Four Testimonies Poems:

Four Testimonies Kate Daniels, 1998 Three survivors of the collapse of the Nimitz Freeway in the 1989 San Francisco earthquake tell of the calamity and its aftermath in the narrative poem *In the Marvelous Dimension* *Poetry as Testimony* Antony Rowland, 2014-03-26 This book analyzes Holocaust poetry war poetry working class poetry and 9 11 poetry as forms of testimony Rowland argues that testamentary poetry requires a different approach to traditional ways of dealing with poems due to the pressure of the metatext the original traumatic events the poems demands for the hyper attentiveness of the reader and a paradox of identification that often draws the reader towards identifying with the poet s experience but then reminds them of its sublimity He engages with the work of a diverse range of twentieth century authors and across the literature of several countries even uncovering new archival material The study ends with an analysis of the poetry of 9 11 engaging with the idea that it typifies a new era of testimony where global secondary witnesses react to a proliferation of media images This book ranges across the literature of several countries cultures and historical events in order to stress the large variety of contexts in which poetry has functioned productively as a form of testimony and to note the importance of the availability of translations to the formation of literary canons **The Poetry of Raymond Carver** Sandra Lee

Kleppe, 2016-02-24 Best known as one of the great short story writers of the twentieth century Raymond Carver also published several volumes of poetry and considered himself as much a poet as a fiction writer Sandra Lee Kleppe combines comparative analysis with an in depth examination of Carver s poems making a case for the quality of Carver s poetic output and showing the central role Carver s pursuit of poetry played in his career as a writer Carver constructed his own organic literary system of autopoetics a concept connected to a paradigm shift in our understanding of the inter relatedness of biological and cultural systems This idea is seen as informing Carver s entire production and a distinguishing feature of Kleppe s book is its contextualization of Carver s poetry within the complex literary and scientific systems that influenced his development as a writer Kleppe addresses the common themes and intertextual links between Carver s poetry and short story careers situates Carver s poetry within the love poem tradition explores the connections between neurology and poetic memories and examines Carver s use of the elegy genre within the context of his terminal illness Tellingly Carver s poetry which has aroused slight interest among literary scholars is frequently taught to medical students This testimony to the interdisciplinary implications of Carver s work suggests the appropriateness of Kleppe s culminating discussion of Carver s work as a bridge between the fields of literature and medicine [French Literature Classics - Ultimate Collection: 90+](#)

The Fourth Army L. Craig Williams, 2013-05-31 Peace is forever on our lips but never in our hands Our daily life is consumed with violence shootings at a high school war in Iraq the evening news murder mysteries and television shows that take us into the autopsy room We are overwhelmed with violence and the growing societal hunger for vicarious violence is little understood The Fourth Army invites a new look at the events of World War II and its meaning for our future This book asks the question of whether we will survive for one more generation and if so what kind of society we will have built Combining elements of psychology morality history theology and faith the Fourth Army demands that we fully understand the role of Europe's Jews in resisting the Nazi onslaught and that we then determine how to arrest the growing tidal wave of political and domestic violence that threatens to swamp our society This reflection invites you to start to roll back the invidious waves of violence and pseudo violence that accosts you from every side and asks you to plowshare your life to literally start beating your own swords into plowshares in every aspect of your life and social surroundings
