officers car from the rest of the train and proceeded to partake of their favorite beverages Upon arriving in Montgomery the battalion embarked upon a drunken spree of harassment vandalism and robbery Meanwhile having commandeered another locomotive the officers arrived and sprang from their train with drawn revolvers to put a stop to the disorder The charge of the Light Brigade one witness recalled was surpassed by these irate Creoles Lee's Tigers is the first study to utilize letters diaries and muster rolls to provide a detailed account of the origins enrollments casualties and desertion rates of these soldiers Jones supplies the first major work to focus solely on Louisiana's infantry in Lee's army throughout the course of the war Civil War buffs and scholars alike will find Lee's Tigers a valuable addition to their libraries

Eventually, you will entirely discover a new experience and skill by spending more cash. nevertheless when? realize you take on that you require to get those all needs afterward having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more not far off from the globe, experience, some places, later history, amusement, and a lot more?

It is your categorically own times to pretense reviewing habit. in the middle of guides you could enjoy now is **Four Years Under Marse Robert** below.
