Fragile Empire A History Of Imperial Russia

Walter G. Moss

Fragile Empire A History Of Imperial Russia:

The Fragile Empire Alexander Chubarov,1999 It commanded the world s richest natural resources yet its productive forces were constricted by the remnants of feudalism It strove to cement its multiethnic population by systematic Russification which only stimulated nationalist movements **BOOK JACKET**

The Fragile Empire Alexander Chubarov,2003-11-01 With the fall of Communism there has been a resurgence of interest in the pre Soviet Czarist past In this volume Prof Chubarov has written a concise but thorough and balanced account of Russia from the reign of Peter the Great to the Bolshevik Revolution He surveys the critical accomplishments and failures of Peter the Great Alexander II and the Populist movement of the 19th century Chubarov defines important political trends from the reign of Peter the Great with a brief chapter on pre Petrine Russia to the fall of the Romanovs A sound scholarly work that effectively covers three centuries of Russian history A good introduction to Russia s Imperial period

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie,D. C. B. Lieven,Ronald Grigor Suny,2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

A History of Russia Volume 1 Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss s A History of Russia will appeal to academics students and general readers alike

Russia's Bitter Path to Modernity Alexander

Chubarov,2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia The Fragile Empire One of the key factors to Russia s distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia s Soviet development within Russia s own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former s mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states

Old World Empires

Ilhan Niaz,2014-03-26 This book is a sweeping historical survey of the origins development and nature of state power It demonstrates that Eurasia is home to a dominant tradition of arbitrary rule mediated through military civil and ecclesiastical servants and a marginal tradition of representative and responsible government through autonomous institutions The former tradition finds expression in hierarchically organized and ideologically legitimated continental bureaucratic states while the latter manifests itself in the state of laws In recent times the marginal tradition has gained in popularity and has led to continental bureaucratic states attempting to introduce democratic and constitutional reforms These attempts have rarely altered the actual manner in which power is exercised by the state and its elites given the deeper and historically rooted experience of arbitrary rule Far from being remote the arbitrary culture of power that emerged in many parts of the world continues to shape the fortunes of states To ignore this culture of power and the historical circumstances that have shaped it comes at a high price as indicated by the ongoing democratic recession and erosion of liberal norms within states that are democracies

Putin's Wars

Marcel H. Van Herpen,2024-01-03 This fully updated book offers the first systematic analysis of Putin s three wars placing the Second Chechen War the war with Georgia of 2008 and the war with Ukraine in their broader historical context Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin s wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin s regime and explores how they were connected to a fourth hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin s regime this study digs deep into the Kremlin s

secret long term strategies Readable and clearly argued it makes a compelling case that Putin s regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin s contemporary policies Van Herpen s work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

Nikolai Gretschi's Travel Letters: Volume 1 - Letters from England Nikolai Gretschi,2021-08-17 Nikolai Gretschi s Travel Letters is a fully translated English edition of a three volume account published by Nikolai Gretschi 1787 1867 in St Petersburg in 1839 In the original Russian Gretschi describes his travels in post Napoleonic England France and Germany in 1837 at the behest of the Russian Empire His official task was to examine educational systems but as he travelled he also noticed the cultural norms in his surroundings the history of each country and the personal experiences of the people he met On his return home Gretschi assembled his entertaining and often humorous personal observations into the edition that forms the basis for the present translation His astute observations provide a rich contemporary resource for information about the countries he visited especially given his status as an outsider Additionally as a result of his government position Gretschi was able to move in social circles that would have been closed to many other people In England he once found himself in the same room with Princess the future Queen Victoria and in France he dined with Victor Hugo Gretschi s observations offer a treasure trove of contextual information that will be valuable to anyone interested in cultural interactions during the nineteenth century

The Orientalist Tom Reiss,2006-03-14 A thrilling page turner of epic proportions Tom Reiss s panoramic bestseller tells the true story of a Jew who transformed himself into a Muslim prince in Nazi Germany Lev Nussimbaum escaped the Russian Revolution in a camel caravan and as Essad Bey became a celebrated author with the enduring novel Ali and Nino as well as an adventurer a real life Indiana Jones with a fatal secret Reiss pursued Lev s story across ten countries and found himself caught up in encounters as dramatic and surreal and sometimes as heartbreaking as his subject s life

Nikolai Gretschi's Travel Letters: Volume 3 - Letters from Germany Nikolai Gretschi,2021-09-14 Nikolai Gretschi s Travel Letters is a fully translated English edition of a three volume account published by Nikolai Gretschi 1787 1867 in St Petersburg in 1839 In the original Russian Gretschi describes his travels in post Napoleonic England France and Germany in 1837 at the behest of the Russian Empire His official task was to examine educational systems but as he travelled he also noticed the cultural norms in his surroundings the history of each country and the personal experiences of the people he met On his return home Gretschi assembled his entertaining and often humorous personal observations into the edition that forms the basis for the present translation His astute observations provide a rich contemporary resource for information about the countries he visited especially given his status as an outsider Additionally as a result of his government position Gretschi was able to move in social circles that would have been closed to many other people In England he once found himself in the same room with Princess the future Queen Victoria and in France

he dined with Victor Hugo Gretsch's observations offer a treasure trove of contextual information that will be valuable to anyone interested in cultural interactions during the nineteenth century **The New Chinese Empire** Ross

Terrill,2009-03-05 Some observers expect China to become an economic superpower Others expect it to fragment into pieces Is China nationalistic and on the march or is it a stumbling Communist dinosaur Is it already a billion citizen member of the global village Is it as the Clinton administration claimed a strategic partner of the U S Ross Terrill addresses the question upon which all these others depend Is the People's Republic of China whose polity is a hybrid of Chinese tradition and Western Marxism willing to become a modern nation or does it insist on remaining an empire Since the collapse of three thousand years of Confucian monarchy in 1911 China has neither established a successful political system nor adjusted to being a nation state Today it stands as the most contradictory of major powers hovering between an unsustainable tradition and a yet to be born political form that would support its new society and economy Hanging in the balance are the prospect for freedom within China for both Chinese and non Chinese citizens of the People's Republic the future of America's relations with China and the security of China's neighbors Drawing upon Terrill's long experience studying China as well as upon new research this enlightening and rigorous book will be a must read for everyone who has a stake in the future of the global world order *From Splendor to Revolution* Julia P. Gelardi,2011-02-15 A richly detailed portrait of four women whom marriage and blood put at the center of European history Richmond Times Dispatch This sweeping saga recreates the extraordinary opulence and violence of Tsarist Russia as the shadow of revolution fell over the land and destroyed a way of life for these Imperial women From the early 1850s until the late 1920s Russia underwent a massive transformation taking it from days of grandeur under the tsars to the chaos of revolution and the beginnings of the Soviet Union At the center of all this tumult were four Romanov women Marie Alexandrovna Tsar Alexander II's pampered daughter astonished her mother in law Queen Victoria with her strength of character Thrust into the role of queen at sixteen Olga Constantinovna's altruistic streak benefited Greeks and Russians alike Charming and vivacious Marie Feodorovna the mother of the ill fated Tsar Nicholas II excelled in her role as empress Formidable and ambitious Marie Pavlovna emerged as a rival to Tsarina Alexandra Nicholas II's embattled consort *From Splendor to Revolution* presents the unforgettable political and personal dramas of these extraordinary women What began for them as a time of splendor ended after World War I with a Russia destroyed by revolution Relating the drama and tragedy of royal life Gelardi ably weaves in the extended family ties that connected most European rulers including Queen Victoria Publishers Weekly starred review Simple straightforward and engaging Gelardi is proof that history written from the female perspective can be all business The Roanoke Times **Russia**

on the Move Sylvia Sztern,2022-02-18 This book explores the impact of railroads on 19th century Russian peasant collectivism The mutual insurance mechanism in a precarious agricultural environment provided by a structured communal village system predicated on the reputation and authority of community norms is exposed to rationalist exchange occasioning

an institutional adaptation process the individualization of property rights in land Spatial mobility technology animated market integration specialization literacy and human capital acquisition among peasant wage workers who commuted from their villages Temporarily rising transaction costs forced the Tsar to concede household property rights in land in the so called Stolypin reform of 1906 This challenge to the imperial patrimony powered by the railroads steered late imperial Russia toward constitutional governance The spatial mobility technology gave peasants access to centers of agglomeration of knowledge changed cognitive perceptions of distance and reduced the uncertainty and opportunity costs of travel The empirical findings in this monograph corroborate the conclusion that the railroads occasioned a cultural revolution in late imperial Russia and made Stalin unnecessary for the modernization of the Euro asian giant This book highlights the profound effect that the development of the railroads had on Russian economic and political institutions and practices It will be of indispensable value to students and researchers interested in transitional economics and economic history **The**

Constitution of the Russian Federation Jane Henderson, 2022-08-25 The scholarship is consistently thorough and lucid and absolutely reliable European Public Law As reviews of the first edition attest this book gives a unique critical and contextual insight into the Constitution of one of the world's most powerful countries Its first edition was published in 2011 when Dmitrii Medvedev was Russia's President Since then there was a regime change in 2012 as Vladimir Putin returned to the presidency and significantly dramatic shifts in constitutionality as Russia pursues a return to traditional values The book explores the Constitution's evolution over its nearly 30 years existence including the significant amendments of 2020 This second edition situates these important changes in the context of Russia's historical and legal development as Putin continues to dominate the political scene It also looks at broader constitutional questions on the interrelation between the main State agencies the role of the courts human rights and their enforcement *A History of Russia: To 1917* Walter

Moss, 2002 *Eurocentrism at the Margins* Lutfi Sunar, 2016-05-05 Eurocentrism remains a prevailing feature of Western dominated social scientific perspectives tending to ignore alternative views originating outside the West and thus maintaining a form of scholarly hegemony As such there is an urgent need to reconsider Eurocentrism in social science to ask whether it constitutes an obstacle to understanding social problems and whether it is possible to go beyond Eurocentrism in the construction of reliable more universal knowledge At the same time certain questions persist particularly with regard to the extent to which recent revisionist challenges have really contributed to the surmounting of Eurocentric domination and whether the constant repetition of the concept serves to reinforce it This book engages with the central problems of Eurocentrism in the social sciences bringing together the work of scholars from around the world to offer a critique of this perspective from both European and non European positions thus shedding light on the binaries that often come into being in debates in this field Thematically organised and addressing a range of questions including Eurocentrism in historical studies in the understanding of religion and civilisation and in the study of international relations as well as in the institutionalisation

and professionalisation of research and discourses on modernisation in the Middle East Eurocentrism at the Margins will appeal to scholars with interests in knowledge production and circulation and Eurocentrism and post colonialism in the social sciences

Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study's distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia's Muslim populations religious institutions political organizations and ideological movements

Cassius Marcellus Clay Anne E. Marshall, 2025-08-14 The nineteenth century Kentucky antislavery reformer Cassius Marcellus Clay is generally remembered as a knife wielding rabble rouser who both inspired and enraged his contemporaries Clay brawled with opponents while stumping for state constitutional changes to curtail the slave trade He famously deployed cannons to protect the office of the antislavery newspaper he founded in Lexington Despite attempts on his life he helped found the national Republican party and positioned himself as a staunch border state ally of Abraham Lincoln During the Civil War he served as US minister to Russia working to ensure that European allies would not recognize the Confederacy And yet he was a slave owner until the end of the Civil War Though often misremembered as an abolitionist Clay was like many Americans of his time interested in a gradual end to slavery but largely on grounds that the institution limited whites ability to profit from free labor and the South's opportunity for economic advancement In the end Clay's political positions were far more about protecting members of his own class than advancing the cause of Black freedom This vivid and insightful biography reveals Cassius Clay as he was colorful yes but in many ways typical of white Americans who disliked slavery in principle but remained comfortable accommodating it Reconsidering Clay as emblematic rather than exceptional Anne E Marshall shows today's readers why it took a violent war to finally abolish slavery and why African Americans demands for equality struggled to gain white support after the Civil War

Fragile Empire A History Of Imperial Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Fragile Empire A History Of Imperial Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Fragile Empire A History Of Imperial Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Fragile Empire A History Of Imperial Russia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Fragile Empire A History Of Imperial Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download

free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Fragile Empire A History Of Imperial Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.
