Fox World Jack Russell,2021-10-13 Fox World based on true events takes the reader under the canopy of an urban forest on the outskirts of Washington D C for a year long walk with a weary sales executive and his muse a wild red fox Aged ill and injured both fox and man seek healing in their journey not only for themselves but for the ecologically stressed forest which is under siege They are joined on their five hundred mile walkabout by the fox s forest friends owl buck deer hawk blue heron

and raccoon and each animal's story illustrates why this small forest is so soothing and majestic in its allure. Starting in brutally cold winter followed by the wettest summer on record, fox and man face daunting life challenges on their walks from heart arrhythmia which ends the executive's career to a coyote attack and critical illnesses faced by the elderly fox. And through these traumatic events, the two bond for survival and the fox's wild perspective teaches his human friend unforgettable lessons about healing, coping, serenity, wonderment, mindfulness, and simple treasures, e.g. the sun setting atop the great oaks, an owl serenade under moon beams, a shared cup of bison bone broth on an icy day. Drawn in by the plight of the fox's forest as destruction looms, the man decides to take a stand and help the fox and his animal friends. Richly graced with gorgeous nature photos and infused with insights that can only be imparted by those who have come to genuinely appreciate life, *Fox World* is an exhilarating walk in the woods that you'll never forget.

The Fox Of Richmond Park Kate Dreyer, 2017-08-01 When your family home has been demolished by a ruling power terrified of mutiny and the love of your life gives their heart to another, wouldn't you search the open city for a better future? This is a story of one Londoner who found himself in this situation. He just happens to have fur and four legs. With the help of an adventure-seeking magpie, Vince the fox is determined to find his grandparents' old home, which exists somewhere within England's capital. The threat of political exile and the city's modern mechanical and multicultural challenges will not stop him. But back in Richmond Park, Edward the alpha stag is paranoid if Vince's departure encourages a multi-species uprising; the deer will lose their power, and Edward is hardly the only tyrannical ruler to be feared in the capital's parks. Just what has Vince started beneath the eyelid of London's human population?
