Foxy Doesn't Feel Well:

The Complaints Ian Rankin, 2011-03-07 Nobody likes The Complaints they're the cops who investigate other cops It's a department known within the force as The Dark Side and it's where Malcolm Fox works He's a serious man with a father in a nursing home and a sister who persists in an abusive relationship frustrating problems about which he cannot seem to do anything Then the reluctant Fox is given a new case There's a cop named Jamie Breck and he's dirty The problem is no one can prove it As Fox takes on the job he learns that there's more to Breck than anyone thinks dangerous knowledge especially when a vicious murder takes place far too close to home In The Complaints Rankin proves again why he is one of the world's most beloved and bestselling crime writers mixing unstoppable pacing with the deeper question of who decides right from wrong
