The King of Cards Robert Ward, 2011-08-23 Ward once again explores the alchemy of stubborn yearnings and unrealized dreams amidst the well tended rowhouses of his native city There s a mounting fury in Tommy Fallon s heart in the fall of 1965 He s finally found his life s calling thanks to the inspiration of Professor Extraordinaire Sylvester Spaulding Young Tom wants to be lifted on the wings of genius to ascend to a clean well lighted place where cultured people talk about deep things But how can this college boy learn anything about life or art while living in his family s house of pain Pop Fallon s youthful dreams of becoming a painter were dashed by the Depression and his own internal demons he rarely comes out of the inner sanctum of His Holy Toilet where he s long been lost to the rituals of obsessive compulsive behavior Mom Fallon beaten down by the vast resentment her husband harbors against her and all the other Baltimorons is so starved for love that she enters the Miss Kissable Lips contest at the local radio station Tom realizes he needs a refuge a quiet modest room of his own There he won t have to see the defeat in his parents eyes There he ll follow Dr Spaulding s lead by living inside the books that seem to be keeping his spirit alive The King of Cards is the story of how Tom is saved from becoming a myopic dispassionate snob when he answers an ad for off campus housing In the remarkable person of Jeremy Raines World Class Confidence Man with a Streak of Idealism and Pied Piper to a ragtag band of followers Tom finds a sense of adventure that is positively euphoric

Disorienting Fiction James Buzard, 2009-01-10 This book gives an ambitious revisionist account of the nineteenth century British novel and its role in the complex historical process that ultimately gave rise to modern anthropology s concept of culture and its accredited researcher the Participant Observer Buzard reads the great nineteenth century novels of Charles Dickens Charlotte Bront George Eliot and others as metropolitan autoethnographies that began to exercise and test the ethnographic imagination decades in advance of formal modern ethnography and that did so while focusing on Western European rather than on distant Oriental subjects Disorienting Fiction shows how English Victorian novels appropriated and anglicized an autoethnographic mode of fiction developed early in the nineteenth century by the Irish

authors of the National Tale and most influentially by Walter Scott Buzard demonstrates that whereas the fiction of these non English British subjects devoted itself to describing and defending but also inventing the cultural autonomy of peripheral regions the English novels that followed them worked to imagine limited and mappable versions of English or British culture in reaction against the potential evacuation of cultural distinctiveness threatened by Britain's own commercial and imperial expansion These latter novels attempted to forestall the self incurred liabilities of a nation whose unprecedented reach and power tempted it to universalize and export its own customs to treat them as simply equivalent to a globally applicable civilization For many Victorian novelists a nation facing the prospect of being able to go and to exercise its influence just about anywhere in the world also faced the danger of turning itself into a cultural nowhere The complex autoethnographic work of nineteenth century British novels was thus a labor to disorient or de globalize British national imaginings and novelists mobilized and freighted with new significance some basic elements of prose narrative in their efforts to write British culture into being Sure to provoke debate this book offers a commanding reassessment of a major moment in the history of British literature
