of Heresies**

*"Now I beseech you, brethren,
mark them which cause
divisions and offences contrary
to the doctrine which ye have
learned; and avoid them. For
they that are such serve not our
Lord Jesus Christ, but their
own belly; and by good words
and fair speeches deceive the
hearts of the simple."*

Handbook Of Heresies:

A Handbook of Heresies M. L. Cozens, 1928 **A Handbook of Heresies** M. L. Cozens, Brother Hermenegild, 2013-10

THE Revelation of God came to the world through the Hebrews a people unused to abstract speculation their very language too bald for Philosophy so that Theology had to take the language of poetry concrete images taking the place of definitions or syllogisms These characteristics whilst they prevented very great development of doctrine were a safeguard against its perversion When in the fullness of time Christ brought that complete Revelation of which Judaism was but the prologue it was to the Hebrews that He spoke He gave them His whole teaching but in their own tongue their own forms not only of speech but of thought Yet His Church was to be no longer the Jewish Church but the Catholic Church His Revelation was to all mankind and was to be received and assimilated not by the practical ethical Hebrew only but by the subtileminded Greek by the Eastern mystic and by the childlike untrained mind of far off Goth and Barbarian When on the day of Pentecost the Holy Ghost descended upon that little band which Christ had formed and trained they went forth to bring all minds into captivity to the truth and these were not minds empty waiting passively for the truth but minds already active with ideas theories and habits of thought of their own Into minds thus preoccupied the Christian Faith was to enter to seize and act upon and mould them and within certain very rigid limits to be reacted upon by them When Revelation took its rightful place as Ruler and Judge then all of natural truth or mental power that a man had was enriched and crowned by it all that was false or imperfect being abolished or rejected The Faith itself being more clearly set forth more deeply penetrated as the minds of men were brought to bear upon it gave forth all its strength light and sweetness That way lay development a process which began the first moment a Christian meditated on Christ s teaching and it shall not cease as long as one of the Faithful remains to keep the Faith But whenever Faith came to a mind not prepared to give it the first and ruling place but determined to judge and test it by its own prepossessions its own prejudices then the truth became perverted one sided and so were born heresies so began the first heresy so will heresies arise until Christ returns and Faith ends in Vision Well might the Apostles have quailed at the task before them Silnple Palestinian Jews how should they commend their faith to the whole Gentile world a world whose thought was so alien from their own But their Risen Master had promised that the Holy Ghost should bring to their minds all things whatsoever He had told them In this knowledge with this strength they went forward knowing that whatever their personal weakness however limited their individual knowledge or capacity their mission could not fail for He who had sent them had promised that the gates of hell should not prevail against them and that He would be with them even to the consummation of the world **A Handbook of Heresies** M L Cozens, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we

Augustine: Sermons on the liturgical seasons Saint Augustine (of Hippo),1959 The Spirit of Truth Haitham A. Issak,2023-09-12 The fourth century was different than the previous centuries due to two big heresies The first one was the heresy of Arius who denied the divinity of the Son This heresy led to the Council of Nicaea in 325 in which the church fathers

affirmed the divinity of the Son of one substance with the Father The second heresy was that of the Tropicci who denied the divinity of the Holy Spirit and said that the Holy Spirit was a creature or an angel At that time Athanasius was one of the most important leaders in the life of the church He wrote against the Tropicci as he addressed them in his letters to Serapion These letters are the major work of Athanasius concerning the Holy Spirit The Spirit of Truth explains the way that Athanasius dealt with the heresy and elucidates the pneumatology of Athanasius s use of the Gospel of John and 1 John It also discusses Athanasius s understanding of tradition Scripture and hermeneutical principles in his defense of the Godhead particularly the divinity of the Holy Spirit For Athanasius the Holy Spirit is eternal divine uncreated and one with the Father and the Son
