Fourteen Landing Zones Approaches To Vietnam War Literature:

Fourteen Landing Zones Philip K. Jason, 1991 It is in the spirit of the LZ that the essayists in *Fourteen Landing Zones* approach the writings of the Vietnam War These fourteen diverse and powerful works by some of today's leading critics in Vietnam studies begin to answer the question of how we will filter the writings of the Vietnam War OCo including fiction poetry drama and memoirs What will survive the process of critical acclaim and societal affirmation OCo and why Included is an incisive introduction by Jason that provides an overview of the burgeoning body of Vietnam War literature and its peculiar life in the literary and academic marketplace This strong often emotional volume will be of particular importance to all those interested in the literature of the Vietnam War contemporary literature and contemporary culture and history *Thirty Years After* Mark Heberle, 2009-01-14 *Thirty Years After* New Essays on Vietnam War Literature Film and Art brings together essays on literature film and media representational art and music of the Vietnam War that were generated by a three day conference in Honolulu during Veterans Week 2005 This large and extensive volume the first collection of Vietnam War criticism published since the 1990s reflects significant cultural and historical changes since then including U S Vietnamese cultural transactions in the wake of political reconciliation and the Vietnamese diaspora popular commodification and memorialization of the war in America and nascent American imperialism Contributors include well established and well published writers and critics like Philip Beidler Cathey Calloway Lorrie Goldensohn Wayne Karlin Andrew Lam Jerry Lembcke Tim O'Brien John S. Schafer and Alex Vernon as well as emerging Vietnam scholars and critics Among other contributions the volume provides important quasi bibliographical essays on canonical American and Vietnamese literature and film African American Vietnam war narratives Chicano fiction and poetry and American Vietnam war art music as well as essays on such subjects as real and digital war memorials Vietnamese popular war songs and Vietnamization of the Gulf War Teachers scholars and the general public will find *Thirty Years After* a valuable guide to ongoing critical discussion of the most important event in American history between 1945 and 9 11 I highly recommend this book Although it is almost a cliché say the Vietnam War has left deep and lingering scars on American society *Thirty Years* underscores the still traumatic cultural legacy of this conflict Attuned to the divergent voices and genres of representation *Thirty Years* is an indispensable work not only for literary scholars but for anyone seeking to understand the enduring impact of the Vietnam War An impressive work Mark Heberle is commended for organizing such an insightful and gracefully written set of essays G Kurt Piehler author of *Remembering War the American Way* *Okinawan War Memory* Kyle Ikeda, 2014-03-14 As one of Okinawa's most insightful writers and social critics Medoruma Shun has highlighted the problems and limits of conventional representation of the Battle of Okinawa raised new questions and concerns about the nature of Okinawan war memory and expanded the possibilities of representing war through his groundbreaking and prize winning fiction editorials essays and speaking engagements Yet his writing has not been analyzed in regard to how his experience and identity as the child of two

survivors of the Battle of Okinawa have powerfully shaped his understanding of the war and his literary craft This book examines Okinawan war memory through the lens of Medoruma's war fiction and pays particular attention to the issues of second generation war survivorship and transgenerational trauma It explores how his texts contribute to knowledge about the war and its ongoing effects on survivors their offspring and the larger community in different ways from that of other modes of representation such as survivor testimony historical narrative and realistic fiction These dominant means of memory making have played a major role in shaping the various discourses about the war and the Battle of Okinawa yet these forms of public memory and knowledge often exclude or avoid more personal emotional and traumatic experiences Indeed Ikeda's analysis sheds light on the nature of trauma on survivors and their children who continue to inhabit sites of the traumatic past and in turn makes an important contribution to studies on trauma and second generation survivor experiences This book will be of huge interest to students and scholars of Asian literature Japanese literature Japanese history war memory and Okinawa

Miskec, 2024-02-29 Children's Literature in Place Surveying the Landscapes of Children's Culture is an edited collection dedicated to individual international and interdisciplinary considerations of the places and spaces of children's literature media and culture from content to methodology in fictional virtual and material settings This volume proposes a survey of the changing landscapes of children's culture the expected and unexpected spaces and places that emerge as and because of children's culture The places and spaces of children's literature are varied and diverse By making place studies a guiding principle this book builds on the impressive body of international research on place in children's literature media and culture to bring together and provide a comprehensive overview of how to study place in children's and young adult literature This volume provides a wide range of approaches and international perspectives of place in children's literature media and culture and contributes to this growing and relevant field by showcasing various scholarly aspects and approaches to children's literature and the place of children's literature in the context of international scholarship

WLA, 2000 **Bruce Springsteen, Cultural Studies, and the Runaway American Dream** Jerry Zolten, 2016-05-23 There is little question about the incredible power of Bruce Springsteen's work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine's Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation's fortunes He is the foremost live performer in the history of rock and roll a self-described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen's music developed a conscience that didn't ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in

understanding Springsteen's resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music *A Study Guide for Bobbie Ann Mason's "In Country"* Gale, Cengage Learning,2016-06-29 A Study Guide for Bobbie Ann Mason's *In Country* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs *Violent Adventure* Marilyn C. Wesley,2003 Questioning both the popular condemnation of violent representation and the notion that violence can be constructive by empowering the identity of an integrated adult self Wesley identifies a revealing pattern of violent adventure in recent fiction by American men *The Last Time I Dreamed About the War* Jean-Jacques Malo,2014-04-15 This is a collection of essays on the life and writing of W D Ehrhart poet essayist memoirist and teacher The twenty contributors scholars publishers poets are from the U S France Britain the Netherlands Austria India and Japan Some are Vietnam or Iraq war veterans The collection overall studies various aspects of Ehrhart's writing as well as his direct influence on the lives of people both as a writer and as a teacher The volume concludes with a selection of Ehrhart poems chosen by the contributors because they embody some quality discussed in the essays The book includes a selected bibliography of Bill Ehrhart's published writings *A Trauma Artist* Mark A. Heberle,2001-04 Based on recent conversations with Tim O'Brien previously published interviews and new readings of all his works including *Tomcat in Love* this book is the first study to concentrate on the role and representation of trauma as the central focus of all O'Brien's works Book jacket **From Pearl Harbor to Saigon** Toshio Whelchel,1999-06-17 Among Vietnam veterans Japanese Americans have remained largely silent about their wartime experiences Until now In this groundbreaking book many of them talk for the first time about their struggle for identity in the US and how this affected their participation in the Vietnam War

Encyclopedia of the American Short Story Abby H. P. Werlock,2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present *Reader's Guide to Literature in English* Mark Hawkins-Dady,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Philip K. Jason Greatest Hits** Philip K. Jason,2005-08 *Mad Wives and Island Dreams* Philip Gabriel,1998-10-01 Hailed by the noted critic Karatani Kojin as a more important and lasting writer than Mishima Shimaō Toshio 1917-1986 remains almost unknown in the West Several of his short stories have appeared in English translation yet it is only now with the publication of Philip Gabriel's comprehensive and searching study that Shimaō's work is being introduced to the worldwide audience it deserves *Mad Wives and Island Dreams* not only is a thorough assessment of the literary legacy of a highly original and

influential writer but also represents a significant contribution to the consideration of much broader issues relating to the emergence and nature of the postwar Japanese sense of identity Shimao's fiction covers a wide range of topics the war and its aftermath the unconscious the nuclear family madness the position of women the culture of Japan's southern islands Shimao's experiences as a survivor of a kamikaze unit underscore much of his literature and resulted in a series of compelling short stories unique in modern fiction Many of these early critically acclaimed works including the classic *Everyday Life in a Dream* are based on the narrative logic of the unconscious *Mad Wives and Island Dreams* contextualizes these dream stories as a literary expression of wartime trauma and argues that Shimao's powerful narration of guilt and victimization challenges standard readings of Japanese war literature Shimao's most popular works are the *byosaimono* literally stories of a sick wife which chronicle the real life crisis of his wife's madness in the mid 1950s Among these is the writer's best known work the 1977 novel *Shi no toge* The sting of death widely recognized as one of the masterpieces of Japanese literature The novel further explores Shimao's literature of the victimizer and wartime experience while revealing a feminist perspective that explores links between the suppressed aspirations of women and madness Perhaps most importantly just as the novel examines the relationship between the wife Miho and her southern island roots *Shi no toge* parallels Shimao's growing concern over the culture of marginalized regions and notions of cultural diversity a concern that would eventually result in the *Yaponesia* essays In *Mad Wives and Island Dreams* Gabriel succeeds in linking all of the seemingly disparate strands within Shimao's oeuvre the war stories the *byosaimono* the dream stories the *Yaponesia* writings categories all too often discussed in isolation He shows convincingly that together they represent a consistent and concerted attempt to depict the existence of the Other the significant periphery of a less than homogenous whole This volume will prove fascinating and important reading for those interested in questions of cultural identity and marginalization as well as Japanese literature and culture

W.D. Ehrhart in Conversation Jean-Jacques Malo, 2017-08-08 W D Ehrhart named by Studs Terkel as the poet of the Vietnam War has written and lectured on a wide variety of topics and has been a preeminent voice on the Vietnam War for decades Revered in academia he has been the subject of many master's theses doctoral dissertations journals and books for which he was interviewed Yet only two major interviews have been published to date This complete collection of unpublished interviews from 1991 through 2016 presents Ehrhart's developing views on a range of subjects over three decades

The English Book and Its Marginalia Asako Nakai, 2022-06-08 This book is about books that recount the story of encountering another book There are various versions of the story told and retold from the heyday of imperialism up to the present day Homi Bhabha calls it the trope of the discovery of the English book by considering each of these versions carefully we may also give an alternative account of twentieth century English literature as the site of an intercultural discourse This project is very much inspired by debate on postcolonial theory namely the debate between Said and Bhabha Part I is devoted to the discussion of Conrad especially of *Heart of Darkness* and investigates how the novella

has continually been reproduced to the extent that it represents the English Book of colonial postcolonial literatures The chapter on Hugh Clifford Ch 3 is virtually the first intensive critique of his novels such as *Saleh* 1908 with a particular focus on their intertextual relations with Conrad's texts Part II examines how the story of the English Book is repeated and revised in the texts of the following authors Joyce Cary Isak Dinesen V S Naipaul Kaiko Takeshi and Ng g wa Thiong o The English Book and Its Marginalia □□□□,2000 This book is about books that recount the story of encountering another book There are various versions of the story told and retold from the heyday of imperialism up to the present day Homi Bhabha calls it the trope of the discovery of the English book by considering each of these versions carefully we may also give an alternative account of twentieth century English literature as the site of an intercultural discourse This project is very much inspired by debate on postcolonial theory namely the debate between Said and Bhabha Part I is devoted to the discussion of Conrad especially of *Heart of Darkness* and investigates how the novella has continually been reproduced to the extent that it represents the English Book of colonial postcolonial literatures The chapter on Hugh Clifford Ch 3 is virtually the first intensive critique of his novels such as *Saleh* 1908 with a particular focus on their intertextual relations with Conrad's texts Part II examines how the story of the English Book is repeated and revised in the texts of the following authors Joyce Cary Isak Dinesen V S Naipaul Kaiko Takeshi and Ng g wa Thiong o **Bringing God to Men** Jacqueline E. Whitt,2014-02-17 During the second half of the twentieth century the American military chaplaincy underwent a profound transformation Broad based and ecumenical in the World War II era the chaplaincy emerged from the Vietnam War as generally conservative and evangelical Before and after the Vietnam War the chaplaincy tended to mirror broader social political military and religious trends During the Vietnam War however chaplains' experiences and interpretations of war placed them on the margins of both military and religious cultures Because chaplains lived and worked amid many communities religious and secular military and civilian denominational and ecumenical they often found themselves mediating heated struggles over the conflict on the home front as well as on the front lines In this benchmark study Jacqueline Whitt foregrounds the voices of chaplains themselves to explore how those serving in Vietnam acted as vital links between diverse communities working personally and publicly to reconcile apparent tensions between their various constituencies Whitt also offers a unique perspective on the realities of religious practice in the war's foxholes and firebases as chaplains ministered with a focus on soldiers' shared experiences rather than traditional theologies *The Hero and the Victim* Gregory Brazeal,2024-10-08 How American fiction represents soldiers and soldier criminality in depictions of the Iraq War

The Top Books of the Year Fourteen Landing Zones Approaches To Vietnam War Literature The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
