The Workes of ... William Perkins. The First Volume: Newly Corrected According to His Owne Copies, Etc William PERKINS (Fellow of Christ's College, Cambridge.),1635 The Greatest Magician's Ultimate Quest: I Woke from a 300 Year Slumber to a World of Disappointment Volume 2 Matsue Fukuyama,2023-11-10 With Arkus in his grasp Kai Lekius wastes no time in setting out on his next conquest Runalog Province a religious territory that stands between him and the imperial capital His new army the Army of the Night a force of fearsome golems and five thousand men proves unequaled but the citizens of Runalog would rather take their own lives than surrender to the likes of a vampire After learning this the hard way Kai and his army are forced to a halt and must redirect their efforts into capturing the people s hearts But once Kai sets his sights on winning over Runalog s revered Azure Maiden how will he fare when a divine knight and an imperial assassin stand in his way Science and Technology in World History, Volume 2 David Deming,2014-01-10 Science is a living organic activity the meaning and understanding of which have evolved incrementally over human history This book the second in a roughly chronological series explores the evolution of science from the advents of Christianity and Islam through the Middle Ages focusing especially on the historical relationship between science and religion Specific topics include technological innovations during the Middle Ages Islamic science the Crusades Gothic cathedrals and the founding of Western universities Close attention is given to such figures as Paul the Apostle Hippolytus Lactantius Cyril of Alexandria Hypatia Cosmas Indicopleustes and the Prophet Mohammed Yahweh's Breath Bible, Volume 2 Jerry Ayers,2010-05 Yahweh s Breath is a unique Bible In original Hebrew language it would be Yahweh s Nshamah meaning Yahweh s puff or breath of divine inspiration It was written in the Literal form of the original languages of Hebrew and Greek and then matched with the New Strong s Exhaustive Concordance of the Bible a thorough verbal index to the Holy Scriptures It s one of a kind format puts the Sacred Name of our Father Creator back into the text where it had been removed nearly 6 000 times by the scribes and

translators throughout history An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name Also the meanings of some of the names follows the pronunciation Using the wording from the Strong's Exhaustive Concordance of the Bible gives His Word a detailed come to life picture in your mind At times you can see the glistening green grass or smell the fragrant smoke of spices If you listen carefully you can hear the vibrating trumpet ram's horns or taste the sticky gummy syrup of honey You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah Another feature of this version of His Word the Bible is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form Above all this version makes reading and understanding His love letter to us about His Son easy and enjoyable
