Fragile Victory:

Blood Debt Chinedu Nnadi, A hunter sworn to kill A prince destined to die A curse that binds them both When Jordan Kade a ruthless Witch Hunter is forced into a life binding Blood Debt with Rafael Veylor a disgraced vampire prince their worlds collide in a storm of magic betrayal and impossible choices Hunted by the deadly Shadow Syndicate and tormented by a curse that demands one of their lives to restore balance the two must journey into the Tomb of Ancients to retrieve a powerful artifact the Heartstone before time runs out But as passion simmers and enemies close in Jordan and Rafael must decide will they fight fate or die by it Blood Debt is a pulse pounding paranormal thriller of forbidden love ancient magic and the haunting cost of redemption Fans of The Witcher Shadowhunters and The Vampire Chronicles will be spellbound Are you ready to choose between the heart and the hunt *Runaway* Adrian Ferruelo, 2025-05-26 Runaway Train 40 Minutes to Save Their Lives When the brakes fail on a high speed train conductor Mark Harris makes a chilling announcement to the passengers they have 40 minutes to find a solution or face certain disaster As panic spreads a diverse group of passengers a doctor an engineer a teacher and others must come together to stop the unstoppable Runaway Train is a heart pounding thriller that combines technical ingenuity with raw human emotion As the clock ticks down the characters must confront their fears rely on each other and push the limits of their courage to survive Perfect for fans of Speed and The Taking of Pelham 123 this novel will keep you on the edge of your seat until the very last second Private Finance, Public Power Peter Conti-Brown, Sean H. Vanatta, 2025-06-24 How regulating the banks became a separate and strange category of government power Banks are unlike most other businesses and over centuries regulating banks has become a category of government power all its own For some the appropriate role of those supervising the banks approximates cops on the beat patrolling for crime for others they should be more like fire wardens responding to emergencies In real life they are compliance officers and auditors risk managers and crisis responders the bane of international drug cartels and the friends of bank CEOs The mandate of supervising the banks is not regulation and it is not the implementation of regulation Rather it is a fundamentally different way that the government exercises power over and sometimes with markets and society The Banker's Thumb tells the history of this unusual form of public power It argues that bank supervision is the institutionalization of discretion exercised by government actors over private banks and eventually the financial system as a whole Authors Peter Conti Brown and Sean H Vanatta show how this supervision developed in fits and starts from roots in state law to become a residual category into which Congress has tossed a hodgepodge of distinct and at times conflicting paradigms of power across a growing group of organizations engaged in interminable conflict Understanding what this system is where it came from and how political actors and financial market participants engage with it can help organize the growing field of financial regulation Conti Brown and Vanatta also show how the history of bank supervision expands and sometimes challenges prevailing historical conceptions of state power and its many twists and turns through the 19th and

20th centuries which can inform broader discussions about politics law finance and the development of state and administrative capacity in the United States

When God Says Yes Chinedu Nnadi,2025-08-06 In the drought stricken village of Zarephath survival is a daily battle For Mara a widowed mother clinging to the last remnants of hope the future is bleak With only enough flour and oil for one final meal for herself and her young son Eli Mara prepares to face the inevitable until a weary stranger arrives at her door The stranger is Elijah a prophet with a divine message that defies all logic The jar of flour will not be used up and the jug of oil will not run dry Mara s choice seems simple but is weighted with fear can she trust the impossible With a trembling heart she says YES That single word opens the floodgates of the miraculous Provision flows where there was once lack Faith blooms in the parched soil of doubt And when tragedy strikes and her son s breath ceases a desperate cry becomes the doorway to resurrection When God Says Yes is a deeply moving retelling of one widow s encounter with faith obedience and divine intervention Inspired by the biblical story of Elijah and the widow of Zarephath Chinedu Nnadi crafts a powerful tale of trust sacrifice and the relentless mercy of God This is not just a story about provision it s about the courage to believe when everything screams otherwise It s about the YES that births miracles

Jujutsu Kaisen - Season 8: Fractured Resolve Sadistic Gamerz,2025-09-12 The antagonist unleashes their full power forcing Yuji Megumi and Nobara to confront illusions fears and personal doubts Their unity is tested like never before and the outcome of the battle will shape not only their lives but the fate of the world

The Skilled Killer J. R. Runnels, Alex Bryant barely twenty two but standing a towering 6 11 and weighing in at a solid 250 lbs of muscle felt the grit of the unforgiving surface grind against his skin Even the coarse fabric of his training uniform chafed a constant minor irritant adding to the overwhelming pressure On a good day this man could bench press 350 lbs a testament to the raw power coiled within his imposing frame This physical prowess however was merely the foundation upon which a far more lethal weapon was being forged The brutal initiation into the clandestine world of the CIA s black ops program was relentless He possessed a chilling almost clinical detachment during these encounters a strange perverse satisfaction in the intricate dance of death a twisted sense of accomplishment in transforming his body into a finely tuned instrument of destruction a killing machine of unparalleled effectiveness His mission The thought sent a cold shiver down his spine He had trained for this prepared for this yet the reality of it felt surreal a nightmarish distortion of the brutal training that had shaped him It was one thing to hone deadly skills in a controlled environment to practice the art of killing on inanimate targets It was another to apply those skills to a real life target a human being with a life a family a history He was hired to eliminate Sarah Stevens He was not prepared to make her daughter Amanda a orphan and she was not old enough to take care of herself Sarah Steven was supposed to be a liability that the CIA did not need to deal with The name a precise and elegant arrangement of syllables echoed in Alex Bryant s mind a stark counterpoint to the brutal faceless anonymity he had cultivated for so long The agency had honed him into a weapon a ghost in the machine trained to eliminate targets with clinical precision leaving no trace but the faintest

whisper of absence Sarah was a brilliant pharmaceutical executive a woman of unwavering conviction a devoted mother She lived in a comfortable home in a quiet suburban neighborhood the life he had once dreamt of She could unravel intricate webs of data identify hidden patterns and predict outcomes with an accuracy that was both terrifying and exhilarating She d faced down skepticism ridicule and even outright sabotage her resolve unyielding Her courageous refusal to continue her research on The Devil s Breath the drug she herself had accidentally created a hallucinogenic compound of such terrifying potency that its mere existence sent shivers down the spines of even the most hardened government officials had branded her a traitor an enemy of the state The repercussions of her decision were far reaching and the shadows that now pursued her were far more dangerous than any she had encountered in her academic career Alex had a difficult decision ahead of him The choice clawed at him a visceral rip in his gut Follow orders and eliminate the target a cold calculated equation etched into his very being by years of brutal Agency training Or defy them protect the innocent Sarah her laugh a ghost in his memory her eyes the color of a storm wracked sea Amanda her smile a fragile bloom against the encroaching darkness His training screamed one course of action a chilling precise symphony of violence But his conscience a treacherous traitor howled a counterpoint a discordant wail of empathy and moral outrage He saw their lives unfurl in his mind s eye with agonizing clarity He decided to fight the sytem and save Sarah and her daughter no matter the cost The would fight not only the CIA but other organization that wish to silence her forever They traveled the world to find the truth the path to the truth would be deemed a long road They would suffer and their journey filled with perils but they would uncover the truth and they would find justice

Ancient Tahitian Society Douglas L. Oliver,2019-09-30 Tahiti is far famed yet too little known Thus wrote J M Orsmond in 1848 and the same assertion can be made in 1972 Thousands of pages had been published about Tahiti and its neighboring islands when Orsmond uttered his judgment and tens of thousands have been published since that time but a unified comprehensive and detailed description of the pre European ways of life of the inhabitants of those Islands is yet to appear in print The present work lengthy as it is makes no such claim to comprehensiveness rather it is concerned mainly with the social relations of those inhabitants and it serves up only enough about their technology their religion their aesthetic expressions and so forth to place descriptions of their social relations in context and render them more comprehensible Volumes 1 and 2 of this work are a reconstruction of the Islanders way of life as it was believed to have been just before it began to be transformed by European influence a period labeled the Late Indigenous Era Volume 3 covers events in Tahiti and Mo oreia from about 1767 to 1815 a period labeled the Early European Era

Devils Like Us Lincoln James,2024-10-07 The city has a heartbeat and they just stepped into its veins It started with a hijacking When two runaway teens stole Jason Murich s car they dragged him into a high speed chase through the streets of L A But when the roads ran out the only place left to hide was underground Beneath the city lay a world of crumbling tunnels buried secrets and something far more dangerous than police sirens And as the three descended deeper Jason began to realize they weren t just

running from something they were running toward it And the further down they went the harder it became to crawl back up

Stardom in Postwar France John Gaffney, Diana Holmes, 2008-02-01 The 1950s and 1960s were a key moment in the development of postwar France The period was one of rapid change derived from post World War II economic and social modernization yet many traditional characteristics were retained By analyzing the eruption of the new postwar world in the context of a France that was both modern and traditional we can see how these worlds met and interacted and how they set the scene for the turbulent 1960s and 70s The examination of the development of mass culture in post war France undertaken in this volume offers a valuable insight into the shifts that took place By exploring stardom from the domain of cinema and other fields represented here by famous figures such as Brigitte Bardot Johnny Hallyday or Jean Luc Godard and less conventionally treated areas of enquiry politics de Gaulle literary Fran oise Sagan and intellectual culture L vi Strauss the reader is provided with a broad understanding of the mechanisms of popularity and success and their cultural social and political roles The picture that emerges shows that many cultural articulations remained or became identifiably French in spite of the American mass culture origins of these social economic and cultural transformations **Blank Page** Brandon

Rowell, 2025-02-20 Reality has reached its breaking point The absence of the Architects has left a void and in that void something unknowable is growing The blank spaces are no longer empty they are consuming Devouring Writing a new world in the absence of order And Chase is the last remnant of the old script the only one who remembers a time before the chaos As they search for a way to stop the unraveling Chase must make the final choice seize control and write the last chapter of existence or let the page remain black open to whatever comes next But if they hesitate too long there may be no reality left to save The final battle is not for survival it is for authorship itself And in the end the only question that matters is who gets to write the last word *Financier's Ruin* Jonathan Graves, 2025-02-07 In the neon drenched shadows of the colossal city that never truly slept global finance cloaked its deepest intrigues in layers of deception and disaster Meet Orion Wynn a meticulous risk analyst with an uncanny ability to decipher the silence between data points When he stumbles upon subtle yet alarming inconsistencies in high stakes green bond transactions he becomes an unwitting target in a labyrinth of betrayal that stretches beyond the sterile vaults of investment banks Orion s astute gaze reveals that these supposedly eco friendly financial instruments are fronts for hazardous geoengineering experiments orchestrated by a shadowy syndicate manipulating the Earth s climate for clandestine gain As his world of pristine spreadsheets and balanced ledgers unravels Orion is pulled into a turbulent confluence of intrigue danger and relentless pursuit of truth Guided by both data and tenacity Orion s investigation intersects with Paloma Vance a renegade investigator known for her intrepid quest for justice Driven by personal vendettas and fueled by her unquenchable desire for truth Paloma has carved a relentless path fueled by betrayal and loss Their initial mistrust quickly evolves into a grudging respect igniting a dynamic partnership pivotal to exposing the syndicate s hidden heart Together they navigate a digital maze cracking cryptic messages and deciphering encrypted

transactions that reveal the syndicate's twisted experiments with both financial instruments and environmental fates. With every digital whisper and hidden message Orion and Paloma inch closer to the syndicate's core. But as global tensions rise and climatic anomalies escalate the stakes are nothing short of catastrophic. *Financier's Ruin: The Nexus of Deception and Disaster* is an electrifying blend of high stakes financial intrigue, unyielding human resilience, and the quest for ethical integrity. It unravels a global conspiracy inching towards an apocalyptic climax where a nexus of deception threatens not only financial systems but the very fabric of our shared world. In a story that traverses subterranean halls, abandoned data centers, and the pulsating heart of a beleaguered city, trust is currency and truth the greatest weapon. This pulse-pounding tale challenges readers to explore the depths of human potential for both ruin and redemption against the seductive pull of power unchecked. Join Orion Wynn and Paloma Vance in their fight against a dystopian future where the battle for truth demands courage, collaboration, and an unyielding commitment to a better world. *Evelyn Schlag* Beverley D. Eddy, 2004. This is the first scholarly volume devoted to the works of the prolific Austrian poet and prose artist Evelyn Schlag. European and American scholars provide an overview of Schlag's themes as well as detailed analyses of individual works. The essayists present a variety of approaches from feminist readings to analyses of Schlag's eroticized language and poetic networking, making the book a rich resource for students and scholars alike. Additional resources include a new interview with Evelyn Schlag and a comprehensive bibliography. ENKI, Lord of the Abzu Riddick Dawson, 2025-10-03. In the shadowed marshes of ancient Sumer, where the Tigris and Euphrates gave birth to the world's first great civilizations, one god stood apart: neither conqueror nor tyrant, but the quiet architect of order. This is the story of Enki, lord of the Abzu, whose wisdom flowed like rivers through the cradle of Mesopotamia. Enki, Lord of the Abzu, plunges readers deep into the mythic waters of creation, exploring how Enki's cunning, his sacred decrees, and his trickster-sage persona shaped the destiny of gods and mortals alike. From the primordial sea of Nammu to the whispered secrets of the me, from the cosmic balance of heaven and earth to Inanna's daring theft of civilization's powers, this volume traces the currents of wisdom that sustained the Sumerian imagination. Unlike the violent storm gods and warrior kings of later traditions, Enki embodies a different kind of creation: one born of balance, cleverness, and renewal. Drawing on ancient hymns, temple texts, and comparative mythology, this work reveals Enki as more than a figure of antiquity. He is the living archetype of the hidden architect, the divine engineer, lawgiver, and mediator who dwells in chaos not to destroy it, but to transform it. Rich in narrative and scholarship, Book 4 continues the Ishmael series' epic journey through the forgotten theologies of Mesopotamia, offering readers a profound exploration of the god whose waters and wisdom still ripple through the myths of the world. *Italian Fascism* Alexander J. De Grand, 2000-01-01. For the third edition, De Grand has substantially revised the discussion of culture and ideology, the conclusion, and the bibliography. **BOOK JACKET** Orbitfall Roly Buckly, When the orbital station Haven 6 suffers catastrophic failure, fragments of its core rain down onto the surface of a long-abandoned Earth. Among the wreckage lies

something humanity thought it had left behind forever technology powerful enough to rewrite the fate of the species Commander Kaelen Vey one of the few survivors of the station's collapse crash lands in the ruins of old New York Hunted by scavenger clans and rogue AI war machines Kaelen must fight to protect the relic of Haven 6 even as whispers spread that the disaster was no accident Across the stars factions prepare for war On the ground survival comes down to a choice rebuild from the ashes or surrender to the chaos And as Kaelen discovers the truth about what really caused the Orbitfall it becomes clear that humanity's future won't be decided in the skies but in the dust of the world it left behind Epic relentless and full of twists Orbitfall is a pulse pounding vision of survival betrayal and the cost of starting over **Making Political Choices**

Harold D. Clarke, Allan Kornberg, Thomas J. Scotto, 2009-01-01 A timely and important contribution to voting literature Both Canadians and Americans will develop a better understanding of their neighbours elections but will also gain many new insights into the politics of their own country Larry LeDuc University of Toronto **Translations of Political and**

Sociological Information on North Vietnam, 1966 **The Hollowing - Blood and Ashes** Grayson Storm, 2025-02-12

They thought they buried their past It came back hunting In the ruins of Project Chimera a government lab that turned orphans into living weapons six mutants reunite to destroy the records of their tortured childhoods But the facility isn't abandoned A hulking gas masked killer called The Hollow stalks its halls a monstrous experiment they left to die years ago Now armed with powers stolen from their fallen friends and a hunger for vengeance he's picking them off one by one Axiom their telepathic leader can predict every move his enemies make except The Hollow's Vesper a shadow wielding rogue fights her terror of confinement to buy the team time Ember haunted by the fire that killed her family races to reignite her fading power before dehydration claims her But as bodies pile up and secrets unravel they realize their greatest enemy is the truth they created The Hollow Trapped in the claustrophobic labyrinth of their childhood prison the survivors face a brutal choice sacrifice themselves to stop the unkillable monster they unleashed or let his wrath spill into the world But even victory comes at a cost When dawn breaks one hero's dark transformation begins and The Hollow's charred corpse rises again Perfect for fans of The Boys and A Quiet Place this relentless blend of superhero action and body horror suspense pits flawed desperate heroes against a villain who can't be outrun outsmarted or killed The facility's walls hold more than secrets and not everyone will escape alive Praise for The Hollowing Blood and Ashes A claustrophobic nightmare where every power has a price and survival feels as horrifying as death The Hollow is Jason Voorhees meets the Xenomorph terrifying iconic and utterly unstoppable Gory twisty and emotionally brutal You'll root for these mutants even as you dread their next move Content warnings Graphic violence body horror themes of trauma and guilt **Dirty Books** Chinedu Nnadi, 2025-08-06 Lucas Mercer thought he was just balancing books Until the books started bleeding A quiet numbers driven accountant buried under student debt and corporate monotony Lucas never imagined his big break would come in the form of a mysterious stranger in a bar Rafael charming dangerous and dressed like trouble offers him the kind of deal most men only fantasize

about triple the salary zero bureaucracy and access to a world of untold wealth The catch He ll be laundering millions for the Mendoza Cartel At first it s just numbers shell companies offshore accounts and financial sleight of hand But soon Lucas finds himself deeper than he ever intended The money flows like water and so does the blood As he rises through the cartel s ranks his life transforms into one of luxury privilege and paranoia When the cartel asks for more than numbers Lucas hesitates They don t want just a money man anymore they want a fixer A cleaner A killer Caught between a ruthless kingpin a relentless DEA agent and his own unraveling conscience Lucas makes one fatal mistake he tries to disappear But the cartel doesn t let its accountants go From the shimmering skylines of Miami to the humid shadows of Central America Dirty Books is a taut unflinching thriller about greed loyalty and how far a man will fall when the numbers stop adding up In the end everyone s accountable Some debts just can t be erased

The Public Insult Playbook Ruth Colker, 2021-10-26 When they go low we learn an examination of mudslinging in contemporary American politics and how the left can find its footing to achieve structural reform in this mess The rules of the public discourse game have changed and The Public Insult Playbook argues that the political left needs to account for the power of vitriol in crafting their theories for social and political change With this book noted constitutional law expert and disability rights advocate Ruth Colker offers insights into how public insults have come to infect contemporary public discourse a technique not invented by but certainly refined by Donald Trump and importantly highlights lessons learned and tools for fighting back Public insults act as a headwind and dead weight to structural reform By showcasing the power of insults across a number of civil rights battlegrounds The Public Insult Playbook uncovers the structural nature of personal attacks and offers a blueprint for a legal and political strategy that anticipates the profound but poorly understood damage they can inflict to whole movements Illustrating how completely the tactic has been adopted and embraced by the American right wing the book catalogues how public insults have been used against people with disabilities immigrants people seeking abortions individuals who are sexually harassed members of the LGBTQ community and of course Black Americans These examples demonstrate both the pervasiveness of the deployment of insults by the political right and the ways in which the left has been caught flat footed by this tactic She then uses the Black Lives Matter movement as a case study to consider how to effectively counter these insults and maintain an emphasis on structural reform
