**Lesbian Women and Sexual Health** R Dennis Shelby, Kathleen Dolan, 2014-07-16 Interviewer Where did you find out how to have safe lesbian sex Val I found out in jail Why do so many lesbian women engage in sexual behavior that puts their health even their lives at risk Many know they re at risk yet somehow feel safe enough to behave as if there is no reason to practice safe sex *Lesbian Women and Sexual Health The Social Construction of Risk and Susceptibility* examines how lesbian women perceive their level of risk for HIV and other sexually transmitted infections STIs It describes how their perceptions of risk and susceptibility are shaped by factors such as sexual identity cultural themes and community knowledge and how those perceptions impact on the very real HIV STI risks that lesbian women face The genesis of *Lesbian Women and Sexual Health The Social Construction of Risk and Susceptibility* lies in Kathleen Dolan s exploratory study of this under researched area in which 162 structured interviews and 70 in depth interviews were conducted with women who self identify as lesbians What these women have to say will inform educate and probably surprise you Tables and figures make complex data easy to access and understand Lesbian women construct and label their identities and actions in complex ways that may lead to risky behavior In the words of the women surveyed and in Dr Dolan s insightful commentary this book explores the ways in which lesbian women construct their perceptions of risk and susceptibility to seek answers to questions that include Do many lesbian women see themselves

to an extent as immune to HIV contraction How does their self constructed sense of risk and susceptibility lead to making dangerous choices Why in spite of their professed willingness to engage in protective actions do many lesbians not actually do so Why do many lesbian women and some of the health care professionals who serve them feel that pap smears are not necessary for women who have sex only with other women and what are the consequences of this opinion What is the relationship between drug alcohol use and risky sexual behaviors in lesbian women Lesbian Women and Sexual Health The Social Construction of Risk and Susceptibility is an important resource for women s lesbian health advocates health care professionals and courses in gay women s medical studies It addresses gaps in the existing research to enhance our understanding of the physical and mental health status of lesbian women of risk factors and protective actions regarding HIV and STIs and of the conditions for which protective actions actually reduce risk Use it to update your knowledge of this understudied area at the intersection of physical emotional and sexual health

*Textbook of Men's Mental Health* Jon E. Grant, Marc N. Potenza, 2007-04-02 The first of its kind this book reflects progress in a too little explored corner of psychiatry to show that gender plays an integral role in mental health issues for men *Textbook of Men's Mental Health* provides clinicians with the information they need for understanding how certain disorders manifest differently in men and for recognizing how treatment responses in men differ from those in women Multidisciplinary coverage in this groundbreaking guide draws from fields such as public health and substance abuse to create a well rounded approach to addressing men s specific mental health problems With contributions by today s experts in men s mental health this work gathers the latest research about men s psychiatric issues from the difficulties in diagnosing male depression to strategies for engaging men in marital therapy First addressing developmental issues specific to childhood adolescence and old age the text then presents treatment options for an array of problems from anxiety to sexual disorders to posttraumatic stress disorder This volume then addresses psychosocial issues as they apply uniquely to men such as fathering marriage aggression and overcoming the stigma of mental health treatment as well as a chapter on how men s ethnicity influences the effectiveness of therapy Among the topics discussed are how men behave in intimate relationships with women and the mental health considerations unique to gay men psychiatric disorders more prevalent in men than women such as substance abuse antisocial personality and conduct disorder up to date facts on male sexual functioning covering erectile dysfunction premature ejaculation and male orgasmic disorder why disorders less common in men anxiety depression PTSD require different treatment than for women coverage of compulsive disorders seen in men both more frequently such as pathological gambling and compulsive sexual behavior and less frequently such as kleptomania and compulsive buying insight into how body image a problem usually associated with women has become a serious health issue for men as evidenced by eating disorders muscle dysmorphia and steroid abuse No previous text has addressed such a wide range of issues concerning men s mental health presented here in evidence based coverage featuring case vignettes key points practice guidelines and an extensive reference list in each

chapter Clinicians who wish to make more prudent decisions regarding the care of men with mental health issues will find this text indispensable to their practice and to the well being of their male patients
