Fox's Book of Martyrs; Or, The Acts and Monuments of the Christian Church John Foxe,1830 *Fox's Book of Martyrs; Or, the Acts and Monuments of the Christian Church* John Foxe,1860 **Fox's Book of Martyrs** John Foxe,2007-01-01

Foxes Book of Martyrs (1911) John Foxe,2014-08-07 This Is A New Release Of The Original 1911 Edition *Fox's Book of Martyrs* John Foxe,1844 *Fox's Book of Martyrs; Or A History of the Lives, Sufferings, and Triumphant - Deaths of the Primitive Protestant Martyrs* John Foxe,2016-08-26 This work is strictly what its title page imports a compilation Fox's Book of Martyrs has been made the basis of this volume Liberty however has been taken to abridge wherever it was thought necessary to alter the antiquated form of the phraseology to introduce additional information and to correct any inaccuracy respecting matters of fact which had escaped the author of the original work or which has been found erroneous by the investigation of modern research The object of this work is to give a brief history of persecution since the first introduction of christianity till the present time In doing this we have commenced with the martyrdom of Stephen and following the course of events have brought the History of persecution down to the year 1830 In all ages we find that a disposition to persecute for opinion s sake has been manifested by wicked men whatever may have been their opinions or sentiments on religious subjects The intolerant jew and the bigoted pagan have exhibited no more of a persecuting spirit than the nominal professor of christianity and the infidel and the avowed atheist Indeed it seems to be an inherent vice in unsanctified nature to endeavour by the pressure of physical force to restrain obnoxious sentiments and to propagate favourite opinions It is only when the heart has been renewed and sanctified by divine grace that men have rightly understood and practised the true principles of toleration We do not say that none but real christians have adopted correct views respecting civil and religious liberty but we affirm that these views owe their origin entirely to christianity and its genuine disciples **Fox's Book of Martyrs, Or A History of the Lives, Sufferings, and Triumphant Deaths of the Primitive Protestant Martyrs** John Foxe,1887 **Fox's Book of Martyrs** John Foxe,185? **Fox's Book of Martyrs** John Foxe,1954 **Fox's Book of Martyrs - A History of the Lives, Sufferings and Triumphant Deaths of the Early Christian and Protestant Martyrs** William Byron Forbush,2008-11 **FOXES BOOK OF MARTYRS A HISTORY OF THE LIVES SUFFERINGS AND TRIUMPHANT DEATHS OF THE EARLY CHRISTIAN AND THE PROTESTANT MARTYRS** Edited by WILLIAM BYRON FORBUSH Originally published in 1926 **FOXES BOOK OF MARTYRS** When one recollects that until the appearance of the Pilgrims Progress the common people had almost no other reading matter except the Bible and Foxes Book of Martyrs we can understand the deep impression that this book produced and how it served to mold the national character Those who could read for themselves learned the full details of all the atrocities performed on the Protes tant reformers the illiterate could see the rude illustrations of the various instruments of torture the rack the gridiron the boiling oil and then the holy ones breathing out their souls amid the flames Take a people just awakening to a new intellectual and religious life let several generations of

them from childhood to old age pore over such a book and its stories become traditions as individual and almost as potent as songs and customs on a nations life DOUGLAS CAMPBELL The Puritan in Holland England and America c If we divest the book of its accidental character of feud between churches it yet stands in the first years of Elizabeths reign a monument that marks the growing strength of a desire for spiritual freedom defiance of those forms that seek to stifle conscience and fetter thought HENRY MORLEY English Writers After the Bible itself no book so profoundly influenced early Protestant sentiment as the Book of Martyrs Even in our own time it is still a living force It is more than a record of persecution It is an arsenal of controversy a storehouse of romance as well as a source of edification JAMES MILLER DODDS English Prose Contents include SKETCH OF THE AUTHOR ix xiv CHAPTER PAGE I HISTORY OF CHRISTIAN MARTYRS TO THE FIRST GENERAL PERSECUTION UNDER NERO The Glorious Company of the Apostles 1 II THE TEN PRIMITIVE PERSECUTIONS Nero Burns Christians in the Imperial Gardens Ignatius The Wheat of Christ Polycarp Refuses to Deny Christ The Beheading of Justin Martyr Christians in the Catacombs Origen Suffers by Fire Saint Lawrences Bed of Iron Sebastian is Pierced with Arrows 5 III PERSECUTIONS OF THE CHRISTIANS IN PERSIA The Emperor Constantine Protests The Fury of Julian the Apostate The Goths and Vandals The Last Roman Triumph The Noble Gothic Prince The Sacrificing of Boniface Bishop Alphege Defends Canterbury 33 IV PAPAL PERSECUTIONS Persecutions of the Brave Waldenses The Pope Wars against the Albigenses The Massacres of Saint Bartholomew Sufferings after the Revocation of the Edict of Nantes Martyrdom of John Galas 43 V AN ACCOUNT OF THE INQUISITION The Fierce Zeal of Dominic The Hounds of the Lord A Typical Inquisitory The Cruel Handling of Nicholas Burton Some Private Enormities of the Inquisition The Persecution of Dr J Egidio The Tormenting of Dr Gardiner The Sufferings of William Lithgow The Story of Galileo Summary of the Inquisition 60 CONTENTS CHAPTER PAGE VI AN ACCOUNT OF THE PERSECUTIONS IN ITALY UNDER THE PAPACY The Courageous End of Arnold of Brescia Hounding of Calabrian Peasants Exterminations at St Xist Persecutions in the Valleys of Piedmont Remarkable Individuals who were Martyred The Piedmontese War Persecutions of Michael de Molinos of the Quiet Life *Fox's Book of Martyrs, Or the Acts and Monuments of the Christian Church* John Foxe, 2017-11-19 Excerpt from Fox s Book of Martyrs or the Acts and Monuments of the Christian Church Being a Complete History of the Lives Sufferings and Deaths of the Christian Martyrs From the Commencement of Christianity to the Present Period To Which Is Added an Account of the Inquisition The next martyr we meet with according to St Luke in the History of the Apostles Acts was James the son of Zebedee the elder brother of John and a relative of our Lord for his mother Salome was cousin german to the Virgin Mary They were men of warm tempers and therefore surnamed Boanerges by Christ yet these two and Peter had the more special confidence of our Saviour and were on that account objects of unreasonable caution It was not until ten years after the death of Stephen that the second martyrdom took place for no sooner had Herod Appa been appointed governor of Judaea than with a view to ingratiate himself with them he raised a sharp persecution against the Christians and determined to make an effectual blow

by striking at their leaders James as an active propagator of the gospel was the first object of his zeal and he condemned him to death with little ceremony and ordered him to be executed without delay The account given us by an eminent primitive writer Cle mens Alexandrinus ought not to be overlooked that as James was led to the place of mm tyrdom his accuser was brought to repent of his conduct by the apostle s extraordinary courage and undauntedness and fell down at his feet to request his pardon professing him self a Christian and resolving that James should not receive the crown of martyrdom alone Hence they were both beheaded at the same time Thus did the first apostolic martyr cheer fully and resolutely receive that cup which he had told our Saviour he was ready to drink About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Foxe,1837 *Fox's Book of Martyrs ; Or, The Acts and Monuments of the Christian Church* John Foxe,1813 **Fox's Book of Martyrs** John Foxe,2014-06-02 The history of the church may almost be said to be a history of the trials and sufferings of its members as experienced at the hands of wicked men At one time persecution as waged against the friends of Christ was confined to those without at another schisms and divisions have arrayed brethren of the same name against each other and scenes of cruelty and woe have been exhibited within the sanctuary rivalling in horror the direst cruelties ever inflicted by pagan or barbarian fanaticism This however instead of implying any defect in the gospel system which breathes peace and love only portrays in darker colours the deep and universal depravity of the human heart Pure and unsophisticated morality especially when attempted to be inculcated on mankind as essential to their preserving an interest with their Creator have constantly met with opposition It was this which produced the premature death of John the Baptist It was the cutting charge of adultery and incest which excited the resentment of Herodias who never ceased to persecute him until she had accomplished his destruction The same observation is equally applicable to the Jewish doctors in their treatment of our blessed Lord and Saviour Jesus Christ In the sudden martyrdom of John the Baptist and the crucifixion of our Lord the history of christian martyrdom must be admitted to commence and from these as a basis for the subsequent occurrences we may fairly trace the origin of that hostility which produced so lavish an effusion of christian blood and led to so much slaughter in the progressive state of christianity
