

Are you skeptical about whether you really need religious faith in your life? Do you have a nagging feeling in your heart that you need something more: more connectedness, more community, and/or more purpose?

Fr. Michael White and Tom Corcoran—authors of the bestselling book on parish renewal, *Rebuilt*—want you to know that the answer to these longings can only be found in Jesus and his Church.

Rebuilt Faith includes forty brief, daily exercises to learn about (or relearn) the Catholic faith and, more importantly, deepen your relationship with God. With the help of daily scripture readings, reflection questions, prayers to rebuild your faith, and a verse to remember, you will be able to see God not as an abstract idea but as a deeply loved partner who provides a far greater sense of purpose for living than you've ever had before.

"This book offers fresh insights into how to live your faith."

*From the foreword by Bishop Adam J. Parker
Vicar General of the Archdiocese of Baltimore*

"*Rebuilt Faith* is a must-read for anyone looking to jumpstart their faith. The forty daily exercises are easy to follow and can transform your life. I highly recommend this new book, and can't wait to share it with the people in our parish!"

*Rev. Gerald Souza
Pastor of Ascension Parish
Sudbury, Massachusetts*

"These two good shepherds have written a timely, practical, wise, and humorous book that is sure to help not only skeptics but anyone searching to know the critical questions and the first steps in becoming a disciple of Jesus."

Handbook of Faith and Spirituality in the Workplace Judi Neal, 2012-12-09 While the field of management has developed as a research discipline over the last century until the early 1990s there was essentially no acknowledgement that the human spirit plays an important role in the workplace Over the past twenty years the tide has begun to turn as evidenced by the growing number of courses in academia and in corporate training and an exponential increase in the publications emerging through creative interaction of scholars and practitioners in organizational behaviour workplace diversity sustainability innovation corporate governance leadership and corporate wellness as well as contributions by psychotherapists theologians anthropologists educators philosophers and artists This Handbook is the most comprehensive collection to date of essays by the preeminent researchers and practitioners in faith and spirituality in the workplace featuring not only the most current research and case examples but visions of what will be or should be emerging over the horizon It includes essays by the people who helped to pioneer the field as well as essays by up and coming young scholars Among the questions and issues addressed What does it mean to be a spiritual organization How does this perspective challenge traditional approaches to the firm as a purely rational profit maximizing enterprise Is faith and spirituality in the workplace a passing fad or is there a substantial shift occurring in the business paradigm How does this field inform emerging management disciplines such as sustainability diversity and social responsibility In what ways are faith and spirituality in the workplace similar to progressive and innovative human resource practices Does faith and spirituality in the workplace bring something additional to the conversation and if so what The aim of The Handbook of Faith and Spirituality in the Workplace is to provide researchers faculty students and practitioners with a broad overview of the field from a research perspective while keeping an eye on building a bridge between scholarship and practice
