Good Luck in Cracked Italian Richard Hugo, 1969      **We are called human** Michael S. Allen, 1982      *The Concise Oxford Companion to American Literature* James D. Hart, Wendy Martin, Danielle Hinrichs, 2021-01-21 For nearly half a century James D Hart's Oxford Companion to American Literature has offered a matchless guided tour through American literary culture both past and present with brief biographies of important authors descriptions of important literary movements and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day In this second edition of the Concise version Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory To this end over 230 new entries have been added including many that cover women authors Native American African American Asian American Latino a and other contemporary ethnic literatures LGBT trans and queer studies and recent literary movements and evolving areas of contemporary relevance such as eco criticism disability studies whiteness studies male masculinity studies and diaspora studies      On Sacred Ground Nicholas O'Connell, 2011-10-01 On Sacred Ground explores the literature of the Northwest the area that extends from the Pacific Ocean to the Rocky Mountains and from the forty ninth parallel to the Siskiyou Mountains The Northwest exhibits astonishing geographical diversity and yet the entire bioregion shares a similarity of climate flora and fauna For Nicholas O Connell the effects of nature on everyday Northwest life carry over to the region's literature Although Northwest writers address a number of subjects the relationship between people and place proves the dominant one and that has been true since the first tribes settled the region and began telling stories about it thousands of years ago Indeed it is the common thread linking Chief Seattle to Theodore Roethke Narciissa Whitman to Ursula K Le Guin Joaquin Miller to Ivan Doig Marilynne Robinson to Jack London Betty MacDonald to Gary Snyder Tracing the history of Pacific Northwest literary works from Native American myths to the accounts of explorers and settlers the effusions of the romantics the sharply etched stories of the realists the mystic visions of Northwest poets and the contemporary explosion of Northwest poetry and prose O Connell shows how the most important contribution of Northwest writers to American literature is their articulation of a more spiritual human relationship with landscape Pacific Northwest writers and storytellers see the Northwest not just as a source of material wealth but as a spiritual homeland a place to lead a rich and fulfilling life within the whole context of creation And just as the relationship between people and place serves as the unifying feature of Northwest literature so also does literature itself possess a perhaps unique ability to transform a landscape into a sacred place      WLA ,2008      Making Certain It Goes On: The Collected Poems of Richard Hugo Richard Hugo, 1991-07-17 The definitive collection of a major American poet's work Richard Hugo was in James Wright's words a great poet true to our difficult life Making Certain It Goes On brings together as Hugo wished the poems published in book

form during his lifetime together with the new poems he wrote in his last years      **The Real West Marginal Way: A Poet's Autobiography** Richard Hugo,1992-06-17 Of Richard Hugo's Making Certain It Goes On David Wagoner has written Richard Hugo spared himself and us no pains or joys in making the wonderful vigorous original poems brought together in this single collection His was and is a very important voice in modern American poetry Hugo was also an editor of the Yale Younger Poets series and a distinguished teacher and master of the personal essay Now many of his essays have been assembled and arranged by Ripley Hugo the poet's widow and a writer and teacher and Lois and James Welch writers and close friends of the poet Together the essays constitute a compelling autobiographical narrative that takes Hugo from his lonely childhood through the war years and his working and creative life to an interview just before his death in 1982 William Matthews also a friend of Hugo's has written an introduction      **Lofty Dogmas** Deborah Brown,Annie Finch,Maxine Kumin,2005-09-01

Compiled by three noted poets this is an eclectic stimulating and informed selection of poets remarks on poetry spanning eras ethnicities and aesthetics The 102 selections from nearly as many poets reach back to the Greeks and Romans then draw on Chaucer Shakespeare Sidney and Milton on to Shelley Keats Coleridge and Poe then Hopkins Yeats Eliot Rilke and Pound concluding with many of our contemporaries including Hall Clifton Mackey Kunitz and Rukeyser The book is divided into three sections Musing concerns issues of inspiration Making issues of craft from diction to meter to persona and voice and Mapping the role of poetry and the poet Headnotes at the beginning of each selection provide background information about the poet and commentary on the significance of the selection There is also a useful appendix with a listing of essays arranged according to more specific topics As the poets write in their introduction This book was intended to deepen readers understanding of age old poetic ideas while at the same time pointing out new directions for thinking about poetry juxtaposing the familiar and the strange reconfiguring old boundaries and shaking up stereotypes      **Encyclopedia of**

**American Poetry: The Twentieth Century** Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States      **The Oxford Companion to American Literature** James David Hart,1948

*Professional Journal of the United States Army* ,2010      *Military Review* ,2010      [Review of Current Military Literature](#) ,2010      *The Nature of Generosity* William Kittredge,2010-09-22 Hailed as one of our finest writers about the American West William Kittredge now brings all his experience and intelligence to bear on the wider and wilder West of our civilization In certain respects *The Nature of Generosity* continues the story of *Hole in the Sky* the acclaimed memoir of Kittredge's early

life on his family's vast ranch in Oregon but it also ranges freely and exhilaratingly around the world and through recorded time. A travel book of sorts from New York and Venice to the Andalusian hills of Garcia Lorca from the cow towns of Montana to the caves at Lascaux it is driven by the quest to reconcile childhood simplicities with the complex urgent adult questions about who to be and how and why. Drawing on our various histories biological cultural psychological Kittredge celebrates diversity as the cornerstone of our social possibilities examines the freedom and responsibility this entails and suggests that our culture's habitually selfish combative behavior is far from being in our best interests or indeed in our nature. Less geographical than philosophical at once learned and curious observant and personal *The Nature of Generosity* is a revolutionary and practical magnum opus. Another Place Andrew Elkins, 2002 Contending that many good poets live and write in the American West Andrew Elkins suggests that the western landscape be it New Mexico desert or Alaskan wilderness shapes the work that is created there. The place's essence and spirit inevitably become part of the work that flows from the poet's creativity. Elkins examines the work of Peggy Pond Church John Haines Adrian C. Louis Richard Hugo Jane Hirshfield and several cowboy poets. Texas Christian University Press. Selected Poems Richard Hugo, 1979-07-17 The poems in this volume were selected by the poet in 1978 from his first three books *A Run of Jacks* *Death of the Kapowsin* *Tavern and Good Luck* in *Cracked Italian* and from his three more recent books *The Lady in Kicking Horse Reservoir* *What Thou Lovest Well Remains American* and *31 Letters and 13 Dreams*. The result easily demonstrated then as now the massive achievement of the writer whom Carolyn Kizer called one of the most passionate energetic and honest poets living. *Words to Measure a War* David K. Vaughan, 2009-04-23 This is a study of the war poetry of nine American men who served in World War II. The efforts of those who had established themselves as poets prior to or during the war Karl Shapiro Randall Jarrell John Ciardi and William Meredith are compared with those whose poetic careers began after the war Louis Simpson James Dickey Richard Hugo Howard Nemerov and Lincoln Kirstein. The military careers of these soldiers illuminate how their experiences affected the content as well as style of their poems. Each man's poetry directly related to his involvement with the combat environment the closer the combat experience the more personal the poetry the more distant the experience the more detached the poetry. **White Center: Poems** Richard Hugo, 1980 Richard Hugo has been described by Carolyn Kizer as one of the most passionate energetic and honest poets now living. Nowhere has that passion energy and honesty been more evident than in *White Center* his newest volume of poems. That Richard Hugo's poetry creates in his readers an almost indistinguishable desire for more writes the critic and poet Dave Smith is the mark of his ability to reach those deep pools in us where we wait for passionate engagement. What Hugo gives us is the chance to begin again and a world where that beginning is ever possible. Here for his ever growing body of readers are more of those opportunities. **A Literary Companion to Rome** John Varriano, 1995-05-15 Arranged as a series of walks through the city this book is both an illuminating guide for the visitor to Rome and a delight to read at home for those who love the city and want to enrich their

knowledge of it Includes 10 walking tours illustrations      A New Way of Seeing Michael Sarnowski, 2025-06-04 A New Way of Seeing considers the poetry of five writers Louis Simpson Keith Douglas Richard Hugo Howard Nemerov and Randall Jarrell whose work draws on their activities as soldiers in World War II Basing his examination on extensive primary source research Michael Sarnowski identifies distance both literal and figurative and traumatic memory as two interconnected elements of how these poets internalized the war and made sense of the events they witnessed The book is structured on a gradient related to each poet's proximity to combat as the chapters in turn focus on an infantryman Simpson a tank commander Douglas a bombardier Hugo a pilot Nemerov and a stateside flight instructor Jarrell Sarnowski relies on a wealth of archival material overlooked by previous scholarship including poem drafts correspondence flight logs and personal belongings The conclusion revisits notions of legacy and representation by assessing factors that contributed to the early labeling of World War II soldiers as a Silent Generation in contrast to the outpouring of poetry published during and following the First World War By exploring how poets processed their wartime experiences A New Way of Seeing offers a stark reminder of why it remains vital to recognize the physical mental and psychological consequences endured by veterans
