Fragile Heart:

Fragile Hearts Colleen Clay, 2014-02-03 *Fragile Hearts* is the story of twenty one year old Morgan Weston who is confined to a wheelchair. A car accident at the age of fourteen left her not only physically challenged but emotionally fragile. There are mysteries to unravel regarding the car accident that killed her only sister and her sister's boyfriend. Because Morgan's parents love her they are forcing her to enroll in college and live on her own for the first time. Enter now Tyce Brandon Tyce has his own secrets. Over several months Morgan and Tyce become friends. Tyce is drawn to Morgan but is he confusing love for pity or even worse guilt. *Fragile Hearts* is not only a love story between a most unlikely couple but also a coming of age story for a sheltered young woman. Will the mysteries revealed drive these young lovers apart or is forgiveness the key to sealing a love begun in the depths of despair. Some profanity. Sweet love scenes. Verna Clay writing under the pen name of Colleen Clay, Unfinished Kaitlyn Grace Holmes, 2020-12-23 I'm the most me I can be. Vulnerable. Raw. Exposed. And real. There is no lie. Nothing guarded. I voice the truth within. A cry from the deep. This is how I talk. This is me. Being real. Poetry can be many things to many people. It can be flowery but it can also be gritty and vulnerable. It can also serve as a voice for those who feel voiceless. In her debut volume of poems Kaitlyn Grace Holmes leads others on a gritty and raw journey through pain filled with God's grace. Her reflections touch on relatable topics such as the death of a family member, the agony of heartbreak, the sometimes lonely journey of self discovery, the preciousness of purity and the life lessons associated with God's plan for each of us. *Unfinished* is a collection of inspirational poems that transports others inside one woman's heart and soul as she shares reflections on life, faith, love and much more. *UNBRAKED* Robert S. Velves, Torn between two equally captivating women Autumn and Clary Morlan's inner turmoil and battle with depression ultimately lead him to make the devastating decision to end his own life. However when rookie cop Zoe begins to investigate the supposed suicide she uncovers a shocking truth it was not suicide at all but an attempted murder. With only Morlan's haunting online poems and journal as her guide Zoe courageously pushes forward in her investigation despite facing skepticism and cynicism from her fellow police officers. As the case gains widespread attention and Morlan lies in a coma Zoe finds herself plunged into a treacherous world of obsession and twisted passion where potential motives for the crime and a host of suspects lurk in the shadows. The chilling conclusion to this gripping tale leaves Zoe grappling with the tragic aftermath of a crime driven by secrets, desire and betrayal. The stakes are high, the tension is palpable and the truth is more harrowing than anyone could have imagined. The Four Seasons of the Heart Cynthia J. Morton, 2016-08-08 Within this quartet of books that I have titled *The Four Seasons of The Heart* I will share the deepest pivotal parts of my journey as a recovering alcoholic addict and survivor of childhood abuse with you. One day at a time I have lived clean and sober consistently since 1995. However allowing myself to emotionally grow by not just giving but also receiving love and to genuinely feel deserving of my life's hard earned rewards has presented many challenges. Please allow me as we journey through these pages together to suggest ways
