

Fourth Queen

Francis Lancelott

Fourth Queen:

The 4th (Queen's Own) Hussars in the Great War Captain H. K. D. Evans, Major N. O. Laing, Winston Churchill, 2011-12-20 In his foreword to this book Winston Churchill rightly calls it a plain yet careful record of the fortunes and services of the 4th Queen's Own Hussars in the Great War which deserves and will repay attentive study from those to whom the history of the regiments of the British Army is of vivid interest The 4th Queen's Own were one of the Army's elite cavalry regiments which fulfilled their traditional role in the open warfare which characterised the campaigns in 1914 and 1918 at the beginning and end of the Great War In between of course came the static horrors of trench warfare when as Churchill tactfully says the fond hopes which cavalry Generals and cavalry soldiers cherished of a great eruption of cavalry through the German lines as the culmination of a decisive battle never materialised Nevertheless the 4th took part in the retreat from Mons in 1914 the first and second battle of Ypres in which they experienced the first German poison gas attack and the battles of Loos the Somme and Arras In 1918 they saw action in both the great German spring offensives and the victorious allied counter attacks that summer and autumn Illustrated with maps photographs and appendices containing rolls of honour decorations lists of officers etc this is a complete unit history for those interested in cavalry regiments in the Great War

The Queens of England and their Times Francis Lancelott, 2023-06-20 Reprint of the original first published in 1858 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

The Book of Chess George H. Selkirk, 1868 Lives of the Queens of England Agnes Strickland, 1854 **The Queens of England (Vol. 1-3)** Agnes Strickland, 2021-10-28 This book is a great introduction into the history of the British Empire and women who helped to shape it The book starts with the very first queen in the history of Great Britain Matilda of Flanders the wife of William the conqueror and goes through all the history mentioning Berengaria of Navarre the queen of the legendary king Ricard I and all the wives of Henry VIII among the others The book is aimed at young adults and is written in a simple understandable and somewhat naive manner characteristic of the Victorian era books for young ladies Yet the light and relaxing tone of the book will make it interesting for adults seeking for an entertaining read with educational value It contains a lot of captivating moments too For example the very first story of the book tells that to win heart of her future queen William the Conqueror rolled her in mud and beat her_x000D_ Lives of the Queens of Scotland and English Princesses Connected with the Regal Succession of Great Britain Agnes Strickland, 1852 **Lives of the Queens of England, from the Norman Conquest** Agnes Strickland, Elizabeth Strickland, 1864 **Lives of the Queens of England from the Norman Conquest**, 1854 The English writer Agnes Strickland 1796-1874 began her career writing poetry and romances before turning to biographical studies This eight volume series written in collaboration with her sister Elizabeth and first published between 1840 and 1849 was her most ambitious project It provides accounts of the queens of England

from Matilda of Flanders to Queen Anne Hugely popular in the Victorian period Lives of the Queens of England and its sequel Lives of the Queens of Scotland remain important landmarks in the development of biography as a genre and provide interesting perspectives on women s contribution to modern historiography Volume 3 covers the last four wives of Henry VIII and his elder daughter Mary I 1516 1558 first queen regnant of England and Ireland For more information on these authors see http://orlando.cambridge.org/public/svPeople/person_id/striel and http://orlando.cambridge.org/public/svPeople/person_id/striag The Queens of England and Their Times Francis Lancelott,1858 **Catalogue of the Library of the Norfolk and Norwich Literary Institution, systematically arranged; with an alphabetical index** Norfolk and Norwich Literary Institution (NORWICH),1842 The Queen's Quair; Or, The Six Years' Tragedy, In Three Volumes Maurice
