Framed Americas Art Dealer To The Stars Tells All:

Framed Tod Volpe, 2003 This shocking blow by blow account chronicles the rise and fall of international art dealer Tod Volpe who at the height of his success had a clientele that included such stars as Andy Warhol Barbra Streisand Bruce Willis and Jack Nicholson He is known as the man behind the Mission arts and crafts craze of the 1970s Volpe details how his life spiraled out of control in the 1990s and erupted in the scandalous fraud accusations that earned him two years in federal prison This revelation into the shadowy world of art dealing exposes how high culture and civility conceal boardroom swindling illegal pricefixing and money laundering Five Easy Decades Dennis McDougal, 2008 Praise for Five Easy Decades How Jack Nicholson Became the Biggest Movie Star in Modern Times Dennis McDougal is a rare Hollywood reporter honest fearless nobody's fool This is unvarnished Jack for Jack lovers and Jack skeptics but also for anyone interested in the state of American culture and celebrity I always read Mr McDougal for pointers but worry that he will end up in a tin drum off the coast of New Jersey Patrick McGilligan author of Jack's Life and Alfred Hitchcock A Life in Darkness and Light Praise for Privileged Son Otis Chandler and the Rise and Fall of the L A Times Dynasty A great freeway pileup part biography part dysfunctional family chronicle and part institutional and urban history with generous dollops of scandal and gossip Hendrick Hertzberg The New Yorker McDougal has managed to scale the high walls that have long protected the Chandler clan and returned with wicked tales told by angry ex wives and jealous siblings The Washington Post Praise for The Last Mogul Lew Wasserman MCA and the Hidden History of Hollywood Real glamour needs a dark side That is part of the fascination of Dennis McDougal's wonderful book The Economist Thoroughly reported and engrossing the most noteworthy trait of MCA was how it hid its power The New York Times Book Review Over the years I've read hundreds of books on Hollywood and the movie business and this one is right at the top Michael Blowen The Boston Globe **Data Journeys in the Sciences** Sabina Leonelli, Niccolò Tempini, 2020-06-29 This groundbreaking open access volume analyses and compares data practices across several fields through the analysis of specific cases of data journeys It brings together leading scholars in the philosophy history and social studies of science to achieve two goals tracking the travel of data across different spaces times and domains of research practice and documenting how such journeys affect the use of data as evidence and the knowledge being produced The volume captures the opportunities challenges and concerns involved in making data move from the sites in which they are originally produced to sites where they can be integrated with other data analysed and re used for a variety of purposes The in depth study of data journeys provides the necessary ground to examine disciplinary geographical and historical differences and similarities in data management processing and interpretation thus identifying the key conditions of possibility for the widespread data sharing associated with Big and Open Data The chapters are ordered in sections that broadly correspond to different stages of the journeys of data from their generation to the legitimisation of their use for specific purposes Additionally the preface to the volume provides a variety of alternative roadmaps aimed to

serve the different interests and entry points of readers and the introduction provides a substantive overview of what data journeys can teach about the methods and epistemology of research Wicked Intelligence Matthew C. Hunter,2013-10-15

In late seventeenth century London the most provocative images were produced not by artists but by scientists Magnified fly eyes drawn with the aid of microscopes apparitions cast on laboratory walls by projection machines cut paper figures revealing the exact proportions of sea monsters all were created by members of the Royal Society of London the leading institutional platform of the early Scientific Revolution Wicked Intelligence reveals that these natural philosophers shaped Restoration London s emergent artistic cultures by forging collaborations with court painters penning art theory and designing triumphs of baroque architecture such as St Paul s Cathedral Matthew C Hunter brings to life this archive of experimental philosophical visualization and the deft cunning that was required to manage such difficult research Offering an innovative approach to the scientific image making of the time he demonstrates how the Restoration project of synthesizing experimental images into scientific knowledge as practiced by Royal Society leaders Robert Hooke and Christopher Wren might be called wicked intelligence Hunter uses episodes involving specific visual practices for instance concocting a lethal amalgam of wax steel and sulfuric acid to produce an active model of a comet to explore how Hooke Wren and their colleagues devised representational modes that aided their experiments Ultimately Hunter argues the craft and craftiness of experimental visual practice both promoted and menaced the artistic traditions on which they drew turning the Royal Society projects into objects of suspicion in Enlightenment England The first book to use the physical evidence of Royal Society experiments to produce forensic evaluations of how scientific knowledge was generated Wicked Intelligence rethinks the parameters of visual art experimental philosophy and architecture at the cusp of Britain s imperial power and artistic efflorescence **How to Survive and Prosper as an Artist** Caroll Michels,2009-06-09 The classic handbook for launching and sustaining a career that explodes the romantic notion of the starving artist The New York Times with a brand new chapter on Internet art marketing Now in its sixth edition How to Survive and Prosper as an Artist is the definitive guide to taking control of your career and making a good living in the art world Drawing on nearly three decades of experience Caroll Michels offers a wealth of insider s information on getting into a gallery being your own PR agent and negotiating prices as well as innovative marketing exhibition and sales opportunities for various artistic disciplines She has also added a new section on digital printmaking and marketing in this emerging field Most notably this sixth edition contains an entirely new chapter Art Marketing on the Internet Michels offers criteria for selecting an ideal Web designer for your online portfolio and for organizing your Web presence and shares proven methods for attracting curators dealers and private clients to your site She also addresses vital legal concerns in the age of e commerce including copyrighting and registering your art and finally the appendix of resources consistently updated online at Michels s site the Artist Help Network is fully revised **Edith Halpert, the Downtown Gallery, and the Rise of American Art** Rebecca Shaykin,2019-10-11 This book presents the

fascinating untold story of art world tastemaker Edith Halpert who sold promoted and effectively defined American art in the 20th century
