A House Divided-7 Events Before Rapture & the Coming Christian Holocaust Michael Johnson,2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here *A House Divided* chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of *A House Divided* feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare

themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth The Fourth Horseman Will Henry,1954 *Cornerstone Revealed* Cooper McGuire,2025-05-15 This book is to bring attention to the Engraved Cornerstone and its place in the future Surely anything so prominent in the past will be made a part of the future of Israel The Cornerstone was lost when Babylon destroyed the Temple the first time and we see in the writings in the Bible that it was replaced when King Cyrus allowed the Israelites to return with Zerubbabel and rebuild their Temple We can read in Zechariah s book where Zerubbabel reset the Cornerstone at that time It was still resting in the corner of the Temple at the time of Herod s kingdom Then Rome destroyed the Temple and took every stone down from another as prophesied by Jesus We have come to the conclusion that the Cornerstone was removed and hid in the Temple walls Could the Cornerstone be in the wall at the site of what is now called the Wailing Wall In this book we have tied several prophecies to this assumption We have given sight into the lives of some of the Jews living in America Two of these lives were one of a baker and the other a banker We took a trip through the book of Revelations In looking to understand these prophecies The approach in reading them was in the mind of how could the ancients describe things we have today with the words they had to use Example How would John describe a rocket launcher Would a bow be used A bow shoots projectiles at an enemy Now we add the word great in front of the word bow and we have a weapon that shoots large projectiles at a farther distance How would an ancient writer describe a meteor A falling star The scriptures are not given to any private interpretation This book is justified only if it causes the reader to desire more understanding and searches the scriptures putting himself in that time and using their vernacular Picturing the Apocalypse Natasha O'Hear,Anthony O'Hear,2015 An original introduction to the book of Revelation through the use of art history with attention also given to the reception of the text in music literature and popular culture The Mystery Revealed! Larry D. EDWARDS,2008-08 The mystery of Revelation is unfolded by the Prophet the Lord Jesus Christ Revelation is based on the prophetic themes of the Old Testament and the development of those themes in the Olivet Discourse This commentary integrates the book of Zechariah most of the book of Daniel and several chapters from other visionary prophets with the message of Revelation The world is in the throes of the labor pains of the end times Bible prophecy alludes to the nations that will be of worldwide concern during these times England the United States Russia Israel and several Middle East nations Persecution of Christians and Jews terrorism and Satanism are prophesied The Scriptures tell of a Great Middle East War that will occur at the end of the Great

Tribulation where weapons of mass destruction may be used The relevancy of prophecy to the current world situation is discussed throughout this commentary During his medical career the author has studied internal medicine geriatrics and infectious diseases and been credentialed in these fields He has published in scientific journals in the discipline of infectious diseases His medical fellowships include the American College of Physicians the American College of Physician Executives and the American College of Healthcare Executives He has held several administrative positions at an executive level He has published in Christian periodicals on the subject of Medicine and the Scriptures and authored a prior book The Twelve Generations of the Creation with Biblical Timelines from Adam to Christ Longwood FL Xulon Press 2007 He is a past Dean of a Christian medical school He has served on several boards of churches and Christian organizations He has taught group Bible studies for over four decades In order to better understand the Bible he has studied Hebrew and Greek

Revelation A Fresh Perspective helps you manage the massive quantity of details in the Bible s book of Revelation Without using grandiose theological mumbo jumbo the major contextual breakdowns of Revelation are identified to provide a general overview and then the details are added This offers a platform to give a greater understanding of this most important message God has given us This approach also gives the opportunity to tie together all the details and not leave any out This method does not provide the opportunity to hurry through Revelation in an hour or two it takes a few more hours than that but it does not require a college course to accomplish Sticking with a simple basic approach to evaluate the words and details that are actually written for us gives us a much greater understanding of this vision than you may have ever imagined

John's Apocalypse T. Craig Isaacs,2016-08-02 Two things confound and confuse most of us our dreams and the book of Revelation However people remain fascinated with both This study tackles both subjects The book of Revelation is a vision a dream yet it is most often interpreted as if it were a piece of consciously created literature One should never attempt to decipher a dream or vision by purely rational methods rather the dream needs to be approached as poem art and mythic story In this book you will learn a means of understanding your dreams and then apply this to approaching a renewed view of the book of Revelation

Revelation Unsealed James L. Resseguie,2021-10-11 This narrative commentary systematically
