## **Handbook For Christian Living:**

**Charles Stanley's Handbook for Christian Living** Charles F. Stanley, 2008-10-14 A friendly easy to use discipleship guidebook for every believer Since life is a journey feel free to stop and ask for directions Previously released as the bestselling *The Glorious Journey* this practical volume by Dr Charles Stanley shows readers how to put God's Word to work in their daily lives As believers our desire is to follow the Lord more closely and to utilize His Word for maximum impact in our lives Occasionally however we find ourselves not even knowing the questions to ask or the best way to approach Scripture in search of answers In this collection he speaks with authority on such issues as the real purpose of baptism how to treat others at work a proper view of those in government how grace saves us and how worry robs us what freedom really is He also shares biblical insight into relationships children parenting loneliness sexual pressures as well as strategies for personal growth From the thorny issues of daily life to a framework for the end times and everything in between Charles F Stanley's Handbook for Christian brings Scripture to life makes sense of the hard questions and enhances your understanding of the way life was meant to be lived

**Charles Stanley's Handbook for Christian Living** Charles F. Stanley, 2001-01-01 Now released under a new title this practical guide to Christian living uses accents pithy bible quotes with beautiful graphics and inspiring commentary from the author Original [The Consistent Christian](#) William Secker, 2015-07-13 If you love those who love you what reward will you get Are not even the tax collectors doing that And if you greet only your brothers what are you doing more than others Do not even pagans do that Matthew 5 46 47 Cogent and packed with a wealth of brilliant seed thoughts William Secker's *The Consistent Christian A Handbook for Christian Living* imparts gems of condensed and enlightening thought Clearly and pointedly loaded with comparisons and contrasts and spiced with analogies this is a wonderful handbook on practical godliness An excellent aid to help you live a holy life wholly for Christ You will be humbled and sanctified Originally published in 1660 *The Consistent Christian* is both a rare find and an inspiring treasure In a mountain the law was propounded to Moses and in a mountain the law was expounded by Jesus the former to a man of God the latter by the Son of God the one to a prophet of the Lord the other by the Lord of the prophets As the works of Christ were miraculous so the words of Christ were mysterious they were such a depth which none could sound but those whom God had furnished with the plummet of an enlightened understanding Before any one can peruse the Scriptures to profit the Lamb of God must open the seven seals In this chapter the soul justifying Savior condemns the self justifying Scribes and Pharisees Never did men make more boast in the law but never had men less cause They knew but little as to the letter but less of its spirit They were better acquainted with the customs of nature than the canons of Scripture Alas how shall the blind see when the seers are blind They who should have put the eyes of others in had put their own out The righteous laws of God cannot connive at the unrighteous lives of men they not only require truth without but within also The rays of this sun enter the most secret chambers of the heart therefore he who lusts after and he who lies with a woman are both adulterers He is a

murderer whose heart is full of hatred though his hands are free from violence Thus the lusts of men may be predominant when the lives of men are not inordinate as guests may be in the house when they look not out of the windows He who begins religion where it should end will end religion where it should be begun My subject treats not of oratory but divinity and my design in it is rather to express affections than to affect expressions Though the sweetness of the sauce may yield pleasure to the palate yet it is only the soundness of the meat which can administer nourishment to the blood
