INGOs must regularly make deep moral compromises In choosing which compromises to make they should focus primarily on their overall consequences as opposed to their intentions or the intrinsic value of their activities But they should interpret consequences expansively and not limit themselves to those that are amenable to precise measurements of cost effectiveness The book concludes by explaining the implications of its map of humanitarian INGO political ethics for individual donors to INGOs and for how we all should conceive of INGOs role in addressing pressing global problems **The Nonprofit Career Guide** Shelly Cryer,2008-05-20 FINALIST 2008 Book of the Year Awards Career Category ForeWord Magazine A must read for anyone hoping to launch a nonprofit career Nonprofits need talented creative people with all types of skills and experiences The Nonprofit Career Guide will help you find the best opportunity for you and your interests This hands on guide is filled with practical advice from real people working at all levels of diverse nonprofits In detailed profiles you ll find out what their work is like the career paths they followed and what they look for when hiring new staff Besides getting a sense of the scope and range of work opportunities you ll find the most up to date information on how to Prepare for a nonprofit career Conduct targeted job searches and network effectively Handle interviews with aplomb Write persuasive cover letters and stellar resumes Negotiate a competitive compensation package With The Nonprofit Career Guide you ll get the competitive edge you need to land a great first job and build a rewarding career in the nonprofit sector Published by Fieldstone Alliance in collaboration with American Humanics **Careers for Good Samaritans & Other Humanitarian Types**,2006-03-01 Careers for Good Samaritans & Other Humanitarian Types Marjorie Eberts,Margaret Gisler,1991 The only career book to match the right job to your big hearted personality The inspiring Careers for Good Samaritans and Other Humanitarian Types encourages you to embrace your individuality by finding the job that matches your character traits Includes Suggested jobs in a wide range of settings from the office to the outdoors A selection of jobs with different levels of educational requirements Advice on competing in hot job markets Tips on transforming hobbies into job skills **Careers for Caring People & Other Sensitive Types** Adrian A.
