The Good, the Bad, and the Sexy Emily Carmichael, 2008-12-18 The spotlight doesn't get any hotter than this Rachel Marsh doesn't have time to think about the pampered lives of Hollywood stars. She s too busy running her family s Lazy M Ranch in Arizona But even Rachel has heard of Jackson Stone the green eyed movie megahunk known for his sexual prowess both on and offscreen Jackson is the last person Rachel would expect to show up looking for work as a cowboy But that s exactly what happens and now Rachel has her hands full keeping her mind on the Lazy M and off Jackson After a nasty tabloid scandal Jackson has decided it would be best to spend a little time out of the public eye When he stumbles across the Lazy M Ranch he hatches a brilliant plan to convince its pretty owner to let him go undercover as a cowboy until things blow over Jackson sees nothing wrong with spending a little time incognito especially with a woman like Rachel who looks as good roping cattle as she does by the light of an intimate campfire Now far from inquiring eyes these two slightly cynical lovers are going to discover just how good they are at being bad and the outcome may be more than downright sexy. It may be true **The Good, the Bad, and the Undead** Kim Harrison, 2008-06-24 It s a tough life for witch Rachel Morgan sexy love independent bounty hunter prowling the darkest shadows of downtown Cincinnati for criminal creatures of the night She can handle the leather clad vamps and even tangle with a cunning demon or two But a serial killer who feeds on the experts in the most dangerous kind of black magic is definitely pushing the limits Confronting an ancient implacable evil is more than just child s play and this time Rachel will be lucky to escape with her very soul **Colouring Meaning** Gill Philip, 2011 Primarily focused on idioms and other figurative phraseology Colouring Meaning describes how the meanings of established phrases are enhanced refocused and modified in everyday language use Unlike many studies of creativity in language this book length survey addresses the matter at several levels from the purely linguistic level of collocation through its abstractions in colligation and semantic preference to semantic prosody and connotation This journey through both linguistic and cognitive levels involves the examination of habitual language and its exploitations both mundane and colourful explaining the phenomena observed in terms of current psycholinguistic research as well as corpus linguistics theory and analysis The relationships between meaning in text and meaning in the mind are discussed at length and extensively illustrated with worked case studies to offer the reader a comprehensive overview of metaphorical and other secondary meanings as they emerge in real world communicative situations The Good, the Bad and the Ugly Richard Taylor, 2024-08-01 The book takes 45 chart toppers and writes their story. The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971and a light novelty No 1 song was also the bass player on Lou Reed's hit single Walk On The Wildside a heavy weight

dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children's songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book and the Guacamole Rebecca Adler, 2016-11-01 Tex Mex waitress and part time reporter Josie Callahan is about to serve up some Lone Star justice in this spicy Taste of Texas Mystery from the author of Here Today Gone Tamale Tourists are pouring into the town of Broken Boot for the annual Homestead Days Music Festival Opening the celebration at Two Boots dance hall is smooth talking country singer Jeff Clark the ex boyfriend of Josie's best friend Patti Perez When the charming Clark woos Patti onstage in an attempt to rekindle some sparks with his old flame Josie fears her friend will end up as just one more notch on the singer's guitar strap To impress her editor at the Broken Boot Bugle Josie and her Chihuahua Lenny pursue the singer to Patti s house hoping for an interview Instead they discover Clark facedown in a bowl of guacamole with a bloodied guitar at his side With Patti suddenly a murder suspect Josie must use her reporter skills to find out who had a chip on their shoulder before the killer double dips INCLUDES TEX MEX RECIPES Social Media: The Good, the Bad, and the Ugly Yogesh K.
