The lives she and her husband Peter led as they refused to let the illness overtake their joy in living is the stuff of fairy tales. Peter's ability to care for Andrea with such gentle ferocity is inspiring. *Silent Determination* lovingly chronicles their roller coaster emotional ride, their education about an unusual disease and the value that love and God played in their life without forcing those things on the reader. We meet his patients, hear from other addiction experts and learn about the science and medicine of opioid addiction and its treatments. He shows us how addiction can be prevented, how knowledge can reduce stigma and how epidemics can be beaten. Dr. Ramin brings the hopeful message that just as patients and health care workers rallied together to fight HIV one generation ago, a coalition of patients, advocates, scientists, doctors and nurses is once again finding solutions and making plans to stem the overdose deaths, block the spread of fentanyl and end the epidemic. **Catch Fire** Douglas Scott Nelson, 2011-08-01 Take control of your life by becoming financially bulletproof with this no-holds-barred guide to money management.
