Hunt, 2007-12-10 A mysterious melancholic brooding Hamlet has gripped and fascinated four hundred years of readers trying to find and know him as he searches for and avenges his father's name Setting itself apart from the usual discussions about Hamlet Hunt here demonstrates that Hamlet is much more than we take him to be Much more than the sum of his parts more than just tragic sexy youth and more than just vain cruelty Hamlet is a reflection of our own aspirations and neuroses Looking for Hamlet investigates our many searches for Hamlet from their origins in Danish mythology through the complex problems of early printed texts through the centuries of shifting interpretations of the young prince to our own time when Hamlet is more compelling and perplexing than ever before Hunt presents Hamlet as a sort of missing person the idealized being inside oneself This search for the missing Hamlet Hunt argues reveals a present absence readers pursue as a means of finding and identifying ourselves **Hamlet** Arthur F. Hamlet William Shakespeare, 2018-01-10 William Shakespeare's Hamlet follows the young prince Hamlet home to Denmark to attend his father's funeral. Hamlet is shocked to find his mother already remarried to his Uncle Claudius, the dead king's brother. And Hamlet is even more surprised when his father's ghost appears and declares that he was murdered. Exact dates are unknown but scholars agree that Shakespeare published Hamlet between 1601 and 1603. Many believe that Hamlet is the best of Shakespeare's work and the perfect play. The Complete Hamlet Donald J. Richardson, 2012-02-21 As an instructor of English 102 First Year Composition for more than eighty-six times I have read and taught Hamlet repeatedly. I have come to know the play extensively and as a result when we read the play aloud in class I have to stop the students repeatedly to explain various arcane references that are not explained in any single version of the play. For several years I have threatened to do my own complete version of Hamlet finally I have. The result is *The Complete Hamlet: An Annotated Edition of the Shakespeare Play*. It has taken me years of study and application. My hope is that the play will thus be more
