Immigration, 'race' and Ethnicity in Contemporary France Alec G. Hargreaves,1995 Immigration is one of the most significant and pressing issues in contemporary France This is the first comprehensive survey to be published in English covering developments in this field during the last twenty years **The Oxford Handbook of French Politics** Robert Elgie,Emiliano Grossman,Amy Mazur,2016 The Oxford Handbook of French Politics provides a comprehensive and comparative overview of the French political system through the lens of political science The Handbook is organized into three parts the first part identifies foundational concepts for the French case including chapters on republicanism and social welfare the second part focuses on thematic large scale processes such identity governance and globalization while the third part examines a wide range of issues relating to substantive politics and policy among which are chapters on political representation political culture social movements economic policy gender policy and defense and security policy The volume brings together established and emerging scholars and seeks to examine the French political system from a comparative perspective The contributors provide a state of the art review both of the comparative scholarly literature and the study of the French case making The Oxford Handbook of French Politics an invaluable resource for anyone interested in the foundations of contemporary political life in France **Pioneers of Light and Sound** Connie Jankowski,2009 Chronicles the lives and work of various individuals who have created such important things as telescopes microscopes cameras lasers and MP3 players **Racial Diversity in Contemporary France** Marie des Neiges Léonard,2024-03-12 This book offers a unique perspective on contemporary France by focusing on racial diversity race and racism as central features of French society and identity Marie des Neiges Léonard critically reviews contentious public policies and significant issues including reactions to the terrorist attack against satirical magazine Charlie Hebdo and policies regarding the Islamic veil revealing how color blind racism plays a role in the persistence of racial inequality for French racial minorities Drawing from American sociological frameworks this outstanding study presents a new way of thinking in the study of racial identity politics in today's France *Can Islam Be French?* John R. Bowen,2011-11-06 Bowen asks not the usual question how well are Muslims integrating in France but rather how do French Muslims think about Islam In particular Bowen examines how French Muslims are fashioning new Islamic institutions and developing new ways of reasoning and teaching He looks at some of the quite distinct ways in which mosques have connected with broader social and political forces how Islamic educational entrepreneurs have fashioned niches for new forms of schooling and how major Islamic public actors have set out a specifically French approach to religious norms from publisher description **Studies** ,1920 An Irish quarterly review **Studies and Reports** ,1928 *Unnaturally French* Peter Sahlins,2004 The making of the absolute citizen The letter of

naturalization in the old regime The use and abuse of naturalization Status and socioprofessional identities Geographic origins and residence Temporal patterns of naturalization From law to politics before the French Revolution Naturalization and the Droit d Aubaine from the French Revolution to the Bourbon Restoration Ending the old regime in 1819 **Ethnicity and Education in England and Europe** Ian Law, Sarah Swann, 2016-05-23 Ethnicity and Education in England and Europe examines where when and how minority ethnic groups miss out on educational opportunities Through a combination of comparative quantitative and qualitative methodologies and the showcasing of new research it provides a fresh approach to examining the long standing debates over ethnicity and in particular ethnic differences in educational achievement Drawing on extensive empirical research in England as well as information gathered as part of a major international programme of research under the auspices of the European Union EDUMIGROM this book both synthesises the findings of the English team and puts these findings in context through comparison with the analytical material generated in a range of other European countries With a key focus on the educational experiences and outcomes of the Roma in Central and Eastern Europe as compared with the experiences of minority ethnic groups in Western Europe this volume provides a contemporary assessment of ethnic relations across a selected range of European countries Presenting comparative cross national analyses of ethnic inequalities and policy interventions Ethnicity and Education in England and Europe makes a significant contribution to debates in the fields of migration ethnicity and education and will be of interest to both scholars and policy makers concerned with questions of race and educational outcome The Oxford Handbook of Ethnicity, Crime, and Immigration Sandra M. Bucerius, Michael H. Tonry, 2014 This title provides comprehensive analyses of current knowledge about the unwarranted disparities in dealings with the criminal justice system faced by some disadvantaged minority groups in all developed countries Statelessness in the European Union Caroline Sawyer, Brad K. Blitz, 2011-02-10 Statelessness in the European Union draws together original research from over one hundred interviews in Estonia France Slovenia and the United Kingdom to provide one of the first comparative accounts of the de facto or de jure stateless populations in the European Union It blends legal political and empirical research to examine how non citizens without secure status in some cases established undocumented migrants and their descendants manage their lives in four European Union member states Normative and legal analyses of the practical meaning of basic human rights are combined with a groundbreaking investigation of the obstacles that prevent people from accessing essential services Contrasting the situation of Europe s stateless now with that examined by Arendt over fifty years ago it considers proposals for the future security of Europe s stateless people *Representing ethnicity in contemporary French visual culture* Joseph McGonagle, 2017-01-03 The issue of ethnicity in France and how ethnicities are represented there visually remain one of the most important and polemical aspects of French post colonial politics and society Troubling visions is the first book to analyse how a range of different ethnicities have been represented across contemporary French visual culture Via a wide series of case studies ranging from

the worldwide hit film *Amélie* to France's popular TV series *Plus belle la vie* it explores how ethnicities have been represented in contemporary France across a wide variety of different media. Its innovative interdisciplinary approach and novel subject matter will complement university courses that focus on contemporary French society and visual culture. It will interest those researching and studying French and European film and photography, ethnicity in post-colonial France and visual culture generally.
