*Handbook for Teaching Armenian-speaking Students* Folsom Cordova Unified School District (Calif.). Southeast Asia Community Resource Center, 1995      *A Handbook for Teaching Korean-speaking Students* California. Office of Bilingual Bicultural Education, 1983 A handbook designed to facilitate effective instruction of Korean immigrant students in California has five parts The first gives an overview of the language group outlining their socioeconomic experience in California and the United States reasons for immigrating the Korean educational system and attitudes toward schooling and involvement with the schools The second section describes historical and sociocultural factors concerning the Korean language in both Korea and California including the literacy rate and attitudes attitudes toward certain language skills training in and use of English in Korea and within the Korean community in California community efforts to develop children s language skills and use of Korean in the California Korean community The third section discusses Korean linguistic characteristics such as its history the distribution of dialects phonology grammar morphology characteristics of the writing system and cultural patterns reflected in language use Section 4 recommends instructional and curricular strategies for Korean and English language development concerning cognitive factors in primary and secondary language development readiness skills for formal language instruction transfer of skills and development of additive bilingualism A final section list references readings district Korean enrollments Korean holidays and special events and organizational community and other instructional resources MSE      *Handbook of Teaching and Learning Persian as a Second Language* Hooman Saeli, 2025-09-26 This collection explores relevant pedagogical and sociolinguistic topics in the teaching and learning of Persian as a foreign and second language Owing to the dearth of research in many areas pertaining to the teaching and learning of Persian this handbook provides empirically supported insights into various aspects of these areas While the literature on teaching and learning Persian is growing the field lacks a cohesive collection on Persian as a foreign second language The book addresses issues pertaining to the standardization and validation of teaching and assessment methods which remain under explored in the contexts of teaching and learning Persian It also covers the teaching of Persian pragmatics the use of corpora as well as a range of different areas within linguistics including phonetics prosody and historical linguistics This comprehensive collection contributes substantially to the scientific study of many aspects of teaching and learning Persian which have been neglected for decades A must have text in Persian language pedagogy and Persian sociolinguistics it an essential book for those in teaching and learning in Persian language programs worldwide      [The Routledge Handbook of Heritage Language Education](#) Olga E. Kagan, Maria M. Carreira, Claire Hitchens Chik, 2017-03-03 The Routledge Handbook of Heritage Language Education provides the rapidly growing and globalizing field of heritage language HL education with a cohesive overview of HL programs and practices relating to language maintenance and development setting the stage for future work in the field Driving this effort is the belief that if research and pedagogical advances in the HL field are to have the greatest impact HL

programs need to become firmly rooted in educational systems Against a background of cultural and linguistic diversity that characterizes the twenty first century the volume outlines key issues in the design and implementation of HL programs across a range of educational sectors institutional settings sociolinguistic conditions and geographical locations specifically North and Latin America Europe Israel Australia New Zealand Japan and Cambodia All levels of schooling are included as the teaching of the following languages are discussed Albanian Arabic Armenian Eastern and Western Bengali Brazilian Portuguese Chinese Czech French Hindi Urdu Japanese Khmer Korean Pasifika languages Persian Russian Spanish Turkish Vietnamese and Yiddish These discussions contribute to the development and establishment of HL instructional paradigms through the experiences of actors on the ground as they respond to local conditions instantiate current research and pedagogical findings and seek solutions that are workable from an organizational standpoint The Routledge Handbook of Heritage Language Education is an ideal resource for researchers and graduate students interested in heritage language education at home or abroad
