Handbook of Educational Leadership and Administration Kenneth A. Leithwood, P. Hallinger, 2012-12-06 The first International Handbook of Educational Leadership and Administration Leithwood et al was published in 1996 and quickly became something of a best seller for reference works within education Such success we suggest was at least partly due to the unprecedented global waves of concern for improving schools launched in the mid 1980 s combined with a widespread belief in leadership as the single most powerful contribution to such improvement The roots of this belief can be found in evidence produced by the early effective schools research although there is a romance with leadership as an explanation for success in many non school enterprises as well During the two year period during which this current handbook was being written activity in the realms of school leadership school improvement and leadership development gained further momentum The English government created its new National College of School Leadership and several Asian nations announced new initiatives in leadership selection preparation and development Teaching and the Law Gilliat, Jacqui, 2013-05-13

The increased accountability of teachers has meant that actions on negligence are a reality This is a comprehensive guide to all aspects of the law for teachers covering everything from the employment relationship to lesson content and discipline International Handbook of Catholic Education Gerald Grace, Joseph, SJ O'Keefe, 2007-12-07

Knowledge of Catholic educational scholarship and research has been largely confined to specific national settings Now is the time to bring together this scholarship This is the first international handbook on Catholic educational scholarship and research The unifying theme of the Handbook is Catholic Education challenges and responses in a number of international settings In addition to analyzing the largest faith based educational system worldwide the book also critically examines contemporary issues such as church state relations and the impact of secularization and globalization The Neurodiversity

Handbook for Teaching Assistants and Learning Support Assistants Sarah Alix, 2023-12-01 This highly practical book supports the knowledge and development of teaching assistants and learning support assistants TAs LSAs in their understanding of neurodivergent pupils Considering a neurodivergent world is vital in society today and even more so in the classroom Starting with a model of difference rather than deficit and highlighting the complexities involved this accessible resource focuses on effective strategies to support these pupils and explores the vital role of learning support in a range of
