Stories, Not Texts C S Song, 2012-08-30 According to Song the Christian faith is deeply rooted in storytelling stories are the most basic mode of human communication and in the same idea the Christian Bible is fundamentally a story Though Song regrets the fact that Christians and above all Christian theologians so often fail to express their faith in term of stories Christian theology is most often expressed in terms of concepts ideas and systems Following the conviction that this is the most appropriate way to express our faith the proposal of this book is to speak of Christian faith and theology through stories rather than systems and texts **Gloria Gray, Love Pirate** Pearl Doles Bell, 1914
